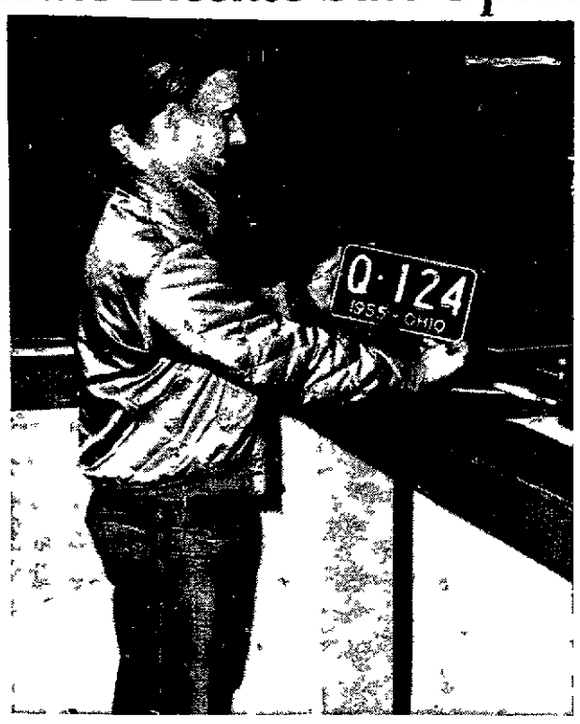
Tornadoes Lash at Youngstown, Troy; Loss Figured at $200,000

Auto License Sale Opens



FREDERICK ERVIN of 369 Mount Vernon Ave stood in line for about an hour ard one-half this morning to be the first to obtain his 1955 license plates at the local license bureau at 124 Court St Here he checks the number of his tag He was the only one in line about 7 45 a m , but by the time the bureau opened at 9 a m there were about 40 persons waiting License plates may be obtained between now and March 31 and must be displayed on motor vehicles after midnight, March 31

38 Killed, 21 Wounded

New Border Clash Rocks Egypt, Israel

CARIO (AP)—Egypt accused Israel today of killing 38 Egyptians and wounding 21 others in a 'sneak night attack on an army headquarters two miles inside Egypt s Gaza Strip

The Egyptian director of Palestine affairs, Lt. Col Salah Gohar, termed the attack the biggest clash on the Israeli-Egyptian frontier since the 1949 Palestine Armistice

Deny Accusation

Five hours after the Egyptian announcement, an Israeli army spokesman in Jerusalem announced that the Egyptians had attacked an Israeli army unit and a "battle ensued which started in Israel territory and continued into the (Egyptian-held) Gaza Strip" The spokesman said the 'enemy forces were repulsed' and the Israelis "suffered a number of casualties"

Gohar said Israeli forces surrounded the army unit last night blasted it with mortars and demolition charges and then ambushed a truckload of 36 troops rushed to the position.

Include Civilians

"The Israelis even threw Molotov cocktails of blazing gasoline into the wrecked truck" the Egyptian spokesman reported 'Twenty-two were killed and 14 were wounded None escaped being either killed or wounded

Gohar said 16 Egyptians were killed and seven were wounded in the opening attack These casualties were believed to include one civilian dead and one wounded, he added

He charged also that the attackers destroyed a well supplying one-third of the water for the ancient town of Gaza, population about 40 000

It was expected Egypt would act quickly to bring the incident before the U N Security Council

In Tel Aviv last night an Israeli army spokesman accused the Egyptians of operating a spy-saboteur net in southern Israel from the adjacent Gaza area Citing this charge, Gohar declared

"It is obvious the attack on the army camp near Gaza was a carefully planned aggression and the Israelis laid a propaganda ground work in advance by making such charges even while the attack was taking place '

The rectangular Gaza Strip, 12 to 16 miles wide extends about 60 miles northeast along the Mediterranean from Egypt s Sinai Peninsula It was awarded to the Arabs by the 1947 U N partition of Palestine and has been occupied by Egypt since 1948 It has been the scene of hundreds of border incidents in the past year.

Congress Pay Hike Approved

Final Action by House Sends Bill to President

WASHINGTON (AP) — Congress gave final approval today to a 50 per cent pay increase for its members, raising them to $22 500 a year

House passage sent on to President Eisenhower the bill accepted by the Senate yesterday With the President s signature the lawmakers will begin drawing the higher pay as of March 1

It is the second major piece of domestic legislation to clear Congress in this session The first was a bill continuing GI educational benefits for men who entered the armed services prior to Jan 31

House leaders sought to pass the pay proposal on a voice vote with relatively few members present But Rep Gross (R-Iowa) forced a roll call

The measure also carries pay raises of $7 500 to $10 000 for approximately 400 federal judges, a $5 000 boost for the vice president and House speaker and increases for U S attorneys, their assistants and several top Justice Department officials These were not altered in yesterday's conference

The House passed a compromise pay bill last week but this measure was rejected by the Senate because of a tax-exempt $1 250 expense allowance

Council Acts To Okay City Wage Raises

Orders Legislation Brought In To Grant Hikes for Nearly All

Wages of city employes were in the limelight Monday night as City Council took a step toward a possible pay raise for all city employes and adopted three ordinances concerning wages of certain other employes

Council s Finance Ways and Means Committee recommended and Council approved bringing in legislation granting pay increases for all city employes except policemen, firemen, and General Hospital workers

Range of Increases

The proposed raises would be as follows

Five cents an hour for all hourly employes

Five dollars a month for all clerks

Ten dollars a month for all non-elected city officials

Committee chairman Don Quaintance, Fifth Ward said the committee recommendation was made on a 5-3 vote of the eight councilmen attending a committee session in which the wage increases were discussed

Following Quaintance s report Edward J, Mossman, Ohio representative for the CIO Public Employe s union, spoke in favor of the raise

He said that he wished to point out an error in a report made at the last Council meeting concerning pay scales for county and state employes in similar job classifications

Claims Rate Is $1 52

Contrary to the report, he said under civil service job classification the pay rate for both county and state laborers is $1 52 an hour after one year.

The report made at the last meeting by Harold Fralich Sixth Ward, was that laborers are paid $1 40 an hour by the county and $1 15 an hour by the state

Mossman said further that he was in favor of the uniform allowance granted police and firemen, but added that other city employes should be given an

Property Tax Payments End In Closing Rush

This is the last day for payment of real estate taxes in Marion County for the first half of the year Although the total amount collected and the percentage of payments will not be known exactly for about a week or 10 days, Marion Hinklin, county treasurer, said today his office has been busier than in the last few years

He pointed to a stack of mail receipts which were delivered this morning and said that despite that the entire office staff of six persons was kept busy Saturday and Monday doing nothing but taking money from persons who came into the office

"People seemed to wait until the last minute this year" he said, and added that it made a rush on his staff during the last few days He said the collections at the office from persons who have paid their bills in person has been larger this year than in any other year since the institution of the mail payment plan

Since the employes have been so rushed taking money at the office Hinklin pointed out, it will be at least a week and probably closer to 10 days before he is able to compute the amount of collection.

"The staff has been unable to work on the books" Hinklin stated They have been kept busy trying to keep the lines moving Several times Saturday and Monday, the lines were extended outside the office door into the hallway of the courthouse

Hinklin said he expected a great deal of mail to come into the office tomorrow postmarked today which would be enough to prevent it from being penalized as delinquent

After all that is in and counted the job of computation can begin

Record 931 Million Asked

Lausche's Budget 'Unbalanced,' Say Republican Critics

COLUMBUS, Ohio (AP)—Pruning hooks in hand, the Republican-controlled Ohio Legislature today studied a record 931-million-dollar, two-year budget submitted by Democratic Gov Frank J Lausche GOP leaders in the Senate immediately branded it an 'unbalanced budget"

The five-term governor used 10 million dollars from the state treasury surplus to balance the operating budget he offered to the Legislature last night together with a message which insisted the lawmakers impose no new taxes on the people of Ohio

The use of surplus money to finance the state s living expenses" for the next two years was the thing which riled Senate Majority Leader C Stanley Mechem (R Athens) and Sen Tom V Moorehead (R Muskingum), Senate Finance Committee chairman

I never heard of such a thing ' snorted Mechem operator of several retail shoe stores ' If I expect to operate my business for the next two years, I m not going to do it by using my last two years profit And the state shouldn t use its surplus from the last two years to pay its bill for the next two '

Commented Moorehead, Zanesville Republican

'An unbalanced budget' That s great' If the state s income for the next two years doesn t equal the amount the state plans to spend then the budget doesn t balance Everyone knows that two years from now the state will be expected to spend at least as much as it does in the next two years—but the surplus money may not be there What do we do then' '

Rep J Frank McClure (R-Ashland) House Finance Committee chairman agreed 'It is not a balanced budget '

At the same time he said hearings will start on the budget bill tomorrow

The bulk of Lausche's recommended increases would go to schools, poor relief and salaries for more employed in the state s mental hospitals

The boosts for schools—simply because more and more youngsters are flooding into the schools—would be 31 million dollars Poor relief would jump 14½ millions Nearly 9½ millions would be allocated for more employes in mental institutions

There are two ways of looking at the state budget

One way is to include all the money the state collects and spends That includes all the earmarked money—tax money collected for a specific purpose like highways wildlife control and the money involved in the state s monopoly liquor business buying and selling That amounts to 931 millions

The other way of looking at the budget is to ignore the money the governor and the Legislature can

Brilliant Flash Marks Atomic Blast in Nevada

Third in 1955 Series Of AEC Bomb Tests Made at Yucca Flat

LAS VEGAS Nev (AP)—A reddish flash so bright it was seen in five states accompanied the predawn detonation today of the third atomic device in the 1955 test series

Touched off in perfectly clear weather at 5 30 a m the spectacle was visible as far away as Phoenix Ariz , 440 miles southeast Observers in San Francisco, Los Angeles Salt Lake City and St George, Utah, also witnessed it

The Atomic Energy Commission said the explosion was similar in power to the second shot of the series last Feb 22 which would make it one of the smaller explosions here The Feb 22 blast gave Las Vegas its best jolt in three years Today's, however, barely rattled windows here

At the control station on Yucca Flat 75 miles northwest observers said they felt the shock as a strong thump" The device was detonated from a 300-foot tower

A mushroom cloud rose quickly to above 27 000 feet and formed an

5 Die as B47 Hits Louisiana Trailer Court

Crippled Jet Bomber Ploughs Into Homes; Two Civilians Killed

LAKE CHARLES La (AP) — A crippled B47 jet bomber smashed into a suburban residential area last night killing five as it cut a fiery swath into a trailer park

The dead included the three crewmen and a young couple whose house was demolished by flaming debris

The six-engine Stratojet was trying to land at Lake Charles Air Force Base when it hit a power line, crashed and exploded in a field Heavy metal pieces hurtled into the residential area

The air base said the plane reported one engine had failed

Capt George Spotswood base public information officer identified the dead crewmen as

Capt Clarence Wilson 34, pilot California Pa , Capt Mark M Veck 34, copilot Downieville, Calif and Capt Elwyn B McBee 33 observer Fort Worth Tex

The Calcasieu Parish (County) sheriff s office identified the dead

'Has Overwhelming Lead'

Churchill Declares U.S. In Front in H-Bomb Race

LONDON (AP) — Prime Minister Churchill said today the United States is the only country in the world able to deliver a full scale hydrogen bomb attack 'on a few hours notice '

Further he said the United States has an overwhelming lead over Soviet Russia in the 'knowledge and power to make nuclear weapons "

'The threat of a hydrogen attack on these islands lies in the future," Churchill told the House of Commons in opening a debate on defense planning

"It is not with us now according to the information which we have been able to obtain '

Members of the house listened gravely as Churchill began his policy-making speech. He spoke slowly His voice was clear and strong He looked the best he has in months

Discussing the power of hydrogen weapons he asked dramatically

What ought we to do? Which way can we turn to save our lives?

Answering his own question he said a bonafide system of general disarmament was the solution

But he said, 'the long history and tradition of Russia made it repugnant to the Soviet government to accept any practical system of international inspection "

A second difficulty, he said, was that while the United States has nuclear superiority the Soviet Union and her satellites have 'an

At Least One Death Caused By Twisters

Thunderstorms, Hail, Lightning Hit Hard in Other Areas of State

Tornadoes ushered March into Ohio today causing at least one death injuring other persons and hitting at two cities, Youngstown and Troy Extensive damage was reported in both areas

Elsewhere in the state heavy thundersqualls struck in scattered areas, accompanied by lightning and hail in many cases

The tornado first hit Troy in Miami County about 12 45 a m It uprooted about 30 large trees, damaged at least three residences and one manufacturing plant, and knocked out power lines The tornado hit in about a half-mile to three-quarter mile stretch then turned toward the northeast.

Hit About 3 a m.

The first high winds hit Youngstown shortly before 3 a m , striking in one area then skipping a few blocks to dip down again near the city s eastern limits damaging some homes and felling trees

A housewife Mrs Mary Fallott, 43, was killed in the Youngstown tornado when the winds wrecked her small dwelling She was found in the driveway amid the wreckage of the house Her husband Andrew, 45 was hospitalized with cuts on the shoulder

Fallott said he heard a roar covered himself and his wife with a blanket and the next moment was out in the pelting rain in the yard

Two Hospitalized

Six other persons were injured at Youngstown as the winds swept five basementless homes off their foundations Among the injured was Billy Conklin, 2½, whose father, Kenneth, 37, was blown out into the yard Conklin clawed his way back into the wreckage and found his son still in his crib, heavy wreckage lodged over it but not crushing it Conklin, his son and his wife Betty 34 were taken to St Elizabeth Hospital with cuts and bruises

Two women were in St Elizabeth s Hospital with serious injuries Mrs Rosemary Polito, 44 had a broken pelvis and was suffering from severe shock Mrs Marjorie Whitaker 34 was listed in fair condition with a possible skull fracture

Police, firemen and Red Cross workers were mobilized to probe the wreckage and help the homeless

As far as could be determined only one person, an unidentified motorist, was hurt in the Troy twister During the height of the winds his car struck a tree He

Matusow Not Talking About Texas Hearing

WASHINGTON (AP)—Harvey Matusow self-styled former Communist invoked his Fifth Amendment privilege today when asked if he had testified truthfully in a 1953 Texas probe of certain labor unions

The 28 year old turnabout witness protested against being pressed about the testimony he gave in Texas until he had a chance to study the transcript of what he had told the state investigators

Refusing to answer questions put to him by the Senate Internal Security subcommittee Matsuow said he would invoke 'the protection afforded me by the Fifth Amendment" This amendment gives a person the right to refuse to give testimony which might incriminate him

In the past various person whom Matusow has accused of being Reds have invoked their Fifth Amendment privilege when called before the Senate subcommittee and other congressional investigators

After testifying volubly more than three days in the Internal Security subcommittee's probe into his repudiation of sworn testimony, Matusow suddenly refused to answer when he was asked about his appearance before the Texas Industrial Commission ih December, 1953.

Like a Lion or a Lamb?

FEBRUARY'S April - like last day, which had Marion children playing on the sidewalks in droves gave way to blustery March arrival early this morning when a thunderstorm dropped nearly half an inch of rain on the city

To the children like eight-year old Nancy Hoehner, daughter of Mr and Mrs Harold F. Hoehner of 555 Pearl St who is shown taking advantage of yesterday s 61-degree temperature to stroll with her doll, March came in neither like a lion nor a lamb, but more like a lemon. The change in weather certainly ruined for the time being the sidewalk play enjoyed Monday.

Last night's storm, which broke shortly after midnight, lasted until 3 30 a m. and total rainfall was 45 of an inch The temperature dropped from Monday's high of 61 to 44 in the night and was down to 40 at noon today

Partly cloudy and colder is the forecast for tonight with the lowest temperature reading expected to be in the 30s For Wednesday, the prediction is considerable cloudiness and cooler with chance of showers in the north portion of the state.

For the month of February, total rainfall recorded at the Marion weather station was 2 33 inches with 12 2 inches of snow The normal rainfall for the month, which is 2 39 inches for this section of the state, was exceeded by 44 of an inch.

Sen. George Opposes

Senate Committee May Stall Tax Cut

WASHINGTON (AP)—The scales of the Senate Finance Committee appeared tipped today against a House-passed tax cut of $20 a person to take effect next Jan 1.

'The show s over," said one committee Republican, asking anonymity, when he heard that Sen George (D Ga) had stated he would vote to knock out the cut

In any event the issue appeared likely to be carried to the Senate floor later in the week.

7 Oppose Cut

Republicans said their seven committee members were holding fast against the cut although some expressed uncertainty about Sen Malone (R-Nev) Malone declined to say how he would vote

But with Chairman Byrd (D-Va) and George committed to vote to strike out the tax cut the GOP side could win even with one defection

Democrats have an 8-7 majority on the committee

Sen Barkley (D Ky) proposed a compromise to put into gradual effect the income tax reduction It would provide a $10-a-person cut in 1956 $15 in 1957 and $20 starting in 1958. This attracted no immediate support from those opposing any cut at this time.

Would Begin Jan. 1

The House bill would make the $20 - a - person reduction effective Jan. 1 next year. It would cost the Treasury about $2,200,000,000 a year

It would also extend for a year the present corporation and excise rates scheduled to drop April 1. This provision, asked by President Eisenhower, would continue about

No Funds for Major Projects

Crews Begin To Repair Badly-Weathered Streets

The twin destroyers, freeze and thaw, have played havoc with Marion streets this winter, causing chuckholes and buckled pavements which have given many streets a "washboard" effect

In answer to complaints by drivers about the roughness of many of these streets, Mayor Harold F Robinson said today that repairs will be made as soon as possible but that no major street improvement program is planned

HE ADDED that while the streets were hard hit, the damage was no worse this year than in many of the previous years

Street department crews began the task of patching many of the chuckholes Monday and were to continue, weather permitting, until all known holes in city streets are patched

Other than this patching program and the annual surface treating program, the city is financially unable to undertake any additional improvement programs, the mayor said

He said that funds for street work are limited and are just enough to carry out these annual programs

ANY LARGE-SCALE street improvement program such as resurfacing or rebuilding any of the main thoroughfares, would call for additional revenue to pay for it, he said

How this additional revenue

Toledo Firms Plan Study

Parking Garage Survey Gets Council Go-Ahead

A decision to sign a contract with a group of Toledo bonding companies to determine whether Marion should build an off-street parking garage was tentatively reached by City Council at its meeting last night

Harold Fralich, chairman of the lands and buildings committee, reported that his committee recommended signing the contract with the Toledo group rather than any of the three other combines which also submitted proposals for financing construction of the garage

This recommendation was made as a result of a meeting of his committee Saturday in which the proposals of all four of the combines were studied in detail to determine which would be best for the city Fralich said

It was found that the proposal of the Braun, Bosworth and Co. in combination with two other Toledo bonding companies, was the only one which would provide the city with a feasibility report at no obligation to the city, he explained.

According to the terms of the proposal, Braun, Bosworth and Co. would employ an engineering firm to make a study of Marion's parking needs and report as to whether a parking garage built on the city-owned parking lot at S. Prospect St. and W. Church St. would pay for itself.

Regardless of the conclusions of this report, the city would not be obligated to proceed with the project and the survey and feasibility

Damage Suit Hearing Opens In Local Court

Hearing of a $25,000 wrongful death suit against a 17-year-old Marion girl and her father began this morning in Common Pleas Court with the selection of a jury.

Defendants in the action are Joan S. Gallina and her father, Carl, of 901 York St. Plaintiff is Ralph L. Stoner of 368 Girard Ave., administrator of the estate of his daughter, Joyceanne.

Miss Stoner was fatally injured Nov. 10, 1953 when a car in which she was riding, being driven by Miss Gallina, failed to negotiate a curve on Route 739, about a quarter of a mile west of Green Camp.

The two girls and two other schoolmates were in the car.

In his petition, Stoner alleges Miss Gallina was driving in a reckless manner at a high, dangerous and unlawful rate of speed of more than 70 miles per hour.

Representing Stoner is the law firm of Donithen, Michel and Davis. Representing Miss Gallina and her father is the firm of Wilhelm and Robinson.

Pleasant Students Plan Benefit for Polio Drive

Pleasant Township School students are joining the Teens Against Polio state-wide drive by planning a social for this Friday night at the school.

Proceeds from the social, which will be open to the public, will go toward the fight against infantile paralysis.

The Teens Against Polio Social will be held between 5:30 and 7 p.m. with music to be furnished by the high school band, under the direction of Charles Toms. The menu for the evening will include chicken sandwiches, noodles, pie, ice cream, and cake.

The committee working on the project is comprised of: Princess Biggerstaff, Thula Weiser, David Moyer and Pete Owings.

World Day of Prayer Service Held in LaRue

The World Day of Prayer was observed in the LaRue Methodist Church Friday afternoon with a service held at 2 o'clock.

A piano prelude of music by Mrs. Albert Amstutz opened the program which was in charge of the secretary of spiritual life of the Woman's Society of the church, Mrs. Robert Rizor. A dramatization, "The Fruit of the Vine," was presented with Mrs. Rizor and Mrs. Warren Lowther as narrators. Participating were Mrs. Gene Dunkin and son, Tim, Miss LaVerne Weist, Mrs. Norman Griggs, Mrs. Richard Dennis, Mrs. Howard Bailey and Mrs. Ervin Dible.

Group singing and responsive readings on the theme followed.

Members of BPW Club To Entertain Employers

Annual employer-employe dinner of the Business and Professional Women's Club is set for tomorrow at 6:45 p.m. at Hotel Harding. The featured speaker will be Mrs. Lila Black of Columbus, legal assistant to the attorney general of Ohio.

Arrangements for the event were made by the education and vocations committee of the club headed by Miss Janet Geddis. Other members of the group are Mrs. Rita Baldwin, Miss Ruth Roe, Mrs. Mary Rogers, Mrs. Florence Tennis, Mrs. Elizabeth Tyde, Mrs. Pearle Vestal and Miss Ruth Kleinmaier.

ACTIVITIES BAN LIFTED

SPRINGFIELD, Ohio (AP)—A ban on extra-curricular activities at Wittenberg College will be eased tomorrow and ended by Saturday. Dr. Clarence C. Stoughton, college president, said tomorrow's basketball game with Capital University will be played. Two games scheduled last week were cancelled. The curb on outside activities stemmed from a wave of minor illnesses, Dr. Stoughton said.

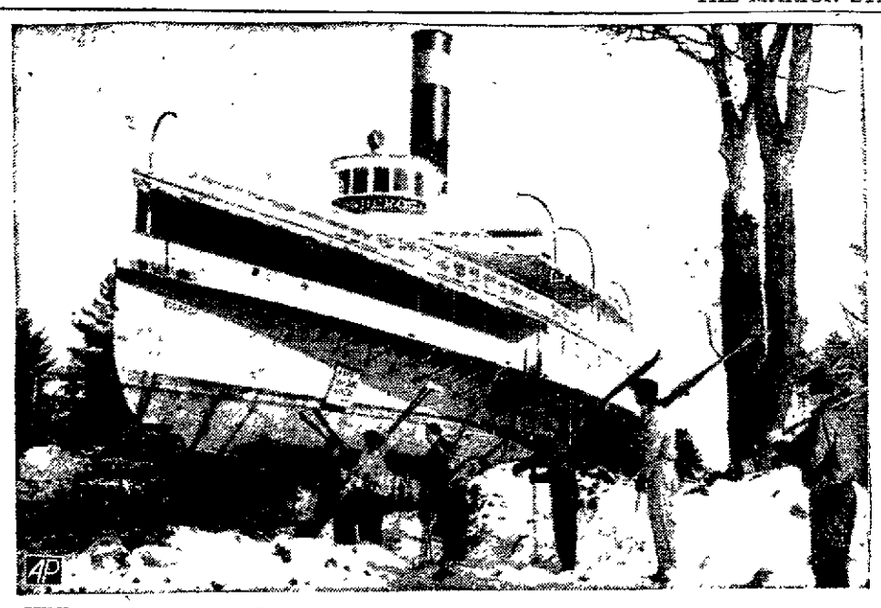
"Marion's Leading Jeweler"



SUMMER STEAMER MEETS WINTER SKIERS. Skiers on way to hill near Shelburne, Vt., pause to view old sidewheel steamer Ticonderoga. Vessel, last of Lake Champlain paddle boats, is making two-mile overland journey from lake to Shelburne museum. It is being hauled on special railroad track a few feet each day. Paddle wheels were taken off for land voyage. "Old Ti" is 49 years old, 220 feet long and weighs 900 tons.

Marion Countians Vacationing In Florida Attend Yearly Picnic

Marion County people now residing in Florida or spending a winter vacation in and around St. Petersburg, gathered Thursday at Lake Maggorie Park near St. Petersburg for the sixth annual Marion County Picnic. One hundred and fifty-eight attended.

A business session was held with the president, H. Clay Smith, presiding.

Officers chosen for 1956 were A. J. Loudenslager, president; Dale Lawrence vice president; and Mrs. Dale Lawrence, secretary.

Mrs. R. T. Thew gave a brief history of the preceding picnics and how it came to be organized. The first picnic was attended by 61 persons and the largest attendance was 165 in 1954.

It was voted to hold a picnic in Marion some time next summer for all persons who have attended a picnic in Florida.

The 1956 picnic will be held the same place in February, the exact date to be announced early next year.

Attending were:

Mrs. I. N. Auld, Mrs. Pearl Augenstein, Mrs. Florence Bacon, Mrs. Lena Bigler, Mrs. Nellie Balcom, Mrs. Frank Burbaugh, Mr. and Mrs. Vay Borland, Mr. and Mrs. C. E. Bonecutter, Mr and Mrs. J. A. Burgin, Mr. and Mrs. Ira Beers, Mr. and Mrs. William Bauer, Mrs. Gertrude Bearinger, Mr. and Mrs. G. R. Caldwell, Mr. and Mrs. Ralph Chilcote, Ethel Howard Comes, Mrs. Pearl Cheney.

Mr. and Mrs. Frank Douce, Mr. and Mrs. Carl Davis, Mr. and Mrs. Vern Day, Mr. and Mrs. Dominic D Amato, Elizabeth Dougherty, Mr. and Mrs. Ross R. Fogle, Mr. and Mrs. Charles Ferguson, Mr. and Mrs. O. L. Ferguson, Mrs. Nelson W. Friley, Edith Friley, Mr. and Mrs. Alpheus Gruber, Mr. and Mrs. C. E. Gruber, Mr. and Mrs. G. M. Gibb, Mrs. Daisy Grice.

Mr. and Mrs. Norris Hill, Mr. and Mrs. F. J. Hunter, Mr. and Mrs. Fred Hopper, Mr. and Mrs. Corwin L. Hanks, E. E. Hodges, Maud Hill, Mrs. Lizzie Hughes, John F. Hazen, Mr. and Mrs. A. Dee Imbody, Mr. and Mrs. Sherman Imbody, Mildred Jump, Ross H. Jump, Rachel L. Kelly, Mr. and Mrs. A. J. Loudenslager, Mr. and Mrs. Dale Lawrence, Mr. and Mrs. A. J. Landley, Mr. and Mrs. Henry Lauer, Mr. and Mrs. Hugo Malo, Mr. and Mrs. Paul Markert, Mrs. M. H. Messenger, Herman Gehring.

Mr. and Mrs. C. O. Midlam, Mr. and Mrs. Elmer Myers, J. S. Morrow, Mr. and Mrs. E. P. Money.

Mr. and Mrs. Albert J. Merkle, Anna S. Mennett, Thomas Mennett, Mr. and Mrs. Luther Mitchell, Harley Mautz, Mr. and Mrs. L. C. Nedds, Mr. and Mrs. Clarence Price, Mr. and Mrs. Alva Perry, Mr. and Mrs. E. E. Parish, Mr. and Mrs. A. M. Peters, Mr. and Mrs. R. A. Pacling, Mr. and Mrs. E. H. Rentschler.

Mr. and Mrs. Harold Rosenberger, Mrs. Francis Rossch, Stanley M. Rife, John Rayl, Mrs. H. S. Simpson, Mrs. Grace Smith, Mr. and Mrs. George A. Smith, Mr. and Mrs. H. Clay Smith, Edward M. Smith, Raymond W. Smith.

Mr. and Mrs. E. T. Snider, Mr. and Mrs. Harry Slusser, Mr. and Mrs. R. T. Thew, Mr. and Mrs. Wm. Tighe, Mr. and Mrs. John W. Truka, Mr. and Mrs. Jay Vaughan.

Mr. and Mrs. George P. Von Stein, Mr. and Mrs. Fred L. White, Mr. and Mrs. Ed Walters, Miss Cleora Winfield, Mr. and Mrs. D. L. Witzel and son, Leroy, C. F. Weber, Mrs. Lydia Weise, Mr. and Mrs. Harry Wells, W. W. Woodruff, Mrs. Fay Wick, Mr. and Mrs. Marlow Zachman.

Attending were picnickers from Clearwater, Bradenton, Tampa, Fort Myers and St. Petersburg.

TO LEAVE HOSPITAL

DULUTH, Minn. (AP)—Albert Woolson, 108, last Civil War Union Army survivor, will be well enough to return home in a few days. Hospital spokesmen said he apparently has recovered from the lung congestion that put him in the hospital Friday.

Contempt Trial Of 5 Opens in Stark County

CANTON, Ohio (AP)—The trial of five Stark County residents charged with contempt of the Ohio Un-American Activities Commission opened today.

The defendants, pleading the Fifth and other amendments to the U. S. Constitution, refused to answer questions of the commission at its hearing here Oct. 21, 1953.

Common Pleas Judge Paul G. Weber ordered prosecutor John Rossetti and defense attorney Joseph L. Hilton to file briefs.

Indicated by a grand jury on 10 counts of contempt each were Rose Mladjan, Paul Bohus and Olga Perry, all of Canton, and Eula Ann Cooper and La Verne Slargle, both of Massillon.

Their trial was delayed more than a year while the courts took up the question of whether contempt was an indictable offense. Judge Weber ruled it was not, but his decision was reversed by both the 5th District Court of Appeals and the Ohio Supreme Court.

Bridge Repairs Okayed

The board of county commissioners Monday authorized the county engineer to replace bridge culverts on two roads in Marion County. One is over Longacre Ditch on Road 194-C while the other is on Road 26-M over the Hinamon Ditch.

Reed Ours, county engineer, said this morning the work on the two bridges will start when the weather gets better.

35th Anniversary Noted By Musicians Local 531

The 35th anniversary of the organization of Marion Musicians Association, Local 531, American Federation of Musicians, was observed when the members gathered for a buffet supper Sunday evening in Columbian Hall. Seventy-five members and guests attended.

Supper was served from a table decorated with a birthday cake. Entertainment was music provided by the members. Arrangements were in charge of Marion Burton, Robert Burton and Don Lister.

Marionite Wins Award

Milford E. Hazen, Marion representative of Investors Diversified Services, has won company-wide recognition for top sales and service achievements and has been enrolled in the firm's President's Club, the company announced today.

He won President's Club membership in competition with more than 2,000 representatives, who serve more than 600,000 certificate holders and mutual fund share owners from coast to coast, the company announced.

NEW HOUSING PROJECT

CLEVELAND (AP)—Marvin Helf, Inc. has announced plans for construction of 340 homes in four suburban developments. The firm said the project, costing about $6,300,000 is scheduled for completion in September 1956. The homes, ranging price from $11,000 to $22,500, will be built in Mentor Headlands, Wickliffe, Lyndhurst, and on a 75-acre tract in Loran County.

New Supermarket Slated on Route 4 Just South of City

A new IGA supermarket will open by May 1 at the present Lincoln-Mercury body shop on Route 4 just south of the city limits under the managership of Robert Warner of 610 Cherry St. and Eddie Albright of Mount Gilead.

With an addition currently being constructed onto the building, the store space will measure 140 by 40 feet, Warner said. Parking space for approximately 75 cars will be available.

Both Warner and Albright have had about 10 years' experience in the grocery store business. Warner currently operates a store at 555 S. Prospect St., and Albright operates a store in Mount Gilead.

The supermarket is expected to stay open every evening, Warner said.

"No one knows what recent events in Russia mean," writes the syndicated brain as he launches into a 2,000 word explanation of what they mean.

SURVIVES 3-STORY FALL

DETROIT (AP)—Walter Simard 25, fell from the top of a three-story building yesterday while painting a sign. He suffered only cut hands, a sore hip and twisted ankle. He said he broke his 50-foot fall by grabbing at wires and brackets holding the sign.

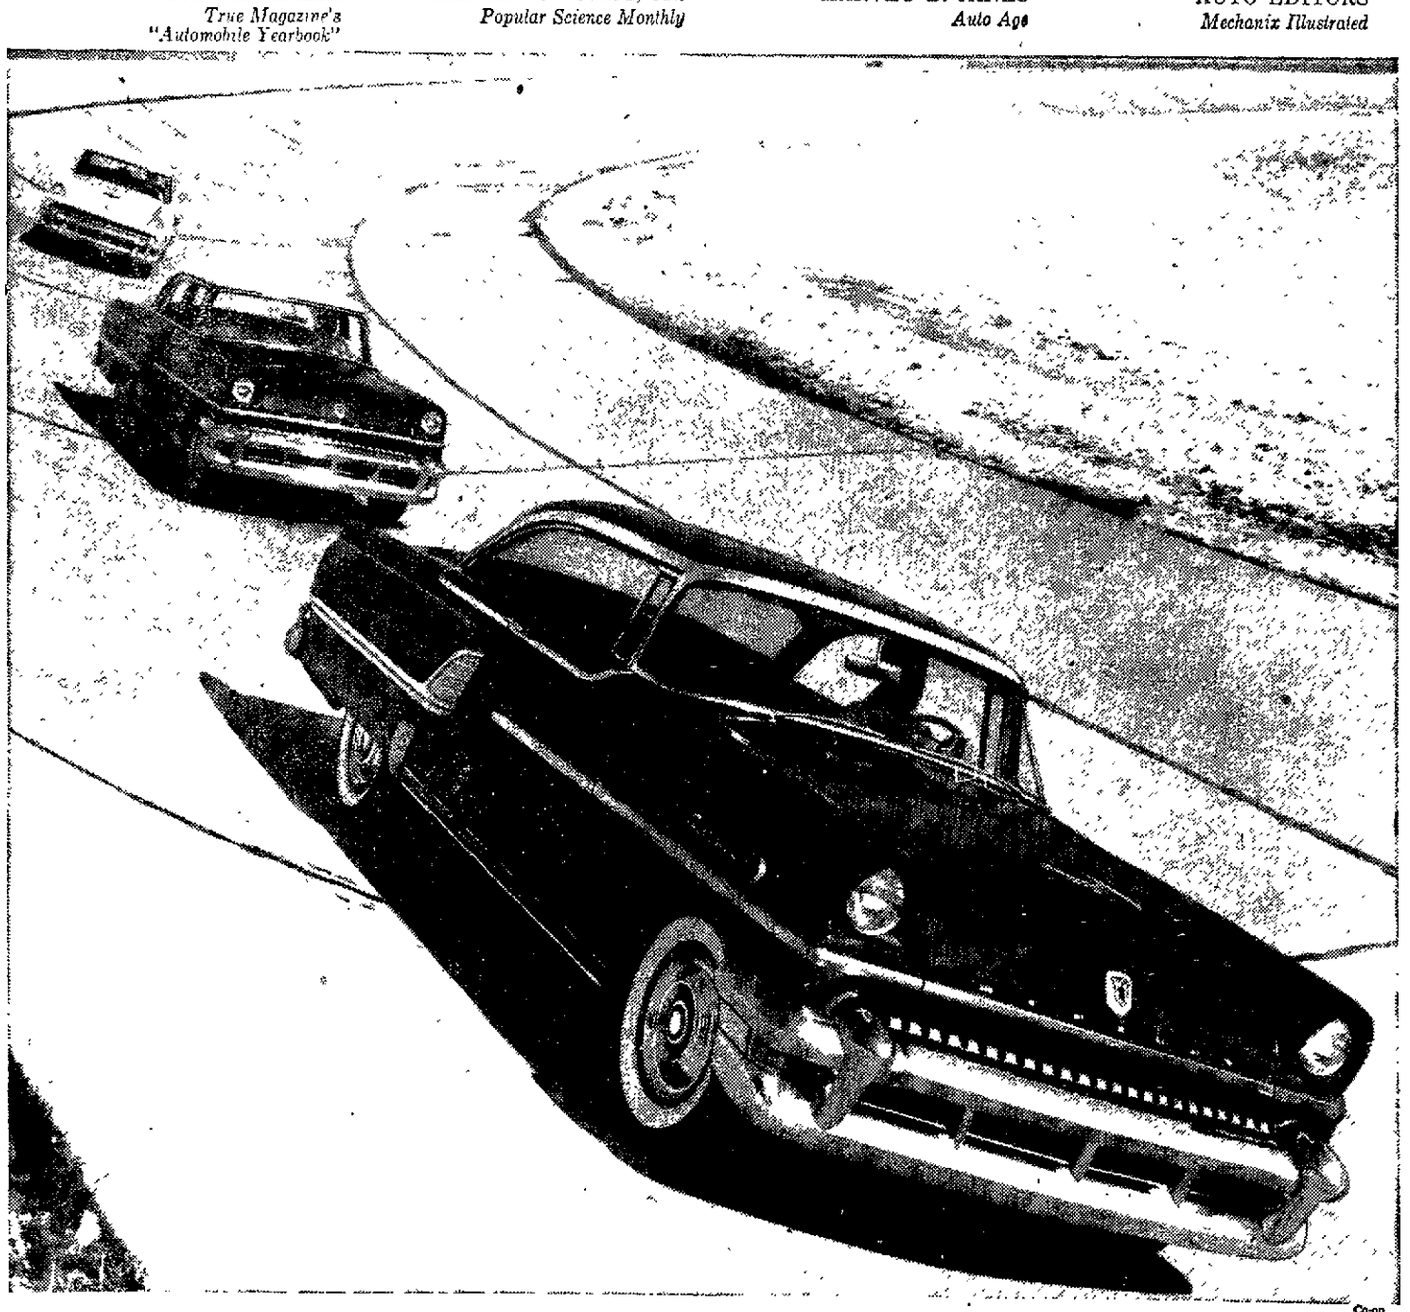
NEW MERCURY WINS RAVE REVIEWS FROM AMERICA'S TOP AUTO EDITORS

"In my book, the 1955 Mercury Montclair is the best-looking car made in America regardless of price . . . The '55 Mercurys have nearly everything—looks, top performance and roadability."
TOM McCAHILL, *True Magazine's "Automobile Yearbook"*

"On looks, (Mercury) is sleek enough to draw whistles . . . a doozy to drive—quick, smooth, and sure-footed. It is the kind of car you would want as a good companion on a long, fast trip."
FRANK ROWSOME, JR., *Popular Science Monthly*

"With its all-new styling and high speed, (the new Mercury Montclair) may become 1955's most popular car . . . I love its looks, visibility, speed and handling . . . It's hot as a pistol."
HARVEY B. JANES, *Auto Age*

"Performance-wise, all three lines (Custom, Monterey, and Montclair) are bombs, triggered by big 292 cubic-inch engines with plenty of torque for spine-tingling pickup when you want it."
AUTO EDITORS, *Mechanix Illustrated*



Co-op

Mercury Montclair, Monterey, Custom on the test track at Dearborn, Michigan. All 10 models in Mercury's 3 new series are powered by new Super-Torque V-8 engines (198 horsepower in the Montclairs, 188 horsepower in the Montereys and Customs). Dual exhausts are standard equipment on the Montclairs and Montereys. Mercury's pickup and passing power has been boosted in *every* speed range. Tests show acceleration increases of as much as 30 per cent, and you get far more usable power for safer passing and hill climbing. Get behind the wheel of a new Mercury. Feel the difference yourself.

New Ideas for easy, delicious

Salads!

Frozen Cheese and Pineapple

1½ cups Cottage Cheese
¾ cup whipping cream
½ teaspoon salt
⅓ cup drained, shredded pineapple
½ cup finely sliced dates
⅓ cup mayonnaise or salad dressing
3 tablespoons lemon juice

Drain off excess moisture from cheese and beat with a fork or electric mixer until smooth Whip cream until stiff, then fold in cheese. Add seasonings, well-drained pineapple, and dates; pour into a waxed paper-lined freezing tray. Freeze at coldest temperature (allow three hours for freezing). Cut into slices; arrange on salad greens, and serve with additional dressing. Serves 6. A wonderful bridge dessert served with nut bread and butter sandwiches.

Salads with Borden's Cottage Cheese add nutrition as well as pleasure to your menus And they're so easy to make These are only two of the many wonderful Salads you can have with Cottage Cheese!

Molded Cheese-Fruit

1 pkg fruit-flavored gelatin
2 cups boiling water
1 cup (1 small can) fruit cocktail
1 cup Cottage Cheese (drained)

Dissolve the gelatin (use your favorite flavor) in boiling water. Cool to room temperature Stir in fruit cocktail, including syrup, and Cottage Cheese Pour into molds and chill in refrigerator. Unmold on lettuce; serve with mayonnaise, whipped cream, or sour cream dressing.

Get the most from every recipe by always using

Borden's

the Cottage Cheese with the fresh sweet flavor!

Differs With Kennon's Appraisal

Sen. Gore Believes Ike Losing Ground in South

By JACK BELL

WASHINGTON (AP) — Sen Gore (D-Tenn) said today he doesn't believe President Eisenhower will have "an outside chance to carry a single Southern state in 1956 '

Gore said he disagrees with Gov Robert F Kennon of Louisiana who said yesterday in Richmond Va , that if Adlai E Stevenson is the Democratic candidate again he will run into party opposition as he did in 1952 Stevenson lost four Dixie states to Eisenhower 'Texas, Florida Virginia and Tennessee

Backed Ike

Kennon supported Eisenhower in 1952 Gore, who backed Stevenson noted this in an interview and asked ' Who is he to tell the Democrats whom they should nominate" '

Kennon suggesting alternates to Stevenson, said he wasn t predicting that any Democratic candidate could beat Eisenhower The President has given no public word as to whether he will run in '56

Kennon and Republican Gov Walter J Kohler of Wisconsin had a White House appointment with Eisenhower late today James C Hagerty White House press secretary said he understood the two wanted to discuss the administration s highway aid program The Louisiana governor is chairman of the Governors Conference

Gore said he believes the traditional Democratic hold on the South has been solidified by Eisenhower administration policies

Opposes Polices

' The people of the South don t like the President s policy of giving tax relief to the rich " he said ' They don't like his farm policy and they don t like his power policies

' If Eisenhower is a candidate again in 1956, and I assume he will be I don t think he has an outside chance to carry a single Southern state '

Kennon, a Democrat said he would like to see the Democrats nominate someone like Sen Byrd (D Va) or Gov Allan Shivers of Texas among others Shivers supported Eisenhower in 1952 and Byrd declined to back Stevenson.

Galion Boy Saves Companion's Life At Reservoir Site

GALION — A 10-year-old boy is credited with saving the life of his 11-year-old playmate Sunday afternoon when the boy fell into the cold waters of the Erie reservoir

Th boys Carl Reed Osborne 11 son of Mr and Mrs Walter S Stentz of Galion, and Douglas E Beyer 10-year-oll son of Mr and Mrs Herschel Beyer Galion were about 60 feet from shore when the frozen surface of the reservoir broke and the Osborne boy fell into the water They were accompanied by Michael Tucker 10-year-old son of Mr and Mrs Floyd C Tucker of Galion The boys had planned to cut a hole in the ice to fish they said

Because Osborne had learned to swim last summer under the Red Cross program he was able to keep afloat while Beyer scooted with one leg under his body to the edge of the hole and extended his other leg for the Osborne boy to grasp While the ice broke several times the two boys worked together until the Osborne boy could get out

Meanwhile the Tucker boy summoned Mrs Beyer to the scene The fire department was called, but the Osborne boy was in fairly good condition and did not need resuscitation The accident happened about 3 15 p m.

COLLECT WASTEPAPER

BUCYRUS — Scouts of Troop 22 sponsored by the Lions' Club collected more than 11 tons of wastepaper in a city-wide canvass last Tuesday, Scoutmaster Ed Koch announced today Proceeds from the sale of the paper will be used to help finance the troop s annual camping trip to Canada in July.

Crawford Agent Seeks Extra Fair Exhibit Room

BUCYRUS—A request for more exhibit space for girls' club projects was taken under consideration here today by the Crawford County Fair Board

Miss Louise Augenstein county home demonstration agent informed the board at its meeting Thursday night that available space for the exhibits of clothing, food and other homemaking items for the girls' organizations is inadequate The agent said that because of the lack of space many activities, which should be conducted at the fair, have been eliminated or held prior to the fair in local schools

It also was pointed out by Miss Augenstein that the homemakers' department of the fair has been short of special awards

Fair board members said there was a possibility that a frame building not now in use might be reconditioned to house the various girls' project exhibits.

Cub Scouts at LaRue Attend Annual Banquet

In observance of the 45th anniversary of Scouting Cub Pack No 36 of LaRue held the annual Blue and Gold Banquet Thursday night at the school auditorium

Each of the six dens decorated a table for the banquet which was a covered dish dinner The invocations was given by Gene Dunkin pack chairman Following the banquet a film on wild life was shown by Jack Howell and Pete Whitman

The Cub master is Francis Montgomery and assistant master is J Lewis Hafer Den mother Mrs J Lewis Hafer, Mrs R A Dietrich, Mrs Howard Wittbslager Mrs Arthur Harvey Mrs William Ganow, Miss Martha Sheets, Mrs Benton Denman Jr and Mrs Francis Montgomery

In 1954 the infant mortality rate in the United States reached a new low of 26 7 per 1 000 live births

NO EXPLANATION Pretty actress Lola DeWitt Stewart was unable to explain to police the mystery death of her 3 year-old daughter, Fancy, in a Chicago hotel room The actress 20 was found clinging to her dead daughter s body in a half-conscious state with a note that read ' Bury us in the same box please We belong together, you know Lola".

Rotary Club Members Plan Dinner at Bucyrus

BUCYRUS — An inter city dinner of Rotary Clbs in Galion, will be held Thursday night at Greenlawn Restarant east of Bucyrs

The principal speaker will be Robert A Manchester II of Youngstown a director of Rotary International He will show a film The Great Adventre which tells the story of Rotary work throghout the world

The inter city dinner is one of a series of events being planned by area clubs in observance of the organization s 50th anniversary this year

Lambroff Elected Head Of Chapel Heights Group

Officers of the Chapel Heights Memorial Gardens Association were elected when the trustees of the association met following the annual meeting Thursday night in the chapel building

M A Lambroff was named president, William Rizor, vice president, John W Dowler secretary and treasurer, Elery Brewer agent, Robert Weiss, trustee.

In the general meeting, Mr Dowler was elected a trustee to take the place of A D Boyd, a retiring board member

Trustees of the association made progress reports and events planned for the remainder of the year at the Memorial Gardens were announced The meeting was opened and closed with organ interludes by Mrs Virgil Curl and the invocation was given by Rev C E Hershey, pastor of Emmanuel Baptist Church

Educators Say Shortage Serious

U.S. Needs Engineering Technicians

By JOHN B. KNOX

BOSTON (AP) — The United States may be falling seriously behind Russia in a race which many Americans don't even know they're in.

In this swift-changing atomic-electronic age, educators say that this country may soon be handicapped in research and development by a shortage of engineering techicians — the men who turn plans into production.

Unofficial figures show that last year Russia graduated about 50,000 engineers and the same number of engineering technicians. The United States graduated 23,000 engineers and 13,000 technicians.

In some fields, particularly the automobile industry, five technicians are needed for each engineer.

This situation is causing deep concern among educators and government officials alike.

Secretary of Commerce Sinclair Weeks warns that without technicians the efficiency and progress of the engineer and the scientist would be critically curtailed or utterly lost.

—:—

WHAT IS THIS field which is being comparatively neglected by American youth, despite the scarity of workers and the promise of good salaries?

Dr. H. Russell Beatty, president of Wentworth Institute, a top Boston technical school, says the technician combines the points of view of the scientist and the skilled craftsman.

"Here is a field definitely between the trades and the engineering field," says Dr. Beatty. "It is a field for the doer, the builder."

"The engineer plans; the technologist makes and does. The engineer creates and projects; the technologist operates. The engineer is concerned with the why of a job, the technologist principally with how to do it."

—:—

THERE ARE ABOUT 60 technical institutes in this country."

Out of their intensive two-year courses come engineering teams specialists, such as draftmen, designers, cost estimators, production supervisors, chemists, testers, research technologists, control supervisor, time study men, technical salesmen and planners of production and construction.

"The warrant officers of industry," Dr. Beatty calls them. Often they become contractors and owners of businesses.

Starting salaries are not far below those of engineers and, says Dr. Beatty, "We have no placement problems."

CLEANS CARPETS, RUGS, FURNITURE; LEAVES LIKE NEW

Blue Lustre, a gentle foam cleaner, works equally well on wall-to-wall carpeting, fine Oriental rugs or upholstery.

That's because Blue Lustre brushes into the fabric without sogging or matting it, and removes the dirt without harsh action. What's more, it doesn't leave behind any oily or gummy substance. The foam disappears like soap bubbles blown into the air.

You can clean your furnishings simply, easily and cheaply with Blue Lustre. A half-gallon of concentrate costs only $2.59 and will clean three 9 x 12 rugs.

UHLER'S

Death Claims Former Senator in New Jersey

CAMDEN, N. J. (AP) — Former U.S. Sen. David Baird, a Republican, died Monday in Cooper Hospital following a relapse after an operation on Feb. 17. He was 74.

He was president of the Smith-Austermuhl Co. of Camden and the head of a lumber concern which bears his name.

A native of this south Jersey community, Baird emulated his father in serving in the U.S. Senate and in directing Republican organization politics in Camden. He retired from the political field in 1938 and had since concentrated on operating a lumber concern which bore the family name and in serving as president of the Smith-Austermuhl Co. of Camden, an insurance firm.

NEW CAMPUS PLANNED

STEUBENVILLE, Ohio (AP)—The Rev. Daniel Egan, Steubenville College president, said yesterday the school has bought a 40½ acre tract for a new campus on the north side of the city. The present campus is in downtown Steubenville. The Rev. Egan said construction on the new campus will begin "as soon as funds are available."

EX-ADDICTS ORGANIZE

CLEVELAND (AP) — A group of eight former narcotics addicts have organized Cleveland's first "Narcotics Anonymous" group. The members, meeting under the guidance of a Municipal Court probation officer, voted to gather every second week in their own homes and to give each other "pledge tasks" as part of an activities program. Their names were not disclosed, but the group said their membership includes a college-trained chemist, two Korean War veterans, a barber, three tradesmen, and one unemployed person.

State Official Addresses Religious Education Unit

Miss Lillian Comie, state director of the Weekday Religious Education program for public schools, was guest speaker when the local committee met Friday night at the YMCA. The work here is under sponsorship of the Marion County Council of Churches.

Miss Comie spoke of the need for strong community backing and for increasing the awareness of the public concerning the values of the program. On the national level 46 states permit functioning of weekday religious education, and the executive directors of 33 denominations have endorsed it officially, she said.

Mrs. Thelma Wilcox, director of the work in the Marion schools, announced that demonstration classes will be held March 28 to May 3 when parents, friends and others interested are invited to see what is being done.

A symposium is conducted as to the world's pleasantest sound. Well, one of the nicest is the far-away scrape as somebody else shovels the snow while you're lying in bed with the flu.

Housework Easy Without Nagging Backache

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

THE ALL-PURPOSE 'HERCULES' IN THE AIR. This is the first full-flight picture from Burbank, Calif., of the "Hercules," the new Air Force turbo- prop transport designed for multiple missions. Developing 15,000 total horsepower, it can take off from short runways with personnel or vital military supplies; fly higher and faster than existing military transports; discharge paratroops and air-drop cargo to ground troops; land on rough or makeshift airstrips; evacuate wounded and serve as a regular troop carrier in long-range movements. The huge plane measures 132 feet from wingtip to wingtip, and 95 feet from nose to tail.

Railroads Don't Plan To Raise Tracks in City, Councilmen Told

Railroads passing through Marion have no plans for raising their tracks to pass above city streets, City Council was told at its meeting Monday night.

This was part of a report made to Council by Mayor Harold F. Robinson on the progress being made toward signing of a contract for a traffic survey in the city.

He said the information was contained in a letter sent to Browne, Roberts and Associates, consulting highway engineers, by John J. Heier, deputy director of the division of planning and programing of the Ohio Department of Highways.

Each of the four railroads in the city were contacted by E. E. Sanderson, urban and railroad projects engineer in Heier's office, and three of them replied they have no plans for track raises other than those made necessary by normal track maintenance, Heier wrote.

Mayor Robinson explained that the inquiry was made by Sanderson in an effort to determine exactly what the State Highway Department requirements will be for the local traffic survey.

The railroads which asserted they have no plans for track raises were the Chesapeake and Ohio, the Pennsylvania and the Erie. No reply was received from the New York Central, but Heier said evidently this company's plans would parallel those of the Erie.

A contract with Browne and Roberts to make the survey is to be signed as quickly as an agreement is reached between the highway department and the consulting engineers as to what is to be included in the survey, Mayor Robinson indicated.

The report that the railroads are not planning track raise eliminates the need for the survey to include a study of this possibility. At the same time it means that the survey must also include a study of elimination of grade crossings by construction of under or overpasses, particularly on state and federal highways through the city.

Further talks between Browne and Roberts and the highway department to decide terms of the contract were continuing today in Columbus.

SWALLOWS LATH NAIL

PITTSBURGH (AP)—Chester A. McKibben, a plasterer, has been excused from further jury duty in a murder trial. He said he accidentally swallowed a lath nail while the court was in recess last weekend.

TUESDAY, MARCH 1, 1955

The People's Right

It has been a long-established view, supported by logic, tradition and to some extent by law, that complete freedom of information should prevail in all business transacted by public officials.

And yet there have been attempts on all levels of government in Ohio to veil the public's business in secrecy, to build up an aura of confidentiality around it.

So that there will be no mistaken ideas about it, so that it will be perfectly clear to all who attempt to conceal information that rightfully belongs to the people, Sen. Charles A. Mosher of Oberlin has introduced a bill into the Ohio Senate that spells out the obligations in infinite detail.

Sen. Mosher's bill, in effect, is an amendment to the statute that already makes all state meetings open.

It provides that all meetings of any board or commission of any state agency or authority or of any agency or authority of any county, or other political subdivision are declared to be public meetings open to the public at all times. Furthermore, it provides that:

(1) No resolution, rule, regulation or formal action of an kind shall be adopted at any executive session of any board or commission of any such agency or authority.

(2) The minutes of a regular or special session or meeting of any board or commission of any such agency or authority shall be promptly recorded and such records shall be open to public inspection.

Representatives of the people in our democracy are responsible to the people. Their decisions, their expenditures, their every official action are subject to public review.

The various media of dissemination of information, such as the press, radio and television, are in a sense agents of the people. Hence, when official transactions are concealed from these media they are, in effect concealed from the public — the people who pay the bills.

Fortunately, Marion and Marion County have few civil authorities who take themselves so seriously as to lose sight of their public trust.

To be sure, there have been instances in the past of isolated attempts to cover up. But they have been flushed into the open by a gentle reminder that those who operate in secret have something to hide.

The Mosher bill is in the taxpayer's interest. It will have the effect of keeping the light of public curiosity on the transactions of all public officials. It should be enacted.

One-Package Insurance

For the fifth time, a bill has been introduced into the Ohio Assembly to legalize multiple line insurance in the fire and casualty fields.

Ohio is the only state which does not permit a fire insurance company to write casualty insurance, and vice versa.

And why should the law be changed? To make it more convenient for the insurance companies?

Not at all, say its supporters. The law should be changed, they insist, to permit insurance companies to write and insurance men to sell single policies to take care of the risks of both fire and casualty and thus to save policy holders as much as 20 per cent in their insurance costs.

There are 32 fire companies and 27 casualty companies, mutual or stock, which have their home offices in Ohio. Nearly all of them are in favor of changing the law.

Underwriters in other states have been offering to homeowners the one-package policies with fire, theft and liability all in one, and Ohio companies have been under the guns of this competitive disadvantage.

Ohio for many years has had multiple line automobile insurance which provides fire, comprehensive and casualty insurance protection in one package.

It would be an imposition to expect the purchaser of automobile insurance to buy each of the various types from a different company. And even worse—it would be considerably more expensive.

There is no good reason why House Bill No. 218, known as the Johnson bill, should not pass this time.

The customer deserves a break—in cost, in protection and in convenience.

Old King Smog

Has it ever occurred to you that some day you might owe your life to a nice, thick blanket of smog?

It hadn't? Fantastic, you say?

The Army says it's so.

The Army is so convinced, in fact, that it has announced that a blanket of artifical smoke can help save people and cities from the searing, flashing heat of an atomic bomb explosion.

The smoke, or smog, wards off some of the heat, just as clouds protect against some of the sun's warmth.

To think that smog may become king after all these years of being kicked around from chimney top to smokestack.

Contemplate for a moment how fortunate are some of us who have unlimited quantities of "natural" smoke. Yes, even choking smog, which may become a commodity of real intrinsic value.

We won't even have to manufacture it — not on most winter mornings to be sure.

In the summer, we may have to stoke up because we'll probably need some help from the artificial.

Moral Cowardice

By David Lawrence

Intellectuals Unwilling To Face Issues Squarely

If there is a single outstanding defect out of the many that beset free governments today it is the unwillingness of the so-called intellectual groups to face moral issues.

For months now there has been a steady and persistent campaign both here and abroad which seeks to establish the premise that because the Communists have possession of the mainland of China and are claiming some sort of title to Formosa, the free world might as well embrace the Peiping government and admit it to the United Nations.

Yet this very week the British government has released the story of the awful treatment experienced by prisoners of the Red Chinese in Korea. In Britain they have been talking glibly, as do many of our own left wingers about the "legal" position of the Peiping government and of how under "international law," the mutual defense treaty between the United States and the Nationalist government on Formosa has no validity.

-:-

MEMORIES ARE short. Only a few years ago during wartime there were in London many "governments in exile" with which the British and American governments dealt daily and in fact recognized them as the legal governments of their own countries, even though the latter didn't control an inch of territory. Gen. De Gaulle, for instance, rather than Gen. Petain in occupied Paris was the officially recognized head of the government of France.

There is today a state of war between Peiping and the U.N. In February 1951 the United Nations formally declared the Red China government an aggressor in Korea. While an armistice has been signed, it has been repeatedly violated by the Communists.

No treaty of peace has yet been signed. That's a "legal" fact, too. Also the Peiping government has again and again insulted the U.N. and refused to accept its auspices in unifying Korea or in any other controversy including the one that has recently arisen about the Chinese offshore islands and Formosa.

There is nothing wrong about the United Nations that a little moral courage and adherence to principle wouldn't cure

The United Nations concept indeed was and is a great ideal. The thought that nations could bind themselves together and take measures for their own collective security as a sort of restraint upon the nationalistic passions of any one of their number is still a wonderful objective for which mankind can strive.

But the thick-and-thin defenders of the U.N. are its worst enemies. They talk of the U.N. as if it were a world government and they join in efforts to defeat the Bricker amendment without offering an effective procedure to prevent United Nations action from overriding the Constitution of the United States.

-:-

THE OTHER DAY when the Senate Judiciary Committee was questioning John Marshall Harlan, nominated for the Supreme Court of the United States, it was apparent that fear of a world government to be set up by the U.N. is deeply imbedded in the minds of many members of the Senate.

What was most disconcerting was the asumption that a man of good character and devotion to moral purpose would allow any preconceptions on foreign policy to influence his judgment on the merits of any case that might come before him as a justice of highest court.

It was Sen. Norris of Nebraska who publicly imputed to Charles Evans Hughes, when nominated for the bench, all sorts of improper attitudes just because he had been a corporation lawyer. Norris lived to regret his action.

It will be recalled, too, that leaders of organized labor kept one of the most liberal and progressive jurists in America, Judge Parker of North Carolina, from being confirmed for the Supreme Court because he had once decided a labor case against them.

Either a prospective member of the high court is intellectually honest and moral or he is faithless and doesn't deserve any office. What difference does it make whether Harlan did or did not join a world government group? Justice Black was once a member of the Ku Klux Klan but nobody has ever been able to point to a single decision of his on the Supreme Court that has been hostile to civil rights of any kind.

-:-

EITHER A JUDGE knows the meaning of fairness and is ready to write opinions based on the law and the Constitution or he is a crusader for a cause and doesn't belong on the bench at all.

Unfortunately there are individuals serving on the bench today who are hurting that concept by their open advocacy of one side or the other of highly controversial political questions of the hour.

Morality is not absent in the populace as a whole nor courage either, but the absence of these virtues in many so-called political leaders here and abroad who have voices powerful enough to mislead the poeple is the most dangerous poison in modern democracy.

Need To Work

By Frank Tripp

A very short and stout tired woman knocked on the hospital door. "Cleaner," she said when I told her to come in. Every day it was just that one word from a poor soul who should have been in the bed instead of me.

Yet she's glad for the job and performs it faithfully. She knows nothing of the complicated gadgets that surround her, the vials of remedies, the charts, and she understands few of the words spoken in her presence.

She just scrubs, sweeps, dusts, cleans silently from room to room and ward to ward all day long; then goes home to cook a meal for a big family and clean her own house.

"You look tired," I ventured one day. She nodded her weary head sadly.

"You ought to be in this bed, and let me mop," I smiled upon her.

She gave me a grateful but amazed look. Her eyes swept over the comfortable surroundings, her shoulders shrugged, and brokenly she said only, "I gotta work"—and resumed her scrubbing.

—:—

"I GOTTA WORK" — the words that built America, all of its liberty, its institutions, its comforts, misspoken by the frail, have sent more men to their graves than have bullets.

"I gotta work"—words which, unheeded by loafers, have sent just as many to jail or to the poorhouse.

But why does this tired charwoman who looks 70 at 58, the mother of grown children and grandchildren, still say, "I gotta work"?

When all about her are able-bodied loungers of both sexes, scheming, contriving and shirking to escape work—and living on doles collected from the toil of the likes of her?

—:—

THE ANSWERS to this question are almost as numerous and variant as the instances themselves. But back of them all is willful misinterpretation of loose government paternalism.

It keeps honest people, for whom it was intended, drudging to their graves, while fakers get by with concocted circumstances, shifting jobs, dodging work, inventing incapacity—robbing the funds, with utter disregard for who pays them their money.

—:—

IT IS A SAD commentary on the American educational system that "government" has ceased to mean "the people"; that "government" is some inexhaustible source of wealth, comfort and leisure with which toil has no connection; that a whole generation doesn't solidly know who and what government is, nor the source of its benevolence.

They are as naive as the darkey cab driver who showed his fare the marvels of Washington.

"Nothing I have ever seen can touch it. You have a wonderful city, George," said the passenger.

"We shoo do," said George. "An' de beauty ob it is dat it doan cost nobody nothin'. De government pays for it all."

—:—

PROPORTIONATELY, and far more burdened, that hospital charwoman who has "gotta work" is just as much government as is the president of General Motors. Out of her pay, and taxed upon the things she buys—as is also true of you—come the relief money, the unemployment funds and all of the something for nothing gimmicks that let able - bodied schemers slither through life on your back.

To carry his share of the load, every healthy citizen has "gotta work" when, where and all he can.

Because no material thing ever was created without labor —work. Workers proudly assert this truth. It is their major grounds for greater recognition, for a greater share.

(General Features Corp.)

Traffic Pileup

DETROIT (AP) — Bert Lamb was sentenced to 60 days in jail when he was unable to pay $370 for 43 overdue traffic tickets.

"I never thought I had that many tickets," Lamb told traffic Judge John D. Watts. "I knew I had a couple but I neglected to pay them. They certainly add up fast."

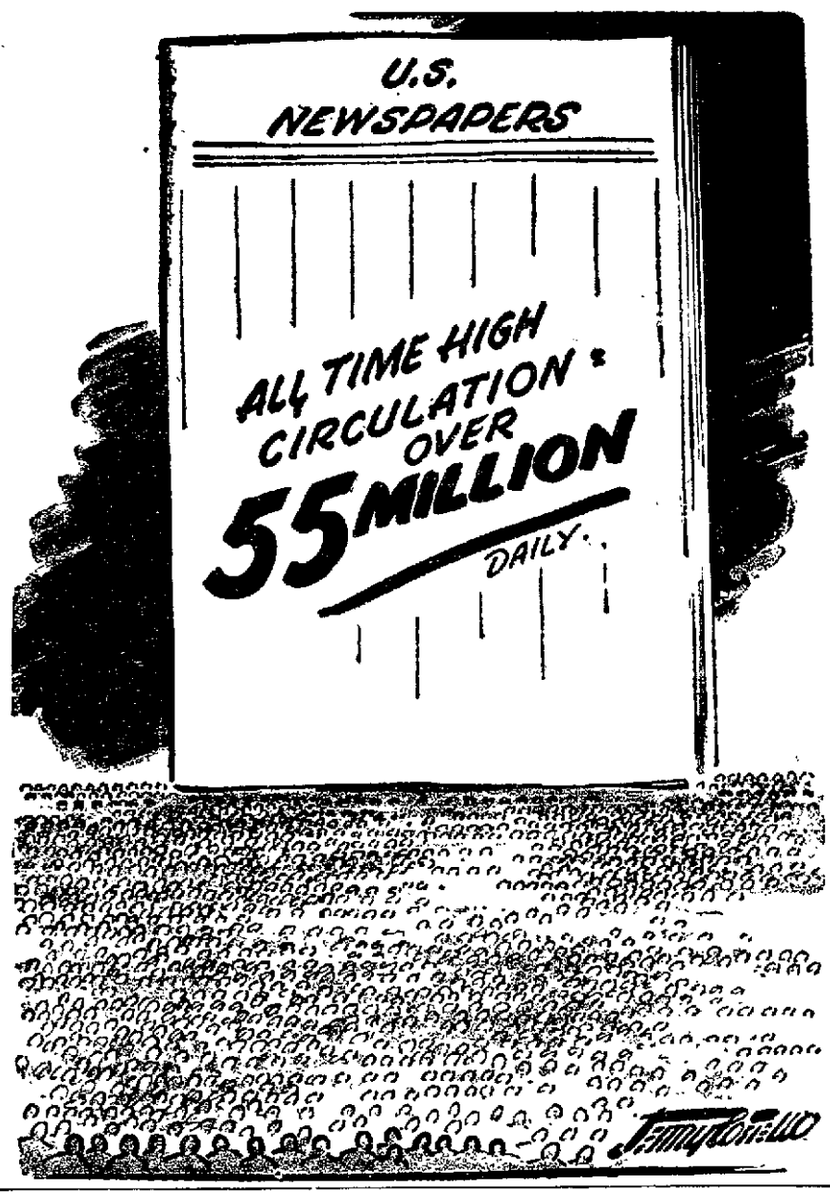
Words of the Wise

In what light soever we regard the Bible, whether with reference to revelation, to history, or to morality, it is an invaluable and inexhaustible mine of knowledge and virtue. — John Quincy Adams

Daily Bible Thought

"Because of his importunity, he will arise and give him." — Luke 11:8. Casual and formal prayers often fail. You may safely be importunate in asking for the reform of a wayward son or brother or an erring daughter.

A Hit With the Public



Socialist 'Bites Hand That Fed Him'

By Raymond Moley

Through a fine example of newspaper enterprise the Wall Street Journal has published the details of what was intended to be a "secret" report by the secretariat of the United Nation's Economic Commission for Europe.

It proposes that governmental machinery, which probably would be implemented by an international agreement, fix "right" prices for crude oil produced in the Middle East. This would affect five American and three European companies.

European newspapers are full of the subject at the moment and are interpreting the U.N. proposal as an attack upon "monopoly." It is in fact an effort to substitute a socialistic government system of control of which American companies would feel the brunt.

I shall give some attention to the economic aspects of this proposal at a future time but at the moment confine my attention to the interesting person who seems to be masterminding this scheme.

-:-

THAT PERSON IS one Gunner Myrdal, a Swedish socialist. He is the head of the secretariat which has gotten up this scheme. Myrdal is not unknown in the United States. He was brought over here by the Carnegie Corporation to make a study of the status of the Negro in the United States. The appropriation by the foundation for that purpose was $250,000 and the results were published under the title "An American Dilemma" in 1944.

Why there should be no person or persons in the United States fit to make such a study is not clear. Perhaps the Carnegie people felt geographic detachment would be a virtue even though that detachment had been so absolute as to deny the student of this problem an opportunity to have lived with the vexing problems of race in the South

At any rate the Carnegie Corporation got exactly what it might have anticipated which was a severe indictment of the United States. The Myrdal rancor toward the American Constitution can be illustrated by some of his comments.

He designates the American respect for the fundamental law as "a nearly fantastic cult." He says that our Constitution "is in many respects impractical and ill-suited for modern conditions," that its adoption was "nearly a plot against the common people," and that "until recently, the Constitution has been used to block the popular will."

-:-

HIS CONTEMPT for our culture is equal to his contempt for our Constitution. One of our cultural traits is, he says, "a relatively low degree of respect for law and order."

Our legal culture is "anarchistic" but we have a tendency to regulate human behavior "tyrannically."

Myrdal's qualifications were apparently highly satisfactory to some Americans for five years after these animadversions the Rockefeller Foundation gave a grant of $12,000 to the United Nations Economic Commission for Europe. Gunnar Myrdal was then as now the executive secretary of that outfit.

The grant was to provide "social science scholarships for selected European students." The cream of the jest is that according to tradition the Rockefeller money was made in the oil business. Now the UNECE is cracking down on American oil companies including the Standard of New Jersey, the Socony - Vacuum and the Standard of California.

-:-

STILL EARLIER than his Carnegie grant was a turn as a Rockefeller Fellow at the School of International Studies at Geneva.

At the commencement of Columbia University in 1954 there was a great celebration of the bicentennial of that institution.

Among those honored with the degree of Doctor of Humane Letters was Gunnar Myrdal who was hailed as the "distinguished son of a distinguished kingdom . . . a man of gifted energies . . . at home on two continents . . . making the world his classroom."

At the moment he seems to be making the Rockefeller oil companies his footstools.

(Associated Newspapers)

A Little Lamb's Tale

By MARK DANA

The National Geographic Society, which knows everything about everything, everywhere, happily reports to the present generation of juveniles (whatever their interest) that the Redstone School in New England, to which Mary's Little Lamb followed her, is still standing.

Furthermore, now ensconced intact on the "Longfellow's Wayside Inn" estate of the late Henry Ford, at South Sudbury, Mass., it is a classroom for 16 local children who probably don't have lambs as determinedly ambulatory pets.

The little schoolhouse was at Sterling, Mass., when Sarah Joseph Hale wrote her little poem about the education-seeking little white sheep which the teacher put out as a black sheep influence.

The verses were published in 1830 in The Juvenile Miscellany, and any small fry more interested in space ships, atomic submarines or hot rod cars than devoted young mutton on the hoof may feel sheepish some day when their grandchildren beg to have this tale of pedagogical aversion to Mary's little pal recounted.

Self-confessedly middle-aged is the man or woman, however, who can recite all the verses of this woolly yarn, which was a honey in its day when children's reading tastes were simple and any writing minus a moral was suspect. Yet what was the preachment in this metered anecdote?

That Mary spoiled her lamb—as she probably did later as a bride in trying out her new roasting pan? Or that it is terrible to break a school rule so that children will laugh? Or that all virtue, like this lamb's loyal lingering, inevitably is rewarded—a favorite text of the goody-goody juvenile reading matter until a few decades ago when kids began picking up some facts of life?

Maybe it's just as well that Authoress Hale ended her story where she did, without herself following Mary, or even the lamb, into the mature future where terrible things happen to a tid bit-fed fat sheep, the same as a fatted calf.

Kansas Imports Wheat

LINCOLN, Neb. (AP) — Nebraska is shipping wheat into milling centers in Kansas, normally known as the "Wheat State." The unusual situation results from the fact Kansas was not able this year to produce enough of the high-protein wheat demanded by Stabilization and Conservation officials.

GRIN AND BEAR IT By George Lichty

"Part of the fun of being in these phases, Otis, is listening to the fights between mom and pop, over what to do about it . . ."

The Once Over

By H. I. Phillips

Back to Bad Roads

President Eisenhower wants 101 billion dollars for a new super-highway program . . . We are against it . . . What America needs most are fewer super-roads, and we would close off some of the present ones . . . America is one vast psychophathic case, largely due to the fact nobody stays home much, does any walking or goes near a soothing country road. The birds and bees cover less ground. There is no poise, no relaxation, no sense of comfort in American life, and the crazy situation is caused by the yen for wider and faster highways . . . If a man wants to find a lovely, restful road today he has to advertise for it!

-:-

America is a system of arteries surrounded by ambulances, tow cars, pizza - pie counters, hotdog stands, motels, wrecked auto dumps and gas stations. "Nobody walks!" is its slogan . . . The nation is plagued by traffic problems, reckless driving and stark tragedy on the open road . . . An honest answer to "Is this trip necessary?" would bring a candid "NO" from 50 per cent of the drivers. We are for a 101 billion dollar appropriation to block up superhighways, stop new construction and open up more narrow country roads.

They are bumpy but you find nobody on them leering at a fellow traveler, snapping at pedestrians or barking at schoolchildren . . . We announce the Elmer Twitchell Foundation To Close Super-highways and Get Back to Country Arteries.

-:-

President Eisenhower isn't vitally concerned with wider highways. What he wants are wider fairways. He has driving troubles . . . But they are not on the open roads. It is not politically smart for Ike to fight for this road program. The more people who get out on the open roads driving like crazy, the greater will be the number suffering from nervous disorders, general irritability and bent fenders.

People suffering from these things always blame the administration and will go to the polls determined to bring back the Democrats . . . And no matter how wide the highways are built the trailer trucks will still race two and three abreast, leaving it to the public relations men of the trucking industry to handle the issue of reckless truck operation.

America was happier away back when the roads were narrow and could never be mistaken for roller coasters or offshoots of the Indianapolis Speedway, and when nobody used a $4,500 seven - passenger sedan to go two blocks for a can of pipe tobacco. (Ed Note.—The author of the above went for a ride on a country road, just after writing this, and got caught between two steam shovels and three bulldozers. Seems work converting it into a super - highway has begun.)

What ever became of the old-fashioned man or woman who used to say, "I'd like it, but I can't afford it"? And do you remember away back when most people felt uncomfortable when deep in debt?

Dave Garroway impresses this department as a bored businessman reluctantly rehearsing a routine for an office party.

John Hall, one of the pilots who skippers the big New York to Miami super planes, lives in a little shore town 80 miles from Gotham and flies to and from Idlewild in his own plane. We always remember the day when John, a kid of about 12, fell from an apple tree in his yard and broke an arm, causing his father to remark, "I told him to keep on the ground and out of trouble."

Boris Karloff has been appearing in light roles completely out of the Monster routine for which he is famed, and the switch is delightful.

Hundreds of big-city folks deserving little commendation get big publicity every day of the year, but there is not much for the true-blue men and women, among whom we cite Father Patrick Finn, a Greenwich Village priest, who at 35, is leaving to dedicate his life to the care of lepers in the Philippines.

News of Other Years

40 YEARS AGO—C. M. Fisher, representing Lima City Council, Junior OUAM, presented the city school board a large United States flag for use at the Lincoln building.

The Advance Club was entertained by Mrs. C. H. Lennon at her home on Nunin CT.

—:—

20 YEARS AGO — A son was born to Mr. and Mrs. Lester Morey of S. Grand Ave.

The Woman's Club met with Mrs. C. C. Pettit of Baker St. and heard a talk by Howard Allen of New York City, son of Mr. and Mrs. C. H. Allen of S. State St., associated with the college department of Harpster and Brothers, publishers.

Mrs. Samuel Wolfinger of the Hillman-Ford Rd. was hostess to members of the Arbor Vitae Club.

The newly-organized Oakland Owl Club met at the home of Mr. and Mrs. Eldie Mason of Sheridan Rd.

A sweet cream price war in Richwood had pushed prices up to the World War I level of 85 cents a pound and five dealers said they planned to make another boost to $1 a pound the following day, a figure that would be more than three times greater than the "normal" price of 32 cents a pound. Five dealers said they boosted prices when the sixth started giving away chances on a cream separator for $1 worth of butterfat purchased.

—:—

10 YEARS AGO — Marion city and county's annual Red Cross War Fund drive opened with approximately 600 volunteer workers going into the field to raise $62,000, the county's share of the $200,000,000 national quota.

The Art Club met with Mrs. George Probst on Durfee Dr.

The Val Dura Club met at the home of Mrs. Eva Bailer of Garden St.

The Fortnightly Study Club met at the home of Mrs. William Spath of 316 E. Farming St.

Miss Margaret Wolfley entertained the Quest Club at her home at 242 Gurley Ave.

Mrs. Ralph Middleton was elected president when the OB Club met at the Manor House with Mrs. N. V. Foreman as hostess.

Luncheon was followed by a social afternoon when Mrs. B. R. Sager entertained the YMB Club at her home on Woodrow Ave.

NEWSPAPERARCHIVE®

The social hour was in charge of Mrs. Mae Courtad. Mrs. Josphine Wenig won the contest. Refreshments were served.

The next meeting will be an afternoon session at the home of Misses Nellie and Frances Gamble.

—:—

Prospect Garden Club held its second annual birthday party Thursday evening at the home of Mrs. Carl Gabriel.

Devotions were by Mrs Hosea Kyle. Roll call was answered with, "Famous Birthdays in February." For the program, Mrs. Harry Lauer gave a paper, "Flower Arrangements for the Seasons." The birthday collection was taken and contests enjoyed. Refreshments were served at small tables decorated for the different months of the year.

The hostess was assisted in serving by the social committee. The program and social committees had charge of the program and contests. Guests were: Mrs. George Bird, Mrs. Paul Gast, Mrs Robert Jones, Mrs. Lydia McClead and Mrs. Harold Flint of Delaware.

—:—

Mrs. Hazel Mounts of Marion entertained the Pastime Club of Prospect Wednesday. At noon, eight members and three guests enjoyed a dinner.

In the afternoon contests were played and prizes went to Mrs. Princess Baker, Mrs. Dale Toms and Mrs. Harry Lauer. Guests were: Mrs. Harry A. Lauer, Mrs. Leah Johnson and Mrs. Charles Seebach.

—:—

Mrs. Benton Denman Jr. was hostess for the meeting of the Good Friends Club at her home on Thursday afternoon. Fifteen members responded to roll call with patriotic quotations.

During the business meeting, the group voted to list meeting dates on the community activity calendar.

A paper on "Calvin Coolidge" by Mrs. Blanch Little, opened the program and was followed by a paper, "Radio City," by Mrs. J. T. Jones Guests were Mrs. Hazel O'Connell and Sharon, Louise McWade and Johnny Denman.

During the social hour, the hostess served refreshments.

The next meeting will be at the home of Mrs. Eva Adams.

Talent Assembly Held

Eigth graders at Edison Junior High School presented a talent program at the Friday assembly at the school. Master of ceremonies was Peter Sykes.

Students taking part were Brenda Geer, Anne Moore, Marjory Mossly, Barbara Walter, Judy McCoy, Bonnie Orth, Linda Klaiber, Louise Mason, Clovis Dawson, Larry Azaroff, Derril Williams, Anne Moore, Janis Massie, Charlotte Huddle, Nancy Creasap, Betty Clark, Judy Glassmyer, Jim Ulery, Eddie Sturman and Monty Sellars.

$25 CONTRIBUTION MADE

In the Monday edition of The Star, it was incorrectly stated that the MOH Class of the Prospect Street Methodist Church contributed $2 to the Union Rescue Mission. The group gave a $25 contribution.

Church Activities

The Feburary meeting of Victoria Christensen Circle of Trinity Baptist Church was held Thursday evening in the community rooms of the West Town Branch of the First National Bank with Mrs. Gene Roberts and Mrs. Arthur Burchette as hostesses.

Mrs. F. Riley Hall opened the meeting with a poem about Lent. Appointed to serve on the nominating committee were: Mrs. Thelma Arthur, Mrs. Hazel Jennkins and Mrs. Edith Roberts. Installation of officers will take place on April 7 at Dixie's Tea Room.

The group voted to contribute $25 for missionary work.

The worship service on the theme, "Faith," was presented by Mrs. Arthur, followed by the prayer band and the circle convenant. Mrs. Mildred Snider had charge of the program which was a panel discussion on family life. Christian and non-Christian Members of the circle participated in the discussion.

A social hour with refreshments served by the hostess followed.

The next meeting, March 10, will be held at the home of Mrs. Hazel Jennkins on Hane Ave.

—:—

Mrs. Roy Waddell of Summit St. was hostess when members of Lucy Webb Hayes Society of Epworth Methodist Church met Thursday evening. Mrs. Grace Ulsh presided and opened the meeting with a sermonette. Miss Cleo Finley, supply secretary, announced the birthday date of a girl the circle is assisting at Harpst Home, and 66 calls were reported made during the month.

Miss Isabelle Stump gave the devotions to open the program hour. The mission study was given by Mrs. Grace Fletcher and dealt with the Bennett College at Greensboro, N. C., sometimes called the "Negro Vassar." The study book, "New Ventures on Old Roads," was given by Mrs. Mary Fisher. The theme was based on the words, "Go ye into all the world" or "The world is my parish." The meeting closed with a group of songs and the singing of "Happy Birthday" to a member.

During a social hour refreshments were served by the committee, Mrs. Waddell, Miss Effie Oliphant, Mrs. Louise Fogle, Miss Isabelle Stump and Mrs. Mary Livensparger.

—:—

Guest speaker at a meeting of Epworth Methodist Circle 5 Thursday afternoon was Mrs. C.E. Gifford whose subject was the United Nations. Mrs. Ethel McDougal was a guest also.

A dessert lunch was served preceding with Mrs. William Wylie as assistant hostess. Devotions were by Mrs. Walter Gantt and Mrs. Robert F. Williams presided for business. Music was by Mrs. Harry Carman who sang "The Holy Hour" accompanied by Mrs. Williams.

—:—

For a meeting of the Grand Prairie Baptist Watch Us Grow Class Thursday night, Mr. and Mrs. Albert Brammell were host and hostess in their home near Marion. Prayer was by Mrs. Richard Brooks and business was conducted by Mrs. Archie Rice. Mrs. Brammell read a poem.

Discussion on holding a Family Night meeting followed. Each one present took part in writing a friendship letter to Mr. and Mrs. Walter Martin, former members of the class who moved recently to Paris, Ill. Miss Shirley Sisson assisted in serving. The next meeting will be in the home of Mr. and Mrs. Allen Rowlinson near Monnett.

—:—

Plans for future activites were made when the Emanuel Lutheran Women's Missionary Guild met Thursday night in the church's educational building. Devotions were led by Mrs. Richard Jordan and Mrs. Robert Brown presided for business. Members voted $2 to New Guinea Missions. It was announced that each member is to bring to the next meeting a bath towel and washcloth for the Marion Union Rescue Mission.

Arrangements were made for presenting a program at the Marion County Home in the near future. The group will attend May 2 the Townhouse radio show at Station WLW's program headquarters in Columbus.

Mrs. Jordan announced that the guild will join with the Women's Missionary Society for three meetings, the first to be held Friday afternoon this week, for study of Pakistan, India and Ceylon. A Bible study group has been formed, with Mrs. Harold Jacobs in charge. The first meeting will be March 28 at 7:30 p.m.

Bible study in the book of Acts was presented by Mrs. David Bruggeman. Presentation of "Lutheranism Spreads to America" was by Mrs. Richard Taylor and Miss Edith Augenstein, chairman of missionary education, gave a report.

Guests were Mrs. Melvin Radel, Mrs. Donald Bly, Mrs. Donald Jerew and Miss Ann Goyer. Serving as hostesses were Mrs. Vincent Clement, Mrs. Donald Stull and Mrs. Robert Krebs.

—:—

The Green Camp Baptist Missionary Society met Thursday evening in the church parlors with Mrs. Dorothy Townsend acting as hostess.

The meeting opened with the singing of "Whosoever Will" followed by "The Great Commission," read responsively. Mrs. Elizabeth O'Hara chose "Titus and Philemon" for the book of the month Bible study. The theme of the devotions given by Mrs. Donna Jones was Christian center stories. The program, headed by Mrs. Clara Porter and Mrs. Doris Bosse, was on the establishing of a Christian center. The meeting was closed with a prayer by Mrs. O'Hara.

The next meeting, March 24, will follow the revival service.

—:—

The Ann Judson Mission Circle of the Prospect Baptist Church met Thursday afternoon in the church. Mrs. George Thomas had charge of the meeting and gave a report of the quarterly meeting held at Trinity Church, Marion.

Mrs. Eugene Kimmel gave a report of the conference she attended. The following nominating committee was appointed Mrs. Eddie Griffith, Mrs. George Thibaut and Mrs. Belva Beery.

Mrs Paul Kyle, program chairman, had charge of the program Mrs. Harry Lauer gave, "The City"; Mrs Kyle gave "Lighting the City Shadows." Others taking part were Mrs. John Griffith, Mrs. Kimmel, Mrs. Eddie Griffith and Mrs. Thibaut.

Refreshments were served by Mrs. Bertha Penry, Mrs Eddie Griffith and Mrs. M. M. Mohr.

—:—

A Lenten program will be included in a meeting of the Epworth Methodist Lamp Lighters, older adult group, tomorrow afternoon in Fellowship Hall at the church. Devotions will be by Rev. Sheridan T. Walker, Epworth parish minister, and music by Mrs Grisdelda Davis Dombaugh and Mrs. Margaret Rank.

An account of lamp lighters in England will be given by William Veness and a short story, "The Lamp Lighter," will be given by Miss Margaret Huffman. There will be a fellowship period also.

BALMAIN'S 'CANNES.' This Balmain creation for spring called "Cannes," is a long dress buttoned along its full length in white flannel with pale blue stripes. It is worn with a matching swagger coat with large collar. This Parisian designer's spring line features a natural bust, slim waist and full hips.

Lincoln Home's Museum Area To Be Bigger

SPRINGFIELD, Ill (UP) — Mrs. Kathleen Bradish, a gracious white-haired woman who "keeps house" for Abraham Lincoln, is a bit excited these days.

By Feb. 12, the 146th birthday anniversary of the 16th president, Mrs. Bradish hopes to complete arrangements for opening to the public the upstairs and the kitchen of the Lincoln Home.

Those areas have been closed to the public since the big frame house, not far from downtown Springfield, became a public museum in 1878.

The upstairs includes the bedrooms of Mr. and Mrs. Lincoln and their eldest son, Robert, a guest room, and a maid's room.

The soft - spoken, 68 - year-old housekeeper has long since come to feel at home in the only house Lincoln ever owned. She became a part-time guide there in 1941, and has been custodian since May 1953.

Mrs. Bradish and her husband, who was in the investment business, moved to Springfield from her native Hallock, Minn., in 1930.

After her son and daughter married and her husband retired, she said she had a lot of time on her hands.

"I might as well be frank about it," she said. "I took the job because it was a job and I wanted something to do.

"But now I love it, and after reading about the Lincoln family, and becoming intimately acquainted with Lincoln's home, I almost feel as if he were still alive."

Probably the most enjoyable part of Mrs. Bradish's work—she calls herself something of an extrovert—is talking with visitors to the house where Lincoln spent his last years in Illinois.

There were more than 427,000 of them last year—students, historians, researchers and people just curious about the home of the famous Civil War president, she said.

They come from all parts of the country and from many foreign nations. The thing that seems to surprise them most is that Lincoln had such a pleasant residence.

"The log - cabin - to - the - White House tradition is so strong in our history that this home surprises them," she said.

Mrs. Bradish believes the story of Lincoln's youthful romance with Ann Rutledge is beginning to take its proper perspective in history as new research turns up more of the facts.

The story has been considerably expanded, she believes, because Ann was a more romantic and mysterious person that Mrs. Lincoln.

"Mrs. Lincoln had to live with the man and I think she was ambitious for him. Imagine how different things might have been if he had married Ann Rutledge," she added.

FAILED TO PAY FINES

CINCINNATI (AP) — William Nelson, 25, of Harrison, Ind., was arrested last night on charges he failed to pay more than a score of parking tickets. A chance remark in a restaurant led to his arrest. A customer said he flashed a tag and said, "four more of these and I'll have enough for a deck of cards."

Lodge Activities

A meeting of Wayside Rose Rebekah Lodge was held Friday night in the Odd Fellows hall.

The charter was draped for Mrs. Addie Johnston, who served as vice grand of the lodge, and Mrs. Anna I. Henderson, whose death occurred Feb. 15 at Columbus. Mrs. Henderson served as secretary of the Rebekah Assembly for 28 years. Mrs. Ruth M. Wood was named to succeed Mrs. Henderson, by the assembly president, Mrs. Amanda J. Drake.

A program on George Washington was given. The Past Noble Grands Circle will meet March 4 with Mrs. Hazel Grimes, 512 Avondale Ave.

—:—

The losing team in a recent membership contest held by the Marion Eagles Auxiliary entertained recently with a hard times party and old-fashioned box supper for members of the winning team. Mrs. Mary Lou Kirk captained the losers and the captain of the winning team was Mrs. Mary Cronin.

Pins were presented to the new candidates. Mrs. Josie Cusick was the oldest member present and Miss Hazel Harris was the youngest member present. Mrs. Beatrice Richardson was winner of the hard times costume prize.

In a "Beat the Clock" show, conducted by Mrs. Joyce Stout as mistress of ceremonies and assisted by Mrs. Mary Jane Rhoad and Mrs. Margaret Way, winners were Mrs. Maude Whiteman, Mrs. Gertrude Miller, Mrs. Wanda Denny, Mrs. Docie Laucher, Mrs. Mary Cronin, Mrs. Gertrude Rowley and Mrs. Betty Armbruster. Euchre was played with high honors going to Mrs. Edith Collins, lone hand to Mrs. Emma Gruber and low to Mrs. Mary Perry.

Mrs. Dorothy Thomas, membership chairman, announced a new campaign for members to continue for three months is now under way. Captains are Mrs. Donna Callahan, Mrs. Miriam Bowman, Mrs. Mary Jane Rhoad and Mrs. Victoria Thomas.

—:—

The K of P Lodge at Green Camp conferred page rank on four candidates at the Thursday evening meeting. Those receiving page rank were Vincent Martin, Wayne Thibaut, Merle Gosnell and Harold Dildine.

A mid-winter picnic was planned for the evening of March 3. A potluck supper will be served at 6:30 p.m. followed by program and auction. This meeting will be open to the public.

Lawn Pest Gaining In New York Soils

GENEVA, N. Y. (UP) — The European chafer, a soil-inhabiting pest that causes serious damage to lawns, golf courses, parks, cemeteries and pastures, is spreading through New York State.

A member of the May beetle or June bug family, the chafer first turned up in this country in 1940 near Newark, N. Y. It causes injury by feeding on the roots of grasses and fibrous-rooted plants. The grub usually is found in grasses in open, sunny areas as thinning out, browning, irregular dead patches in late fall or early spring.

A study at the state experiment station here indicates the chafer's presence will be first noticed by the "swarming" of the adults in trees and shrubs at dusk in early June, somewhat similar to the swarming of bees. The most effective control, a report of the study showed recently, is soil treatment with DDT, chlordane, and other similar materials.

In 1896 two Americans—George Harbo and Frank Samuelson — rowed across the Atlantic Ocean in an 18-foot open boat. They used only oars — no sails, no motor. Their 3,200-mile row took them 62 days.

56th Anniversary Will Be Observed By Marion Couple

Mr. and Mrs. Harley O. Foos of 253 Reed Ave. will observe their fifty-sixth wedding anniversary Saturday. They were married March 5, 1899, at Caledonia by Rev. E. B. Booth, and Mr. Foos farmed many years in the Likens community until the government took over the land during World War II for the Scioto Ordnance Plant. They lived in Green Camp for a time before coming to Marion.

Mrs. Foos was before her marriage Miss Bertha Hart. She was born in Caledonia in September, 1879, and her parents were Mr. and Mrs. Marun Hart. Her husband was born in 1874 east of Marion and his parents were Mr. and Mrs. James Foos.

There are eight children living of a family of 12 including Mrs. Elmer Lovett of Medway, O., Delvin Foos, Glenn Foos and Melvin Foos, all of Marion, Mrs. Jasper Hill, Mrs. Earl Seckel, Mrs. Garold Bente and Mrs. George Roush, all of Caledonia. The descendents include also 17 grandchildren and four great-grandchildren.

Because of their health there will be no special celebration for Mr. and Mrs. Foos, the family has decided.

Ohio Youths Among 40 Talent Search Finalists

WASHINGTON (AP)—Two Ohioans, A. Gary Shilling, 17, of Fremont, and Lawrence E. Williams, 17, Youngstown, yesterday won $100 awards among 40 finalists in the annual nationwide "Science Talent Search" sponsored by the Westinghouse Educational Foundation.

Frederick P. Greenleaf, 17, of Allentown, Pa., who has been tinkering with radio and technology since he was 9, was awarded the $2,800 grand scholarship prize. Second place went to Miss Kathleen A. Hable, 18, of Loyal, Wis., who aspires to a career in medicine. She won a $2,000 scholarship.

In 1896 two Americans — George Harbo and Frank Samuelson — rowed across the Atlantic Ocean in an 18-foot open boat. They used only oars — no sails, no motor. Their 3,200-mile row took them 62 days.

Italian Designers Show Spring Gowns

HERE ARE THREE EXAMPLES of spring and summer dress designs by Italian couturiers

LEFT Battilochi of Rome follows the new silhoutte in this morning dress of white cotton striped in red and black with cuffed hipline

CENTER The straight and narrow line is shown by Fontana in a dress of blue beige and white print silk shantung with cap sleeves white pique trim

RIGHT This summer cocktail dress in flower printed organdie has pink satin midriff extending over the hipline Shown by Schuberth in Florence

Singer Jane Froman, Husband Decide on Temporary Parting

MIAMI BEACH Fla (AP)—Singer Jane Froman her fairytale marriage to pilot John C Burn threatened by personal problems rested here today while her husband vacationed in Mexico

She announced that they had decided to part for awhile in hope the "very very personal differences would iron themselves out

When asked if she had any plans for a divorce she quickly replied "Absolutely none"

"We feel we can resolve our personal problems more easily if we're apart" she told reporters at a press conference

The CBS television star took a week's leave from her Thursday show to recover from an attack of bursitis She said Burn would remain in Mexico until the end of March She will return to New York March 10

"I will see him then" she said

Burn was copilot of a plane that crashed in the Tagus River of Portugal in 1943 in which 24 of 39 persons died Both he and Miss Froman were injured but he held her head above the water for nearly an hour until they were rescued

Miss Froman spent five painful years recovering from her injuries and married her rescuer at Miami in March 1948 after divorcing her first husband

1,050 Attend Concert

In Monday's Star it was incorrectly reported that 250 persons attended the pop concert Sunday by the Harding High School band and orchestra The attendance was 1 050

VISIT UPPER SCHOOL

UPPER SANDUSKY — Representatives from 33 Ohio colleges and universities four schools of nursing and the recruiting services of the armed forces were at Upper Sandusky High School Monday for the annual College Day program Juniors and seniors from Carey, Harpster Marseilles Nevada McCutchenville Salem Wharton, Sycamore and Upper Sandusky high schools were given an opportunity to talk to the representatives

Designers in Israel Hope for Slim Look

TEL AVIV (UP) — Women of the world's newest nation have the world's oldest feminine problem—keeping the waistline slim

So says Lola Behr Israel's top woman designer "Our women should follow the American trend," she said in an interview. 'Waistlines are just too big"

Miss Behr herself a slim woman with delicate hands and features, said Israeli women had an excuse for plumpness when national food shortages compelled a heavy diet of starches Now she said there's plenty of fruits and vegetables and it's time women of the new nation tried out the long, lean look decreed by fashion leaders in New York and Paris

Lola Behr studied fashion in Prague emigrated to Tel Aviv and opened a shop which has become in a decade one of the most exclusive in Israel Half her customers are diplomats' wives and visitors who have found her clothes are bargains compared with New York or Paris prices

Miss Behr's flair in Tel Aviv serves as both home and salon where she and four dozen helpers ketch cut fit and sew The customers line up regardless of rank or wealth in the modest grey foyer outside

There is no such thing as a typical Israeli fashion" said Miss Behr She goes to Paris twice a year for ideas and adapts them to her country's tastes and climate

The torrid summer and short winter of the Middle East forces dress designers to concentrate on cool simple clothing

Yemenite embroidery introduced by immigrants from the toe of Arabia is the only non Parisian feature of Israel's haute couture

EAR-PIERCING REVIVED

NEW YORK (UP) — The old-fashioned custom of pierced ears is returning The Jewelry Industry Council says that manufacturers report an increasing demand for earrings to fit pierced ears The Council says two factors probably influence the revival — comfort and economy When today's woman invests quite a bit of money in earrings, she wants to make sure they won't get lost

Volcano Erupts In Hawaii, 400 Leave Homes

PAHOA, Hawaii (AP)—A spectacular volcanic eruption spouted with new fury today and civil defense officials declared a state of emergency. One small village was virtually abandoned.

An estimated 100 acres of sugar cane fields and timber were ablaze with molten lava. More than 400 persons fled their homes in the path of the fiery rivers moving relentlessly forward.

Civil defense headquarters reported tons of fluid rock spreading out in three directions. Fountains of boiling lava shot 50 to 100 feet in the air from four white hot craters rising higher by the hour.

The state of emergency will permit officials to order people out of their homes. Some have refused. Sightseers are stopped at Pahoa.

No Casualties Reported

There have been no casualties and no home has fallen before the boiling streams.

Through the night, officials at Red Cross headquarters in Pahoa High School cast worried glances westward, where fumes were reported breaking out of a new rift of dormant craters five miles from here.

"If that erupts, Pahoa will be in danger," said Robert Spence, Red Cross disaster chairman.

Early today the main lava stream had traveled about 2½ miles, and was still about 4½ miles from the ocean.

Police said it was amazing no one was hurt among the estimated 20,000 sightseers whose cars choked five miles of access roads from the eruptions to Pahoa.

The eruptions started at 8:10 a.m. yesterday when a cane field five miles southeast of Pahoa in the Puna district blew up in a shower of molten lava. Since then three other fissures have opened, filling a blazing triangle bounded by the villages of Kapoho, Opihikao and Pahoa.

First Eruption in 50 Years

It was the first sign of life from Puulena crater in more than 50 years.

Sixty families were evacuated from Kapoho, two miles ahead of the largest lava flow. Police reported a few families refused to leave their homes until all hope was lost.

The main flow had picked up speed and shortly before midnight had moved 500 feet in two hours.

Two families stood by with their belongings piled atop two trucks—waiting until the last minute.

Kapoho was cut off from communications. The few people left there, however, have an escape route up the coast.

Main spectacle for thousands of sightseers was a second flow which crossed the Kapoho road yesterday afternoon while onlookers and civil defense workers milled around a few feet away.

Thousands Look On

It moved slowly, a few yards an hour, and thousands of spectators flocked to the edge of the road to watch the nightmarish fireworks.

A boiling white hot crater barrel 50 yards off the road shot lava 50 feet into the air, felling blazing trees and setting roadside underbrush ablaze.

Smoke, sulphur fumes and muffled roars filled the air. The ground shook underfoot but the crowds kept pouring in.

A tourist from Oregon, dazzled by the ringside spectacle said, "Judging from that, it will be a long time before hell freezes over."

Throughout the night sightseeing planes circled low over the blazing inferno. Two Hawaiian airline planes flew 30 extra excursion flights over the volcano.

Weather Report

Partly cloudy and colder tonight. Lowest north in the 30s. Wednesday considerable cloudiness and cooler chance of showers north portion.

OHIO FIVE-DAY FORECAST

Temperatures will average about five degrees above normal, normal high 41 north, 48 south, normal low 24 north, 29 south. Cooler Wednesday and Thursday, warmer over the weekend. Rain north Wednesday and entire state about Saturday Total rainfall about one half inch.

Turns Up in Russia

Missing British Scientist Hits West's Atomic Plans

MOSCOW (AP)—Bruno Pontecorvo, the Italian-born British scientist who disappeared from the West in 1950, said in a letter to Soviet newspapers today he has been working on "peaceful" atomic projects in the Soviet Union since that time.

The letters accused Britain and the United States of "using atomic and nuclear weapons as a means of achieving world domination" and appealed to Western scientists to protest against the use of atomic energy for military purposes.

(Pontecorvo took part in British-American work on the first atomic bomb. The U.S. Joint Congressional Atomic Energy Committee in 1951 rated him as a "first - class scientific brain" and "a storehouse of knowledge about Anglo-American - Canadian atomic projects." It said he also had knowledge of later hydrogen bomb developments.)

Pontecorvo's identical letters, the first definite word of him since his disappearance, appeared in Pravda and Izvestia, the Soviet Communist party and government newspapers. Without saying so specifically, they indicated he is working in Moscow.

Asserting he quit the West because preparations there for military use of atomic energy made him "ashamed of my profession," the letters said:

"The atomic threat hanging over the world forces me as a scientist having relations with atomic problems to make the present statement.

". . . The imperialists of such countries as the United States and Britain are subjugating the discoveries of atomic energy in preparation of a new war, using atomic and nuclear weapons as a means for achieving world domination."

Pontecorvo said he was convinced that the "chief attention of scientific forces in the Soviet Union is directed toward using this greatest scientific discovery (atomic energy) for the welfare of humanity."

The letters said, "The seriousness of the situation created by the threat of revival of German militarism and the intention of the warmongers to prepare atomic war oblige every honest man, especially the scientist, to do everything in his power to ward off the creation of a new war."

The letters were signed "Prof. Bruno Pontecorvo, winner of the Stalin Prize." This was believed to be the first mention that he has received this award, usually valued at about $25,000.

Pontecorvo's statement said the conditions under which he works in Russia are "wonderful" and that "research is being conducted on the widest scale and on a very high technical level."

Official Washington has labeled Pontecorvo the second deadliest spy in history. The top ranking was given to Klaus Fuchs, a German-born British scientist imprisoned by Britain since 1950 for handing Western atomic secrets to the Russians.

The 1951 report of the U.S. Joint Congressional Atomic Energy Committee said the information given the Soviets by Fuchs and Pontecorvo advanced the Russian atomic program at least 18 months beyond where it otherwise would have been.

Taxes

(Continued From Page 1)

three billion in annual revenue.

Secretary of the Treasury Humphrey vigorously attacked the $20 plan yesterday before the committee, arguing it could set off another round of inflation. He termed "strictly phoney" a compromise advanced by some Democratic senators to make the effective date for the $20-a-person cut July 1, 1956, and to continue the corporation and excise rates until then.

Advocates of this plan had been hoping George, the dean of the committee and its former chairman, would go along with this. But he dashed their hopes, although he left the door ajar slightly with the comment he might offer some compromise if a deadlock over the bill develops between the House and Senate.

Lightning Hits Stockyard, 350 Hogs, Pigs Die

EATON, Ohio (AP)—Fire believed to have started from a lightning bolt during a storm early today destroyed the New Paris stockyards killing 250 head of hogs and 100 pigs.

The stockyards is on Ohio 121 at the northern edge of New Paris in Preble County.

Tornado-like winds hampered efforts of firemen from New Paris, New Madison and Richmond, Ind., in fighting the blaze. But the big stockyards' barn was engulfed in flames soon after the alarm was sounded.

Vaughn Riegel, who purchased the yards about 11 months ago, said the dead animals included his show herd. He said damage to the building would amount to between $15,000 and $20,000, but was unable to give the estimate on loss of the hogs and pigs.

Firemen were able to save 40 head of cattle and an additional 100 head of hogs.

Tornadoes

(Continued From Page 1)

was treated for minor injuries by a physician in the neighborhood.

Authorities said they believed the Youngstown storm might exceed $100,000 in damage.

The same preliminary damage estimate was made at Troy, where three residences were damaged on South Mulberry street. The roof of one, that of Mr. and Mrs. Charles Sebo, was blown off. Two adjoining houses occupied by Lawrence Wackler and Mrs. Bertha T. Weimer also were damaged. None of the residents reported injuries.

Rips Off Roofs

Troy police said the tornado ripped into the part of the downtown area, tearing off some roofs, then skipped to a residential area where some porches, chimneys and roofs were blown off.

Heaviest damage at Troy was to the Sunshade Co., manufacturers of lawn furniture. The second floor of the two-story building collapsed and fell on two freight cars on a siding next to the building. Both the freight cars were damaged heavily. Some damage to the roof of Hobart Manufacturing Co., also was reported.

At Troy winds picked up debris and carried it about a half mile in some cases. A section of two cement blocks torn from a small dwelling in a veterans' housing project was reported carried about a half mile.

Power went off in the city for a short time, but at the Stouder Memorial Hospital emergency power was necessary for hours after the storm.

State highway patrolmen were in Troy assisting police and firemen in checking the damage and clearing up the debris.

In Hamilton County, swollen waters were pushing against a Jackson Lake dam, the highway patrol reported. The 32-acre lake is about 18 miles east of downtown Cincinnati. The dam threatened to break and spill tons of water over the nearby small towns to the north, and some families were evacuated from the area.

Auto Dealers Plan Show at Local Coliseum

Plans for an auto show to be held at the Marion Coliseum sometime in April were discussed at a meeting of the Marion Automobile Dealers Association Monday night at Hotel Harding.

Jack Danner and Robert McMahon, co-chairmen of the coordinating committee, announced today that details of the show are not complete put plans are to attempt to obtain well-known personalities to provide entertainment.

Dates for the show and full details of the program will be announced as soon as arrangements are completed, Danner said.

The show committee includes Marion McDaniel, Okey Ripley, Ben Wiant, George Kennedy and Richard Brandt.

Lausche Asks Spending Hike At State Schools

COLUMBUS, Ohio (AP) — Ohio's state supported colleges and universities, under the budget which Gov. Frank J Lausche submitted last night, may get 7½ million dollars more in the next two years.

In his budget message, Lausche estimated some $3,225,759 of that increase will come from increased student fees. He proposed the state treasury foot the bill for the other $4,400,000.

The governor's budget does not propose the appropriation of a single dollar for new buildings at state universities. Two years ago, he asked $5,378,469 for state university buildings.

The operating budget increases for the various state schools appear this way in the Lausche budget submitted to the Legislature:

Bowling Green State University—$4,674,059 for the last two years, exclusive of new buildings; $5,175,138 for the next two years, an increase of $501,069.

Kent State University—$6,208,251 for the last two years; $7,254,850 for the next two years, an increase of $1,046,599.

Miami University—$6,038,066 for the last two years; $6,870,35 for the next two years, an increase of $832,284.

Ohio University—$5,866,700 for the last two years; $6,100 000 for the nexxt two years, an increase of $233,300.

Ohio State University—$33,718,719 for the last two years; $37,032,936 for the next two years, an increase of $3,314,217.

Central State College—$2,200,989 two years ago; $2,330,372 for the next two years, an increase of $129,393.

Bomber

(Continued From Page 1)

civilians as Albert Morgan, 24, and his wife Kate, 20.

T. Sgt. James C. Sapp, of Lake Charles AFB, was burned when debris ignited his trailer home. His condition was termed not critical. His wife was uninjured.

Scattered Over Wide Area

Wreckage of the plane was scattered over an area more than 250 yards long and 75 yards wide.

The main part of the plane careened into the Morgans' house, carrying the bodies of the pilot and the copilot. The body of the observer was found in the field.

Cole Olen, a resident of the area said he saw the wreckage hit the Morgan house and he ran to it. He kicked in the front door, but was driven back by searing heat.

The impact of the crash apparently hurled the sleeping couple from their beds into the bathroom.

Several unoccupied houses and several trailers also were burned.

Spotswood said evidence indicated the plane was coming in for a landing when an engine went out, causing it to lose altitude quickly.

"The flames must have gone 1,000 feet into the air," reported William Denton, of Houma, La., who was a mile away when the plane hit, then hurried to the scene.

Whirlpool Officials Have To Postpone Trip Here

Because of bad flying weather, officials of the Whirlpool Corp. of St. Joseph, Mich., were unable to attend a meeting of the Manufacturers' Council of the Chamber of Commerce held Monday at Hotel Harding.

Members of the council had planned to welcome them to the city. The company last week purchased the Marion plant of the Motor Products Corp. and will convert the building to the manufacture of automatic clothes dryers.

Legion Plans Meeting

Plans are under way by the auxiliary to Porter-Snyder Post No. 605, American Legion, of Waldo, for a special meeting to be held in the near future for which Dr. Kenneth Keever of the Magnetic Springs Polio Foundation will be speaker.

At this meeting, Dr. Keever will be presenteed by the Auxiliary the sum of $75.17, realized from a recent penny supper sponsored by the auxiliary. The public will be invited with the date to be announced later.

HE WAS OUT TO GET HIS MAN. Two-year-old Steve Walsh, his wandering curbed by harness and a length of mother's clothesline, sits at home in Los Angeles pondering the ways of grownups. Steve missed his grandfather, Thomas M Walsh Sr., and set out to find him. Pretty soon motorists began screeching tires to keep from running over Steve as he strolled busy streets. Someone finally called police.

Council

(Continued From Page 1)

equal amount in a pay raise. Also, all city employes should be granted six paid holidays a year, he said.

Fralich said that the rates of pay he reported at the last Council meeting were not obtained by him but were given to him as the rates now being paid county and state employes.

Councilman-at-large Robert G Haldeman said that while the civil service rates might call for $1.52 an hour for laborers after one year, the actual pay of state and county employes was reportedly at the rates quoted by Fralich. First Ward Councilman Harold Smith said he knew for a fact that the pay scale for state employes was not $1 52 an hour regardless of the pay scale set up by the Civil Service Commission. He noted that he was in favor of a raise for city employes.

2 Get Pay Increases

In other action on pay raises taken by Council:

The salary of the superintendent of the sewage treatment plant was increased from $315 to $367 - 50 a month. Effective date of the raise to be March 1. This raise brings the sewage treatment plant superintendent's wage in line with pay of superintendents in other departments.

The salary of the city engineer was raised $11.50 a month beginning March 1. Previously the engineer was paid $382.50 a month and now will be paid $400 a month.

Both of these ordinances were passed unanimously and without comment by Council.

Another ordinance establishing March 1 as the effective date for the payment of uniform allowances to police and firemen was also adopted unanimously. The allowance was granted by Council at its Jan. 24 meeting and vetoes by Mayor Robinson were overridden at the Feb. 4 meeting.

Council also received a letter at last night's meeting from the Fraternal Order of Police, Marion County Lodge 24, thanking them for granting the uniform allowance to the police.

Budget

(Continued From Page 1)

do nothing about, the money collected for specific purposes. That leaves the "general revenue fund money"—the non-earmarked tax funds.

732 Million Revenue

The general revenue budget proposed by Lausche amounts to nearly 732 million dollars. Two years ago, he recommended 655 millions, the Legislature appropriated 662 millions and nearly 672 millions actually was spent. Thus, his 732-millions recommendation for the next two years is only 60 million above the actual spending for the last two years.

If the Republican Legislature is to escape what Mechem called "the deficit financing" of Lausche's budget, some 10 million dollars will have to be trimmed from it before GOP leaders can present what they feel is a "balanced budget."

Two years ago, The Associated Press, after some figuring, reported the state government would cost every man, woman and child in Ohio $1 a week in the two years ending June 30, 1955. It actually cost about $1 02.

Under similar figures, including the population increase, the cost of the Lausche budget would be about $1.06 to $1.07 a week

For a family of five, that comes down to about 25 cents a week increase.

That would not be in new taxes, but simply in the collection of more of the same taxes from each family.

SECURITY BILL

WASHINGTON (AP)—A Senate subcommittee on government reorganization has scheduled public hearings to start Thursday on a bill proposing to create a special commission to study the government's security program.

4 Minor Auto Mishaps Occur On City Streets

Two cars were damaged in a minor accident Monday in one of four traffic accidents reported today by city police State highway patrolmen reported no accidents

Cars driven by William J. Wallace, 28, of No. 71 Veterans Housing Units, and Warren G Snider, 34, of Cardington were involved in the mishap at Silver and Oak Sts at 11 14 a.m. yesterday.

Both vehicles were traveling east on Silver Street. There was damage to the right side of the Wallace car and to the left front fender of the Snider vehicle.

Wallace was arrested following the accident on a charge of driving a vehicle on a temporary operator's license unaccompanied by a licensed driver.

The remaining three mishaps resulted in damage of less than $100.

Streets

(Continued From Page 1)

could be obtained, the mayor does not know. But he indicated he would not be in favor of a special bond issue or a special tax levy to pay for it.

This is because it would be almost impossible to improve each street in the city which needs it and any such program would probably have to be only for the main thoroughfares, he explained. Thus everyone in the city might be required to pay for the improvements but not all would derive equal benefits from them, he said.

The next best thing the city can do is to try to preserve as many of the streets as possible in their present condition, he said This is where the street surface treating program comes in.

—:—

EACH SUMMER some 20 miles of the more than 100 miles of city streets are surface treated to seal the cracks and help protect the streets from the winter weather. This program consists of spreading a thin coating of liquid asphalt on the street surface and covering this with a layer of small-size gravel.

While this does not smooth the surface of the street, it usually prevents it from getting any rougher, the mayor said.

One treatment is usually effective for about three years, according to John V. Ruth, city engineer. Because of this the streets are inspected in the spring of each year and the ones which are most in need of it are surface treated, he said. Determination of which streets are to be treated is made by the city engineer working in conjunction with the safety-service director and the mayor.

No decision has been made as to which streets are to be treated this year, Ruth said, but an inspection is to be made within the "next couple of weeks," after which it will be determined which streets will be treated.

Tires, Tubes Stolen; Car Is Damaged by Vandals

Reports of vandalism to a car and theft of two tires from a Marion man's garage were made to Marion police Monday

Howard Williams of 589 E. Church St reported to police the theft of two tires and tubes from a garage at the rear of his home sometime Friday night. Value of the tires and tubes was $33.

Dr. Hugh A. Cregg of 457 Girard Ave. reported vandalism to his car, parked at the corner of Pearl and Columbia Sts. sometime between 11 p.m. Sunday and 12:30 a.m. Monday.

Someone broke off the radio aerial, rear vision mirror, damaged the ventilator, license plate, name plate and gasoline tank cap, he told police.

To fly with flapping wings, a 160-pond man would need muscles on his chest about four feet thick.

Harding Names Yearbook Staff

Connie Ward Selected As Editor of 'Quiver'

Connie Ward has been named editor-in-chief of Harding High School's yearbook, The Quiver, for next year. She is the daughter of Mr. and Mrs. Wendell B. Ward of 564 Vernon Heights Blvd.

Other members of the Quiver staff announced today were:

Rosemary Ridgeway, publicity manager, assisted by Gretchen Haley, Mary Ann Coomer and James Jones; Lowel Carlisle, layout editor; Charles Kaelber, business manager; Mervin Matteson, advertising manager; Rosemond Graham, copy editor; Marilyn Fetter, Rena Rech, Marilyn Porter, Nancy Tower, Sandra Smith and Barbara Messenger, members of the copy staff; Linda Linscott, photo editor; Charles Newman, sports editor; James Smith, sales manager; James Merchant and Don Caprino, photographers; John Guthrie, Dwight Haas, Steve Stafford, Richard Parshall, James Forsythe, James Wilson and Linda Schwab, members of the advertising staff; Thespina Antjas, Peggy Jones and Edith Mohn, typists.

Atomic

(Continued From Page 1)

ice cap, then moved off toward the east under the impetus of a 30-knot wind.

A weak boom was heard at communities in Nevada including Indian Springs, Caliente and Tonopah St George also heard it.

Some 600 soldiers from Camp Desert Rock observed the sight from trenches an undisclosed distance. There were no casualties and troops moved in toward the blast area shortly afterward to inspect vehicles, dummies and weapons exposed to blast effects.

Today's device was developed by the AEC's research laboratory at Livermore, Calif., and was the first exclusively Livermore project tried at the test site. Livermore's work is mainly concerned with hydrogen-type weapons, but the AEC has said no hydrogen devices are to be tested here.

'Several Kilotons'

The only word on today's shot was an AEC statement that it had a yield of "several kilotons." A kiloton is equal to 1,000 tons of TNT. The Hiroshima atomic bomb had a 20-kiloton yield.

Approximately 40 aircraft flew support, technical and training missions, including eight F84 Thunderstreaks of the Tactical Air Command which practices fighter-bomber delivery techniques.

Residents of many communities in the states where the blast was visible arose to witness the flash. Some reported it as yellow or orange, others as pink. The majority described the predominant color as red.

Newsmen were permitted for the first time today to fly in one of the planes tracking the atomic cloud. The AEC granted the permission to underline emphasis being placed on safety of the Nevada tests.

Traffic Cases

Two persons were fined a total of $40 and costs on traffic violations when they appeared in Marion Municipal Court Monday.

Largest of the two fines was levied against Thomas I. Morton, 20 of 275½ Chestnut St., on a reckless operation charge. He was fined $25 and costs and given a 30-day suspension of his driving rights.

Ned Frederick Coon, 23, of the Buckeye Trailer Court was fined $15 and costs on a charge of being left of center. A fine of $15 and costs assessed against Wanda L. Chizmar, 21, of 206 E. Mark St. was suspended.

District Traffic Case

One person was arrested outside of Marion County Monday by state highway patrolmen from the Marion post.

James D. Root, 53, of Akron, was fined $10 and costs when he appeared before Justice of the Peace Harold Hildebrand of Johnsville on a charge of having no operator's license.

Churchill

(Continued From Page 1)

immense superiority in conventional weapons."

Churchill said the problem is to devise a system of disarming which at no time will enable any nation to enjoy an advantage that would endanger the security of others.

A British scheme along these lines is now being discussed at a secret conference of the United Nations subcommittee on disarmament meeting in London.

Churchill said this scheme had been accepted by Andrei Vishinsky, Soviet delegate to the U.N. as a basis for discussion before Vishinsky's death last November.

The Prime Minister suggested that the Soviet Union is quite sure that no American hydrogen bomb will be used against them aggressively "even in spite of many forms of provocation."

REV. GEORGE H. WEAVER
Will Lead Service Here

Kenton Minister Will Be Speaker at Methodist Church

Rev. George H. Weaver of Kenton will be the Lenten service speaker at Epworth Methodist Church here tomorrow night. He is pastor of Epworth Methodist Church in Kenton and is the father of Mrs. Kenneth Roberts of Marion.

Three sons in the ministry are Rev. Harold R. Weaver of William Street Methodist Church in Delaware, Rev. Horace R. Weaver who is head of the department of religion and philosophy at Union College in Kentucky, and Rev. David H. Weaver of Zion Methodist Church in Toledo. Two other children are Paul Weaver of Fort Wayne, Ind., and Mrs. Enoch Broyles of Texas.

Subject of the message by Rev. Weaver will be "Why Give God Our Best Service?"

Entering the ministry of the Methodist Church in 1909, he was a student pastor first at Kenton, Okla. He then served as a home missionary circuit rider in the Southwest Kansas Conference, making the rounds of his churches on horseback until he came to Ohio in 1921. In this conference he served at Lucasville, Jeffersonville, Ross County Parish, Groveport, New Burlington, Baltimore, Armstrong Chapel at Cincinnati, and Jackson Center before going to Kenton.

Garage

(Continued From Page 1)

report would cost the city nothing, Fralich said.

Another provision of the Toledo proposal was that if the city did decide to proceed with construction of the garage, it could employ an architect of its own choosing to design the building.

Also the bonding company would pay for printing of the revenue bonds which mature in 30 years. Interest rate would be three and one-half per cent and the company would pay the city $950 for each $1,000 bond issued, Fralich said. The proposal also calls for the city to pledge 100 per cent of the revenue from parking meters to pay off the bonds in the event income from the garage were too little to pay them.

Based on the committee report, Council authorized Fralich to order in necessary legislation to sign the contract with the Toledo combine. This legislation is to be voted on at the next Council meeting.

BIE Day Plans Made

Plans for Business - Industry - Education days for county and city high school seniors were discussed at a meeting of the Industrial Leaders Conference of the Marion Chamber of Commerce Monday at Hotel Harding.

The BIE day program for commercial seniors in the Marion County schools will be held on April 6 and Harding High School seniors will have their program on April 27.

Contributions for the fund to buy Georgi Malenkov a gold watch and chain are coming in, but not very fast.

LEGAL NOTICE

Ellis Craft, last known address Ellis Craft care of The Klingan Co., Indianapolis, Indiana, will take notice that Pauline Craft filed her petition in the Common Pleas Court of Marion, Ohio, at Marion, Ohio, on the 24th day of February, A.D 1955, praying that she be divorced from him on grounds of Gross Neglect of Duty and of Extreme Cruelty to and toward her and for care, custody and control of their minor child, age 9 years. Said cause No. 32741 will be for hearing in said court on or after April 6, 1955

Pauline Craft.

Homer E. Johnson, Attorney.

Mar. 1,8,15,22,29 April 5,1955.

THE NATIONAL CITY BANK OF MARION MARION, OHIO SHAREHOLDERS MEETING

Notice is hereby given that, pursuant to call of its directors, a special meeting of the shareholders of The National City Bank of Marion will be held at its banking house at No. 107 North Main Street, in the City of Marion, State of Ohio, on Tuesday, March 22, 1955, at 3:00 o'clock P.M., for the purpose of considering and determining by vote whether an agreement to consolidate the said bank and The Prospect-Cttizens Bank, located in the Village of Prospect, State of Ohio, under the provisions of the laws of the United States, shall be ratified and confirmed; and for the purpose of voting upon any other matters incidental to the proposed consolidation of the two banks. A copy of the aforesaid agreement, executed by a majority of the directors of each of the two banks, providing for the consolidation, is on file at the bank and may be inspected during business hours.

R. E. WHITE
President.

February 19, 1955.

Death Claims Mrs. Schuler

Requiem Mass To Be Celebrated Thursday

Mrs. Philomena Schuler, 90, widow of Henry A. Schuler, died at 4:30 p.m. Monday in her home at 248 E. George St. She was ill two years.

Born in Galion Dec. 8, 1864, she had lived in Marion for the last 68 years. The daughter of George and Catherine Seifritz Amann, natives of Germany, she was married to Mr. Schuler on Oct. 28, 1886, at Galion. His death occurred March 28, 1927.

She was a member of St. Mary Catholic Church, St. Mary Altar Society and the parish council, Diocesan Council of Catholic Women.

Surviving are the following children: Sister Marie Jeannette of Springfield; Sister Jane of Mount St. Joseph, Cincinnati; Sister Marguerite of Mount Clemens, Mich.; Walter Schuler of 427 N. Main St.; Mrs. E. E. Brown of Cincinnati; Mrs. Harold W. Monnette of 275 S. Vine St.; Miss Mary Florence Schuler, Mrs. Charles Drake, Edward J. Schuler and Lee Schuler of 248 E. George St. Surviving also are seven grandchildren, great-grandchildren, two sisters, Miss Catherine E. Amann of E. George St. and Mrs. Thomas Ryan of Cincinnati, and one brother, William Amann of Galion. A daughter, Agnes, whose death occurred in 1944, a son, Joseph, six sisters and four brothers are deceased.

The solemn requiem mass will be celebrated at 10 a.m. Thursday in St. Mary Catholic Church, with Rev. Robert Van Kaenel, pastor of St. Mary Church at Piqua as celebrant. Burial will be in St. Mary Cemetery.

Friends may call at the L. A. Axe & Son funeral home after 7:30 o'clock this evening. The Rosary will be recited at 8 p.m. Wednesday.

Rev. Leonidas Huffman Dies at 94 in Mt. Gilead

MOUNT GILEAD — Rev. Leonidas Shannon Huffman, 94, oldest member of the North-East Ohio Conference of the Methodist Church, died at 4:15 a.m. today at home. He had been ill one month.

Born in Virginia May 8, 1860, he was the son of Samuel and Sarah Jane Allen Huffman. He first served churches in Virginia in 1885, receiving his ordination in full in 1887, then came to the old North Ohio Conference in 1891. His charges included Clarksfield, Huron, Republic, Woodbury and Marengo, Ontario, and Edison. He retired in 1912.

Surviving are his widow, Mrs. Anna Huffman, and three children, Mrs. E. E. Parish and Leon Huffman, both of Marion, and Mrs. Georgia Lipp of Wooster; seven grandchildren; and nine great - grandchildren.

Funeral services will be conducted Thursday at 2 p.m. in the Edison Methodist Church. Rev. William Blackwell will officiate. Burial will be in the mausoleum of Rivercliff Cemetery at Mount Gilead.

Funeral Held in Denver For Area Woman's Son

CRESTLINE — Mrs. Barnett Reeves has returned to her home here from Denver, Colo., where she was called Feb. 14 following the accidental death of her son, Airman 1-C Lewis Reeves, who was dead on arrival at General Hospital, Denver, from shotgun wounds.

Reeves was born July 19, 1931, in Dedertown, Ga. He was a graduate of Crestline High School and when in Crestline was employed as a machinist at the Pennsylvania Railroad roundhouse. He was a member of the Baptist Church.

He is survived by his widow, the former Betty Jo Smith and a daughter, Jennifer, of Denver; his parents, Mr. and Mrs. Barnett Reeves of Crestline; and two brothers, Robert Reeves and Barnett Reeves Jr., both of Detroit, Mich.

Funeral services were held Feb. 18 at the air force base in Denver, Sgt. William McWilliams officiating, in services in the chapel. Burial was at Fort Logan Cemetery, Denver.

DIES IN LORAIN

LORAIN, Ohio (AP)—Mrs. Gertrude K. Ashbolt, 63, active in welfare work and in the Republican party, died yesterday at St. Joseph Hospital after a long illness. She was the widow of William E. Ashbolt, a veteran Cleveland newspaperman, and the mother of William, a photographer on the Cleveland Plain Dealer. Mrs. Ashbolt, who was Lorain's first nurse, served as a Red Cross nurse with the U. S. Army in France during World War II.

Deaths and Funerals

Earl F. Burkard

DELAWARE — Earl F. Burkard, 65, of near Ostrander died at 1 p.m. yesterday in Jane M. Case Hospital at Delaware. A stationary engineer for the State Highway Department many years, he was injured in 1940 and had been in ill health since.

Born July 9, 1889, he was the son of Ferdinand J. and Mary Phillips Burkard. In addition to his highway job, he farmed. He was a member of the Eagles Lodge.

Surviving are his widow, Mrs. Rebecca Jane Phillips Burkard, and three children, Miss Bernice Burkard and Basil Burkard, both at home, and Philip Burkard also of near Ostrander; three grandchildren; a sister, Mrs. Dollie Tibbals of McKinley Pl. in Marion; and other relatives here. Three children preceded him in death.

Funeral services will be conducted Thursday at 2 p.m. in the Robinson-Hanrahan Funeral Home in Delaware. Burial will be in a cemetery near Delaware. Friends may call at the funeral home.

Mrs. Joseph Moleno

CRESTLINE — Mrs. Catherine Moleno, 77, wife of Joseph Moleno of Crestline, died at 1 a.m. today in Emergency Hospital. Ill several months, she was at the hospital four days.

Born Feb. 2, 1878, she was a native of Ciro, Italy, and came to this country at least 50 years ago. She was a member of St. Joseph's Catholic Church.

Surviving with her husband are two sons by a previous marriage, Joseph and Frank Scully, both of Crestline; two other sons, Bruno Moleno of Crestline and Phillip Moleno of Galion, nine grandchildren; and a brother, James Tredico of Crestline.

Funeral services will be conducted Thursday at 9 a.m. in St. Joseph's Church. Rev. J. B. Fralick will officiate. Burial will be in St. Joseph's Cemetery. The body was to be removed from the Robert F. Beck Funeral Home to the Moleno residence at 412 S. Seltzer St. where friends may call tonight and until time for the funeral services.

John G. Wisterman

GALION — John G. Wisterman, 78, of Galion, member of a prominent family and a retired Galion merchant, died Monday at 6:10 p.m. in Galion Community Hospital. He was admitted to the hospital Feb. 5.

A native of Galion, Wisterman was born May 8, 1876, a son of Frank S. and Urath L. Williams Wisterman. His marriage in July, 1898, was to Anne Eleanor Moore, who died June 11, 1953.

For many years, Wisterman was associated with his father and brother in the F. S. Wisterman dry goods store, now the site of the Galion Taber Co. In later years, he had been employed at the Hercules Steel Products Corp., but had been retired since 1953.

Surviving are: one son, Dr. John M. Wisterman of Columbus; one daughter, Mrs. Theodore Dodds of Hasbrouck, N. J.; three grandchildren, Mrs. William Southard Jr. of New York, N. Y., Mrs. C. R. Treptow of East Orange, N. J., and Miss Ann Wisterman of Columbus; and one brother, Joe W. Wisterman of Galion.

Wisterman was a member of Grace Episcopal Church.

Funeral services, in charge of the Snyder Funeral Home, are incomplete. Burial will be made in the Marion Cemetery.

Ray Cecil

GALION — Funeral services were held Monday afternoon in Detroit for Ray Cecil, 83, uncle of Mrs. Ann Jones of Galion. Burial was in Roseland Cemetery, Detroit.

Cecil was born in Parker, Ind., Oct. 7, 1871, and was married in Galion, June 8, 1894, to Irene Will who preceded him in death. The residence in Galion was on N. Market St.

Surviving are two sons and three daughters, all of Detroit, seven grandchildren and 10 great-grandchildren.

Mrs. Ida Stevenson

UPPER SANDUSKY — Funeral services for Mrs. Ida Stevenson, 90, who died Sunday at the Reformed Home for the Aged here, were conducted Tuesday with the Gerner-Wolfe Funeral Home in Port Clinton in charge. Services were conducted from the Evangelical and Reformed Church in Fremont with Rev. George Ewyman officiating. Burial was to be made in the Oakwood Cemetery, Fremont.

She became a resident at the home six years ago, coming from Fremont. She was a member of the Eastern Star Lodge.

–Funeral Services–

Mrs. Miriam R. McCurdy—Tomorrow 2 p.m., Merle H. Hughes Mortuary, Rev. W. C. Eyster, burial Marion Cemetery. Friends may call tonight from 7 until 9 at the funeral home and tomorrow after 10 a.m.

Mrs. Ann Lantz — Tomorrow 1 p.m., Bristoll Funeral Home, Carey, Rev. D. V. Whitenack, burial Spring Grove Cemetery, Carey. Friends may call at the funeral home.

James A. Thurston — Tomorrow 10 a.m., Schaffner - Denzer Funeral Home, Rev. Earl L. Holliday, burial Grand Prairie Cemetery. Friends may call at the funeral home.

Hubert W. Shaw — Tomorrow 2:30 p.m., Curl Funeral Home, Cardington, burial Glendale Cemetery, Cardington.

Robert E. Eckstein — Tomorrow 2:30 p.m., Garverick Funeral Home, Crestline, Rev. W. Margard, burial Greenlawn Cemetery, Crestline. Friends may call at the funeral home.

Mrs. Kenneth Derringer Dies in Baltimore, Md.

W. R. Derringer of 271½ Orchard St. left today for Baltimore, Md., to attend the funeral of his daughter - in - law, Mrs. Kenneth Derringer of that city.

Mr. Derringer's son, Kenneth, is a former Marion resident, and was graduated from Harding High School. He has resided in Baltimore for several years.

Mrs. Kenneth Derringer, the former Truper Aument of Lancaster, Pa., is also survived by a daughter, Audrey, at home, and her mother, who resides at the Derringer residence.

Three Soldiers Hanged For Slaying Cab Driver

LANSING, Kan. (AP)—Three soldiers who killed a taxicab driver died on the gallows early today in Kansas' first triple execution since the state resumed capital punishment two decades ago.

The three Negro enlisted men, hanged under Army supervision, were Chastine Beverly, 25, Balty, Va.; Louis M. Suttles, 26, Chattanooga, Tenn., and James Riggins, 28, Burmingham, Ala.

All wore regulation army uniforms stripped of insigna. They went to their deaths quietly.

They were convicted at Ft. Leonard Wood, Mo., of fatally beating Harry Langly, a Waynesville, Mo., cab driver and stealing his cab and money in September, 1951.

Military authorities and President Eisenhower upheld the death sentences fixed by a court-martial.

PURCHASES STUDIO

CULVER CITY, Calif. (AP) — Hal Roach Jr. has announced purchase of the Hal Roach Studios from his father Hal E. Roach. The price was not disclosed, but a studio announcement said more than 10 million dollars' worth of assets were involved.

Vigilance Needed

By George Sokolsky

Usually one thinks of the Union of American Hebrew Congregations as a body of conservative citizens. Its founder, Rabbi Isaac M. Wise, was one of the greatest Jewish leaders this country has known. a citizen who taught loyalty to the United States without qualification. His son, Jonah Wise, is the rabbi of the synagogue where I have worshipped for more than 20 years.

SOKOLSKY

I write then in sadness that so honorable and representative an organization as this should have felt called upon, at its recent Los Angeles convention, to issue a statement on "Judaism and Individual Freedom" that is so broad as to require general attention and comment.

-:-

THE STATEMENT contains these sentences:

"The legitimate and necessary requirements of protecting ourselves from Communist infiltration and espionage have been grossly exploited by some to justify certain governmental procedures which corrode freedom of speech and of conscience under the claim that these must yield to the larger security of the nation. The need for a calm, steady, and positive program to insure the triumph of democracy over communism has given way to a pathological fear of communism which inhibits the thinking of some political leaders and colors the judgment of many citizens. We oppose any effort, legislative or other wise, which would make criminal the expression of opinion, no matter how controversial. . ."

This country has sent its sons to war in Korea and has them scattered over the world at numerous bases because of the rise of Soviet imperialism.

One of the devices employed by the Soviet universal state, with great effectiveness, is the weakening of the will to resist by propaganda for Marxism and infiltration into governments and the institutions of the people. It has therefore become necessary, in all countries which have not been conquered by the Soviet state, to establish a defense against these Marxist weapons which may be, and in instances have been, as deadly as other unconventional weapons of war.

-:-

IT IS NOT "pathological fear" to recognize the facts of history any more than it is "pathological fear" to recognize that the atom bomb and the hydrogen bomb can be totally destructive. The Communist expression of opinion has not even been opposed in this country, the proof being that the "Daily Worker" and other communist publications appear regularly.

What the United States has done has been to pass, by orderly constitutional means, legislation to defend itself against espionage, infiltration, and the corruption of the people by carefully devised patterns of Marxist penetration.

The statement further says:

"We have tended to proscribe every person and organization at any time pro-Soviet, including many of the most effective present opponents of communism, and regardless of whether former attitudes now condemned were at the time consistent with our national policy. . ."

I should like to se some names, particularly of "the most effective present opponents of communism" who have been proscribed. A broad generalization such as this requires some details before it can be discussed.

-:-

I DO NOT KNOW of any proscriptions by our government. In all the investigations by various congressional committees, I have not come across a single name of "the most effective present opponents of communism." I do not think that those who passed this resolution can prepare a list of such names.

Further the statement says:

"We would defend all costitutional privileges and immunities without regard to the guilt or innocence of those who invoke them. In our view, the preservation of these rights is of greater significance to our way of life than any benefits our law enforcement agencies can derive from curtailment or suspension of these rights."

Again, the generalization is startling. "Constitutional privileges and immunities" must be balanced by obligations, duties and responsibilities.

There is no privilege or immunity which can safeguard a man from the consequences of his serving another nation as a spy upon his own country.

-:-

THE STATEMENT further says:

"We believe that the preservation of civil rights and civil liberties is a function of government equal in importance to the prosecution of subversive offenses."

Precisely what this means it is difficult to say. How does one balance the normal rights of a citizen against one who engages in "subversive offenses"

The function of the state is to protect its citizens against those who engage in subversive offenses as it is its function to safeguard its citizens against kidnapers and burglars.

(King Features Syndicate)

HOMEBREW WITH A KICK. Neil Johnston, Longview, Wash., comes out of the chute on "Homebrew" during first-day action in Tucson, Ariz., 30th annual Rodeo and is sent sprawling after the steed's third jump. Johnston was uninjured.

Arrival of Cattle Testing Unit Assured by Farmers' Petitions

Petitions have been signed by enough cattle owners to assure that the mobile testing unit for brucellosis will be sent to Marion County, Elwood Parrott, county agent, announced today.

Reception of the petitions means that today's deadline for testing dairy cattle whose milk is shipped to Marion will be extended up to 60 days until the mobile unit can arrive and start testing.

The petitions will be sent to Dr. David Hill, state veterinarian in charge of brucellosis control. State officials have indicated the mobile unit can be brought here within 30 to 60 days depending on its schedule in other counties.

The unit, once it arrives, will serve as a tester of milk from dairy herds in the county. All dairy cattle owners in the county will be contacted and given the opportunity to have their cows tested.

There is no obligation on the part of any owner of cattle to have his herd tested, even if he signed the petition. Further, owners who did not sign the petition will be given the opportunity to have their herds tested.

If a negative result is found from any one herd, that result will be accepted by the City Health Department as evidence the herd is free from brucellosis. If the tests prove positive or suspicious, men from the mobile unit will contact the herd owner and offer to blood test the animals for a further and more exacting check.

Once the men with the mobile unit have finished their work, they will return every eight to 11 months to retest the herds in the county.

Only cost to the county for the project will be the salary of a secretary for the time the mobile unit is here and provision for a place for the unit to park.

Grange News

MOUNT OLIVE

Mount Olive Grange held a special meeting Thursday evening in the Town Hall, Green Camp for the purpose of considering applications for membership. Eight applications were presented and two new members were given the obligation. Other new members will be given the obligation at a later meeting.

For the next meeting, March 3, the 4-H Club will have charge of the program. Mrs. Sperry Long and Mrs. Dwight Hedges will serve on the refreshment committee. A movie on dental health will be shown.

BOWLING GREEN

A miscellaneous shower for Mr. and Mrs. William Buyer, who were recently married, was a highlight of the meeting of the Bowling Green Grange Friday evening.

During the business meeting, plans were made to have a shower of staple groceries for a needy family of the community at the next meeting. John Owen, degree captain, announced practice for March 4. One member, Mrs. Harley Redd was reported a patient in Jane M. Case Hospital in Delaware.

Group singing and contests in charge of the lecturer, Mrs. Loa May Amstutz comprised the program. The home economics committee will have charge of the program for March 11.

Debris from atomic explosions has been a help to weathermen by giving them worldwide tests for their studies of air movements.

Upper Pastor Named To Toledo Appointment

UPPER SANDUSKY — Rev. Paul A. Mueller, assistant pastor of St. Peter's Catholic Church here since June 1953, has been appointed an assistant pastor at Blessed Sacrament Church in Toledo.

Replacing Father Mueller here will be Rev. Charles Bechtel, now an assistant pastor at Blessed Sacrament parish.

Rev. Mueller was ordained at Pontifical Josephinum Seminary, Worthington, in 1949 and served as curate at Port Clinton Immaculate Conception Church from 1949 to 1953.

Rev. Bechtel was ordained May 30, 1953, and has served as curate of the Blessed Sacrament Church since then. Effective date of the change for both the young pastors is March 1.

Freedom Balloon Sent From Bucyrus Is Found

BUCYRUS — One of five "Crusade for Freedom" balloons released here Feb. 12 by the Eagles lodge has been found in Flemingsburg, Ky., about 175 miles from Bucyrus.

The recovered balloon was one donated by the Eagles Lodge at Crestline. M. V. Snyder, secretary of the Crestline lodge and former postmaster there, said he had received a return card, which was enclosed in the balloon, from Tom O'Connor, who wrote that he found the balloon on his farm near Flemingsburg, at 6 p.m. last Monday.

No reports have been received to date on the whereabouts of the other four balloons.

Noted Persons Taken by Death

By The Associated Press

BOWLING GREEN, Ky. — Dr. Paul L. Garrett, 61, president of Western Kentucky State College since 1937. Born in Waddy, Ky. Died yesterday.

—:—

SULLIVAN, Ind. — Fred F. Bays, 72 prominent in Indiana politics for nearly half a century, former Democratic state chairman, and operator of a dog and pony show. Died yesterday.

—:—

—:—

PEORIA, Ill. — Dr. Samuel I. Aronovski, 54, an authority on pulp and paper who headed the pulp and paper section for the U.S. Department of Agriculture northern utilization research branch laboratory in Peoria. Born in Lithuania. Died Sunday.

—:—

LOS ANGELES—Milton Lazarus, 56, a former New York playwright and press agent who came to Los Angeles 20 years ago and worked in the fields of light opera, radio. Died yesterday.

From the Atlantic, the Panama Canal runs southeast, not west, to the Pacific, says the National Geographic Society.

Pension Probe

By Victor Riesel

Ace Senate investigators, who have been probing union welfare and pension funds, may soon be knocking at the doors of the nation's executive suites as well. The federal agents working for the Senate Labor sub-Committee now have a new chief—Senator Paul Douglas of Illinois. And the new chief has $19,000 with which to examine welfare and pension funds.

VICTOR RIESEL

Douglas is seriously considering probing the businessmen as well as the union leaders. He wants to look into the corporation executives' pensions, which are as tax-free as the union funds. In recent years, with higher taxes cutting a $50,000-a-year raise down to actually only $85 a week for top-flight big company executives, these men have chosen instead to take jobs which guarantee them big retirement payments.

Some of these executive pensions run as high as $100,000 a year tax free, to make up for the fact that the net on actual weekly salaries today is sharply cut by high income tax in the higher brackets. . . So Douglas wants to probe management. . .

-:-

SOME WORLD FAMOUS scientists appear to believe they should be immune to political criticism and have been thinking of themselves as an unassailable elite. Any criticism of any such scientist is immediately labeled "anti-intellectual" and "anti-scientist."

What, then, shall we do with a truly accomplished physicist, Nobel Prize winner Frederic Joloit-Curie, who today is privy to many of the atomic and thermonuclear secrets of every nation?

Joloit-Curie today is now working with some of the Soviet's most successful and artful agents, such as Louis Saillant, general-secretary of Moscow's World Federation of Trade Unions. This outfit is considered by our government people as the conduit of money and manpower for Russian sabotage of U.S. industrial and military strength.

Joloit-Curie works with Saillant in the Comintern's World Peace Council, a bitterly anti-U.S. propaganda machine. Joloit-Curie is chairman of this council. He is also president of the Corpuscular Physics Section of the French National Center of Scientific Research. Former Premier Pierre Mendes-France named him an adviser to the European Center of Nuclear Research—which gets virtually all our secrets.

Will Professors Robert Oppenheimer and Harold Urey raise their voices against this?

-:-

BEHIND CLOSED DOORS of the CIO's Executive Board conference, Feb. 24:

Walter Reuther really tore apart Transport Union leader Mike Quill. The non-drinking, non-swearing CIO chief uncorked language he hasn't used in 20 years—especially after Quill tried to stall the AFL and CIO merger by demanding that all the CIO's 5 million members be polled on whether they want unity.

Reuther predicted that there would be one mass federation of labor by late November—when the joint AFL-CIO convention would be held. The red-head also revealed that his choice for a new name would be the "American Congress of Labor." However, a fast check by this column reveals that the AFL chiefs want to hold on to the traditional "American Federation of Labor" appellation, now over 75 years old. . .

Not once in the day-long parley was the name of the CIO's founder, John Lewis, mentioned. In the language of George Orwell, he became an "unperson", erased from history. What some CIO leaders didn't know was that there are officials in the smaller unions who have been in touch with Lewis. . .

-:-

IN THIS DAY of automation, there isn't a single company making wire-tapping instruments. It's all done by hand by individual electronic experts.

Talking about automation, there is developing inside labor considerable opposition to Walter Reuther's pessimistic attitude towards automaticity, which will be one of the most controversial issues of the year on the labor front.

Few union officials know the problems of modern tools as well as the leaders of the AFL's International Assn. of Machinists—and their expert research director, Carl Huhndorff. On Feb. 10, Huhndorff told his union colleagues at the Pratt-Whitney plant that automation was "the only way we can raise our standard of living." He took issue with "those labor leaders who have been talking about it most."

"I agree with those who define automation as just another phase of the technological progress which has been going on since the beginning of time and which will continue until the end of time."

(Post-Hall Syndicate)

Missionary Unit Board Holds Bucyrus Meeting

BUCYRUS — An all-day meeting of the executive board of the North Central Group of the Women's Missionary Federation of the American Lutheran Church was held Thursday in Good Hope Lutheran Church here with 27 of the 33 societies in the district represented.

During the all-day meeting, reports were given by various group departmental chairmen on the accomplishments of their phase of Federation work. Bucyrus women serving as chairmen included Mrs. E. J. Katterhenrich, who is chairman of junior work, and Mrs. Carl Rehm, chairman of special needs.

Officers of the group include: president, Mrs. Robert Keller, Bucyrus; vice president, Mrs. G. C. Heffelfinger, Willard; secretary, Mrs. Harold Jacobs, Marion treasurer, Mrs. Elvin Regula, Sulphur Springs.

The board's next meeting will be held May 11 in St. John's Lutheran Church at New Washington.

WOMAN SHOT TO DEATH

CLEVELAND (AP) — Mrs. Wilma Young, 42, was shot to death early today in the living room of her east side home. Police said her husband, Garfield, admitted the shooting. A shotgun was used, police said.

Missing a Bet

By Hal Boyle

NEW YORK

Curbstone comments of a pavement Plato:

Congress is missing a bet. Rep. Katharine St. George of New York, who is both a lady and a Republican, has introduced a bill you'd think every man in America would back.

HAL BOYLE

It proposes a constitutional amendment to give women equal rights. Naturally her male colleagues, who may feel they already are living in a civilization dominated by feminine muscle, don't act very excited.

They aren't interested in giving women even more power. And the bill seems to have disappeared down a deep dark well, the same well it vanishes into every year that Mrs. St. George introduces it.

—:—

BUT WHAT THE gentlemen in Congress are overlooking is the fact that they may be missing a rosy opportunity to get back equal rights for men. The amendment would abolish all legal discriminations based on sex alone.

Mrs. St. George believes a lot of antiquated state laws now do discriminate against the ladies. She cites a number of states in which her sisters aren't allowed to serve on juries. She says that in North and South Dakota a husband can put his wife out to work and make her turn all her pay over to him.

The lady legislator chivalrously admits many states have passed laws giving special protection to working women. But she feels most women would willingly forego these special privileges for the chance to compete with men on equal terms.

Granting the exceptions listed by Mrs. St. George, don't women by both custom and the actual working of the law enjoy vast advantages over men today?

They have special privileges in everything from getting a seat in a crowded bus to getting away with marital murder. A man who kills his wife in a fit of rage after 20 years of incessant abuse goes to the chair or to prison for life. But a wife can cold-bloodedly mow down her husband, invent any defamatory lie about him she can think up to explain her action, and have an odds-on chance to cry her way to freedom. She may even later marry a sympathetic bachelor on the jury.

—:—

THE ENERGY MEN burn up in outworn forms of gallantry—running errands for women, lighting their cigarettes, straining themselves pushing revolving doors so the girls can walk through without so much as even lifting their little pinky—probably is one explanation why men die younger.

One man I know even blames his baldness on his chivalry.

"My mother taught me at the age of 5 to remove my hat in the presence of ladies," he said. "after 35 years of taking off my hat and putting it on again, I finally wore all my hair off. And what is my reward? Women laugh at me now."

There is also the little legal matter of alimony. A wealthy woman now can marry a poor and innocent young man, turn his boyish head with her riches, and then—after he gives her the best years of his life, toss him aside penniless and go on to another man. If he tries to sue her for a fair share of her boodle, he is laughed out of court as a bum.

—:—

THE 20th CENTURY has been a one-way street for the ladies too long. Let's climb on Mrs. St. George's bandwagon, boys, and force women once and for all to take equal rights. If they are made equal in law, they must in time accept equality in social customs, whether they want to or not.

Let the girls tip their hats to us every time we tip ours to them. Let them light our cigars every time we light their cigarettes. Let them do their fair share of pushing in revolving doors. Let them divvy up some of that 70 per cent of the nation's wealth they now control. When they go on maternity leaves, let's us go on paternity leave.

An equal rights amendment that shifted more of the world's burden on women would help free a man from worrying about what would happen to his widow. It might result instead in leaving him a carefree, cheerful old widower himself, with nothing on his mind except where to find the right cozy blonde to soothe his sadness while they spent the insurance money.

(By The Associated Press)

There were 1,484,000 marriages in the United States in 1954, 60,000 fewer than in 1953.

News of the District

Galion

A Canton speaker gave a testimonial talk at the 11th annual banquet held by the Galion group of Alcoholics Anonymous Saturday night in the parish house of Peace Lutheran Church. More than 200 were present, including members and their families, and members from surrounding towns. They heard the speaker tell that he had lost his eyesight through drinking and how the use of alcohol had separated him from his wife and son for 11 years. After being cured through the help of Alcoholics Anonymous, the man was re-united with his family and has been living with them for the last 15 years.

Ministers of the city and Police Chief Morris Bowers, who were invited as special guests, gave brief comments.

A potluck supper was served and preceded the program.

—:—

The engagement of Dorine Joanne Kehrer, daughter of Mr. and Mrs. Clinton G. Kehrer, Galion, to Robert W. Mayer Jr., son of Mr. and Mrs. Robert Mayer, Galion, is being announced. No date has been announced for the wedding.

Miss Kehrer is employed in the office of the U. S. Vault Co. She was graduated from Galion High School. Mr. Mayer received boot training at Parris Island and Great Lakes Naval station. He is now attending school at San Diego, Calif.

—:—

Following their marriage last Saturday afternoon in First Methodist Church and a short wedding trip, Mr. and Mrs. Lewis Bishop are at home to their friends here.

Open church was observed for the ceremony at 2 o'clock when Rev. Norman R. Somerville read the double ring service. The bride is the former Martha Smith, daughter of Mrs. Floyd May, Galion, and Clarence Henry of Galion. Mr. Bishop's parents are Mr. and Mrs. Oliver Bishop of near Galion.

The bride's brother, Pfc. John Henry of Fort Campbell, Ky., gave her in marriage. Mrs. Merle Bachelder, sister of the bride, was matron of honor. Matthew Anatra of Crestline was best man and usher duties were performed by William Beach and Robert Bishop.

Invited guests were present for the reception which was held in the church parlors following the ceremony.

The new Mrs. Bishop is employed at the North Electric Manufacturing Co. here Mr. Bishop is employed at the Hartwell Radio and TV shop as service man.

—:—

Pvt. Morris Leland Martin and his bride who were married Feb. 14 at Fort Sam Houston, Tex., have geen spending a few days in Galion with his parents, Mr. and Mrs. Marion Martin. He will report at Fort Lewis, Wash., March 1, for overseas assignments.

The new bride is the former Martha Hunter Baldwin, daughter of Mrs. Russell Stuart Baldwin of Marion, Ind.

The ceremony at Fort Sam Houston was performed at 5 p.m. with Chaplain Emil A. Zund officiating for the double ring service. The couple's attendants were Rev. and Mrs. Joe Snyder, pastors of the San Antonio Wesleyan Methodist Church.

A wedding trip took the couple to Mexico and San Antonio, Tex.

The bride will continue her studies at Marion College and will receive a bachelor of science degree in elementary education in June. In Galion, a reception was held for Pvt. Martin and his bride at the home of his parents Saturday afternoon and also in the evening.

—:—

The bridal gown chosen by Janet Louise Crider when she exchanged marriage vows with Aneillo S. Cerreto Saturday morning, Feb. 25, was ballerina length and made of white embroidered tulle over bridal satin.

The bride is the daughter of Mr. and Mrs. Arthur Crider of southeast of Galion and Mr. Cerreto's parents are Mr. and Mrs. Sam Cerreto of Galion.

Rev. Father Kenneth A. Hans officiated for the double ring ceremony at 11:30 a.m. in St. Joseph's Catholic Church.

Miss Marian Harner of Galion, close friend of the bride, was maid of honor. Miss Jean Crider, sister of the bride, was bridesmaid. Brenda Foust, niece of Miss Harner, was flower girl. Joe Zara of Crestline, was best man, and William Dorian of Galion, were attendants to the bridegroom. The ushers were John Witter and Harold Beach of Galion.

A reception was held in the afternoon at the home of the bride's parents.

The couple planned a week's wedding trip.

Mr. Cerreto and his bride will be at home to their friends in Galion.

The bride was graduated from Iberia High School and is now employed in the office of the Perfection Steel Body Co. Mr Cerreto was graduated from Galion High School. After three years service in the U. S. Navy, he is now employed at the Hercules Steel Corp. in Galion.

Upper Sandusky

George V. Bowen of this city claimed for his bride, Miss Beverly Ann Armstrong also of this city, when the Rev. F. LeRoy Sarver, pastor of the St. Paul Lutheran Church, performed the double ring service in the church, Sunday, Feb. 23.

The bride is the daughter of Mr. and Mrs. Robert Armstrong of near Upper Sandusky. Mr. and Mrs. Miller E. Bowen of near here are the parents of the bridegroom.

The maid of honor was Miss Nancy Rowland of near Upper Sandusky. Miss Sylvia Armstrong, sister of the bride, was bridesmaid. Roger Bowen, brother of the bridegroom, was best man.

A reception was held in the church parlors immediately following the ceremony.

The bride graduated from Upper Sandusky High School in 1954 and her husband graduated in 1953. He is engaged in farming.

—:—

T. F. Tschanen of Bucyrus was guest speaker Thursday night when members of the Green Thumb Garden Club met at the South School in Upper Sandusky for the regular meeting. Tschanen used as his topic, "Vagabonding with Nature." He showed colored pictures of wild spring flowers and formal garden arrangements found in the eastern United States.

— —

Winners of the annual current events test at Upper Sandusky High School, seniors, Evelyn Smith and Dick Jones, will be representatives to the World Affairs Conference in Cincinnati, March 4 and 5. The conference is annually sponsored by the Rotary Clubs of Ohio and the local delegates will present a report on the conference in a meeting of the Upper Sandusky Rotary Club following the conference. L. H. Houpt, social studies teacher, will accompany them.

Nevada

Miss Ethel Davidson, west of Wyandot entertained the Wyandot Garden Club Thursday afternoon. Response to roll call was "Something I want to grow this year." Mrs. Eugene Larick had charge of the meeting and the devotions were read by Mrs. Harold Kinsey. The topic for the afternoon was by Mrs. H. A. Peterman who had as her subject, "Herbs and Their Use." The meeeting, March 24 will be held at the home of Mrs. Ralph Swihart near Wyandot.

The average temperature of Canada is below 32 degrees Fahrenheit.

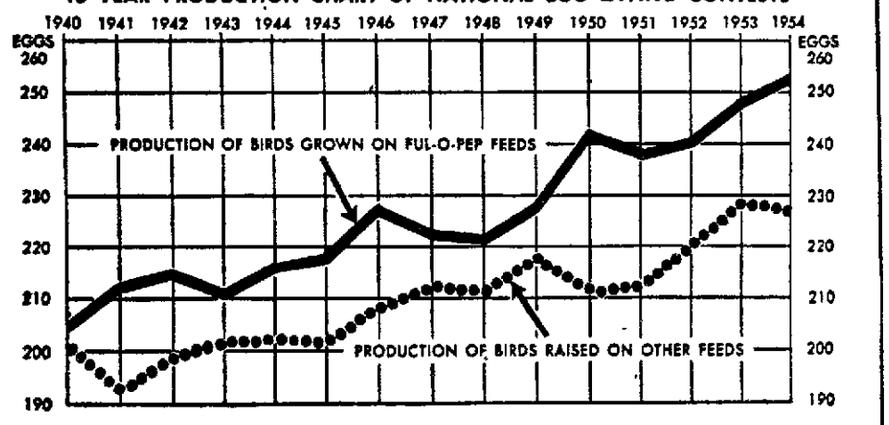
NATIONAL EGG LAYING TESTS PROVE
Ful-O-Pep Feeds Grow America's Best Pullets!

15 YEAR PRODUCTION CHART OF NATIONAL EGG LAYING CONTESTS



15 YEAR EGG PRODUCTION CHART of all the official egg laying tests shows that birds grown on Ful-O-Pep consistently averaged laying more eggs. Since contest hens are fed a standard laying ration, the only nutritional differences are made during the growing period.

Birds started and grown on Ful-O-Pep average laying the equivalent of 15.6 more 2-oz. eggs each.

For the past 15 years in the National Egg Laying Tests —open to all poultrymen—54,537 birds started on Ful-O-Pep Chick Starter and grown on Ful-O-Pep Growing Mash averaged laying the equivalent of 15.6 more 2-oz. eggs each than the average of 133,978 birds grown on other feeds . . . official proof Ful-O-Pep grows America's *best-laying pullets!*

22.2 more in 1950-1954

During the past 5 years the 13,689 Ful-O-Pep grown birds entered in these tests averaged laying the equivalent of 22.2 more 2-oz. eggs than 39,338 birds grown on other feeds . . . proof again that Ful-O-Pep grows better pullets.

Figure now how much 15 to 22 extra eggs per hen could boost your egg profits next year. You'll see it *really pays* to start your baby chicks on Ful-O-Pep Chick Starter.

Around Council's Table

Marion City Council adopted eight pieces of legislation, sent another back to committee, tabled another and discussed sevral other items of business at its regular meeting Monday night in the old city building.

Flasher Lights Rejected

A resolution repealing resolutions adopted last November calling for flasher warning lights at certain railroad grade crossings in the city was unanimously adopted.

Reason given for this action was that Council is now of the opinion that in place of the flasher signals, more adequate street lighting facilities would be better.

Under the original plan the flasher lights were to be installed at Madison Ave., two crossings on W. Fairground St., W. Center St., Kenton Ave. and Darius St. After talks with representatives of the railroads it was decided the use of sodium vapor lights over the crossings might be a better solution. This plan is still under study.

Last night Council sent back to committee a resolution which would have authorized the Ohio Edison Co. to install new street lights on the approaches to the crossings.

At the last Council meeting, Mayor Robinson said that the railroads had agreed to install the sodium vapor lights on the crossings provided the city would improve the street lighting on the approaches to the crossings. At last night's meeting, Council decided there still is some confusion as to who is to install the lights and maintain them — the city, the railroad or the Ohio Edison Co. Because of this, Council decided to take no further action until a more detailed study could be completed.

Supply Ordinance

An ordinance authorizing the safety-service director to advertise for bids and enter into contracts for purchase of supplies and materials for use of the Safety and Service Departments for the year beginning May 1 was adopted unanimously. This routine ordinance is brought up for Council approval each year.

Sewer Project Advanced

The long proposed Jefferson St. sewer came up for brief discussion and Council adopted a motion calling for another step toward eventual completion of the project. Herman Rinehart, chairman of the sewer committee, reported that plans discussed at the last Council meeting to change the location of a proposed pumping station for the sewer system had been approved by Floyd Browne and Associates, consulting engineers.

Formerly to be located on the corner of E. Fairground and Jefferson Sts. the new location of the lift station is planned for the third lot on Jefferson south of W. Fairground St.

During the discussion on the project, Councilman - at - large Richard E. Lister said he would like to know why the project has been so long delayed. He said he felt the project should be completed as quickly as possible. He charged that apparently someone is responsible for the delay, but said he did not know who.

Harold Fralich, Sixth Ward, said that Council should decide who is to supervise construction of the lift station and pointed out that Floyd Browne and Associates have prepared the necessary plans and specifications.

In further discussion it was decided that the next step would be to have additional copies of the plans prepared and to bring in legislation at the next Council meeting to authorize the safety-service director to advertise for bids and enter into contracts for the construction.

Park Plans Announced

Plans to restore McKinley Park to use this summer were announced to Council by Mayor Robinson in answer to a question by Don Quaintance, Fifth Ward.

The mayor said present plans are to use relief labor to clean up the park area, paint shelters and other buildings, put in new benches and so forth. He said further details of the restoration program are to be worked out this week.

The park was closed all last summer because of the use of drives through the park by contractors and their employes working on the Marion General Hospital construction.

The mayor indicated the park would be ready for use this spring at the same time as the other two city parks.

Pay Claims Approved

Ordinances to pay damage claims to two city residents as a result of collision of city-owned vehicles with their cars were both adopted unanimously.

One was for $102 to Russell Cottrell of 656 Oak St. His car was damaged when a city garbage truck backed into it at the rear of 134 E. George St. on Jan. 27.

The other was for $27 to Leo D. Young of 435 Toledo Ave. His car was damaged on Jan. 28 when struck by a city fire truck making a turn off W. Center St. onto N. Main St. Safety-Service Director John Davis recommended payment of both claims and in addition Fire Chief Owen A. Sifritt recommended payment of the claim involving the fire truck.

C. & O. Building Okayed

A resolution approving action of the City Planning Commission in granting permission to the C&O Railroad to construct a new telegraph and yard clerk's office along the railroad right of way north of W. Fairground St. was adopted unanimously.

Alley Changes Asked

A plan to change the direction of travel on certain one-way alleys in the downtown district was given tentative approval of Council. Alleys affected will be the two running west from N. Main St. to Oak St. between W. Center St. and Mill St. and the two south of W. Center St. running east from S. Main St. to S. State St. and west from S. Main St. to S. Prospect St. between Center and Church Sts.

Presently all four of the alleys are one-way westbound going west from Main St. and one-way eastbound going east from Main St.

The new plan is to have the first alley north of Center St. continue westbound and the second north of Center St. changed to become one-way eastbound, the first one south of Center St. to become one-way eastbound and the second one south to become one-way westbound.

Davis said principal reasons for requesting the changes was to aid movement of vehicular traffic and to provide for proper routing of a new and large garbage truck soon to arrive for use in downtown service.

To make possible these changes on a 90-day trial basis, Council unanimously adopted an ordinance repealing an ordinance adopted Dec. 8, 1952 which designated the alleys as one-way and established the direction of travel on them.

Parking Ban Discussed

Request of a group of E. Church St. residents that parking be restored to the south side of the street from Cummins Ave. east to S. Grand Ave. was discussed briefly and sent to the streets and alleys committee for further study.

Prior to the discussion, a letter signed by 12 residents in the area requesting repeal of the parking ban for this section of the street was read to Council. This was followed by another letter from the City Traffic Commission signed by Police Captain Clyde Hardin, chairman, in which it was noted the parking was removed from this section of E. Church St. by an ordinance adopted by Council May 25, 1953.

John Walters, attorney representing the group of residents, spoke briefly for the restoration of parking privileges and said the parking ban works a hardship on the residents living on the south side of the street. He said further that the ban serves no useful purpose since the area is removed from downtown traffic congestion.

Councilman-at-large Robert G. Halderman noted that this section of the street, east from Vine St. to Grand Ave., is narrow and parking was removed from the south side of the street to eliminate a bottleneck created when parking is permitted on both sides of the street.

Councilman - at - large Richard Lister said he believes each of the residents in the area have driveways and garages and the parking ban works no hardship on them. He added that parking the cars in the driveway would eliminate the possibility of damage to them by cars traveling along the street.

Walters said Council should at least study the possibility of making the parking ban effective only during peak traffic periods on the street.

Council directed the streets and alleys committee to study the problem and report at the next meeting.

Other Council Action

In other action Council:

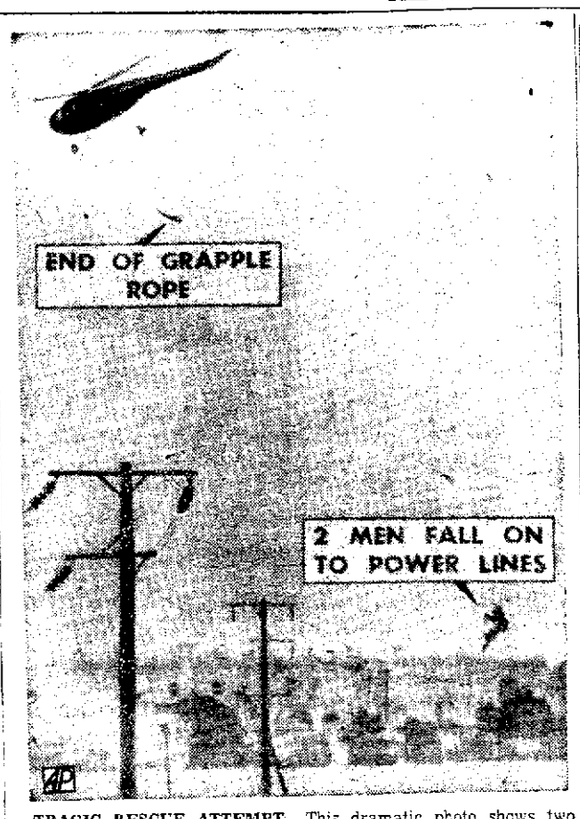
Heard a request from Councilman-at-large Richard E. Lister that a traffic light now located at Reed Ave. and E. Center St. be moved to E. Church St. and Pennsylvania Ave. He said the light is of no value at its present location and would better serve George Washington School pupils at the E. Church St. location.

Discussed a request from Forest Lawn Blvd. residents for beautification of the center strip of the street between E. Church St. and Indiana Ave. Fralich presented the request and said the residents were willing to reseed the center strip of the city would remove dirt to bring it down to a level of other sections of the street. Council took no action on the request.

Decided to order in legislation for the next meeting authorizing the Ohio Edison Co. to proceed with plans to install a street lighting system on Forest Lawn Blvd. between Mt. Vernon Ave. and E. Church St.

The invocation was given by Miss Margaret Huffman, a youth leader at Epworth Methodist Church.

All councilmen were present for the meeting.



TRAGIC RESCUE ATTEMPT. This dramatic photo shows two men hurtling to their death during a rescue attempt by the helicopter shown in upper left. Helicopter was attempting to lift men from flood waters near Maitland, Australia when they lost their grip and fell on high tension wires. Moments later the helicopter crashed but crewmen were rescued. Heavy loss of life is expected by Australian officials in floods now raging through wide areas of New South Wales State.

Wool Discussion Slated March 8 in Mt. Gilead

MOUNT GILEAD — Ralph Grimshaw, extension sheep and wool specialist from Ohio State University, will be the speaker at meetings in the Morrow County court house Tuesday, March 8, at 1:30 p.m. and 8 p.m.

The afternoon discussion will be repeated in the evening meeting. The program will include facts on the national wool act, pulled wool compensating payments on lambs and yearlings sold for slaughter, incentive payments, the "self-help" program for sheepmen and the American Sheep Producers

Army scout dogs can detect alien scents at distances of 200 to 300 yards.

Larick of near Sycamore; a daughter to Mr. and Mrs. Donald Wright of Arlington.

Student Throws Pie

COLUMBUS, Ohio (AP) — For $5, Walter Bonnett discovered, he could have the privilege of throwing a chocolate pie in the face of the Otterbein College librarian.

Seems the Student Council recently came up with the idea of holding an auction, with all sorts of privileges to the highest bidder, to raise money for four organizations which help students go abroad to college.

Bonnett, a junior from Dayton, tossed the pie at Otterbein librarian John Becker. Bonnett scored a hit. The professor grinned.

Local Doctors, Nurses Back From Conventions

Doctors and nurses on the staff of the Frederick C. Smith Clinic have returned from meetings held at Chicago and Cleveland during the past week.

Miss Alma Daniel and Miss Wilma Wilson of the clinic's nursing staff attended the joint convention of the American College of Surgeons and the American Nurses Association at Cleveland. Dr. Philip W. Smith also was in Cleveland where Tuesday and Wednesday he attended the sectional meeting of the American College of Surgeons.

Dr. Frederick G. Smith was in Chicago where he attended the anal meeting of the Central Surgical Association Feb. 17 through 19. He was accompanied by Mrs. Smith.

The Cleveland meeting marked the first time the American College of Surgeons and the American Nurses Association met jointly. More than 1,000 nurses from 27 states and five cities in Canada attended. The surgeons and surgical nurses attended joint sessions in the morning and in the afternoon the nurses toured the hospitals of the city.

PLANNING SESSION OPENS

COLUMBUS, Ohio (AP)—The annual meeting of the Ohio Planning Conference opens here today with Seth Taft, general counsel for the Cleveland Development Foundation, scheduled to give the principal address. Taft is expected to talk on formation of a three million dollar slum clearance fund created by a group of Cleveland businessmen. The planning conference meeting ends tomorrow.

Shelby, Ashland Capture Victories in Sectional Play

Prexies and Galion To Clash In Wednesday Night Battle

By GARY SAMS

Top-seeded Shelby and Ashland captured wins in opening round play of the Marion Class A Sectional Basketball Tournament Monday night at the Coliseum.

Shelby's undefeated Whippets dynamited Bucyrus 80-39 for their nineteenth straight victory after Ashland (11-8) ran into surprising trouble from underdog Mansfield Madison before posting a 63-60 overtime triumph in the opener.

The wins moved both into the tourney semi-finals and face to face in the opener Friday night. Participants in the other semi-final tilt will be decided Wednesday night when sectional action resumes. Harding 6-14) meets Galion (10-8) in the opener at 7 p.m. and Mansfield, second seeded with a 15-5 mark, takes on Upper Sandusky (3-14) in the nightcap set for 8:20 p.m.

—:—

MANSFIELD MADISON'S rams, who had won but seven of 20 season starts, had an upset in the making before blowing a 58-51 leac in the final minutes of play. Bad passes by the losers and Ashland's full count press enabled the Arrows to come back and Tom Enck dropped in the game-tying goal in the waning seconds. Layups by Max Messner and Dick Rankin in the three-minute overtime period gave Ashland the win.

The winners led throughout the slow opening period and upped their lead to 19-8 in the early moments of the second stanza before Madison began to click. The Rams jumped into a 26-24 lead at halftime and controlled play through most of the second half. Madison zoomed into a 48-37 lead at the start of the final stanza and held leads of seven points and more up to the disasterous final minutes.

Four cagers hit in double figures for Coach George Valentine's Arrows with Messner's 17 tops. Enck was close behind with 15 while Dick Brubaker had 14 and Dick Rankin 11. Bill Brubaker, the Rams' 6-5 junior center, collected 24 points, mostly on tip-ins, and Jim Windsor added 23. Brubaker and Windsor were responsible for all their team's second quarter points, Brubaker netting eight and Windsor 10.

Shelby's height advantage and sharp-shooting from the floor was the difference in the Whippets' lop-sided win over Bucyrus' Redmen in the nightcap.

The losers, who finished the season at 9-9, kept pace with the high scoring Whippets until they snapped an 11-11 deadlock to shoot into an 18-11 first period margin.

—:—

SHELBY CONTINUED to widen the gap in the second stanza and by halftime had boosted into a comfortable 37-22 margin. Coach Charlie Williams' squad, highest scoring Class A quintet in Ohio, nursed a 60-32 bulge heading into the final eight minutes.

Ed Stevens led Shelby's well balanced attack with 19 markers, 13 of them coming in the second half. Sophomore Larry Siegfried, Shelby's top scorer, pumped in 13 during the first half and wound up with 18. Dick Cecil was good for 17 and Nick Davies netted 14. For Bucyrus, Roger Freshwater set the pace with 10. Harold Weithman was next with nine.

Attendance at last night's opening session was 1,360 paid admissions, according to tournament manager Ken Somerlot.

ASHLAND 63

Enck 5-5-15; Runyon 3-1-7; Rankin 4-3-11; Brubaker 6-2-14; Messner 6-4-16.

MANSFIELD MADISON 60

Hink 3-1-7; Chew 1-4-6; Brubaker 11-2-24; Windsor 7-9-23; Milliron 0-0-0.

Jets Begin Bid For Position in IHL's Playoffs

By The Associated Press

Fifth-place Johnstown starts its quest tonight for a berth in the International Hockey League playoffs.

Two weeks remain in regular season competition. Only Cincinnati, which took its third straight IHL title last week, is assured of a spot in the four-team cup series.

The lower section of the IHL is so jumbled that a victory over Grand Rapids by Johnstown tonight would place the Jets in a tie with the third-place Rockets.

Troy strengthened its second place hold by copping two contests in three outings. However, the Bruins have only five games to go while Grand Rapids fourth-place Toledo and Johnstown play seven more apiece.

Last-place Fort Wayne appears to be out of contention. The Hoosier Komets will have a string of seven defeats behind them as they face Cincinnati tonight. The Komets have five games to go and can climb no higher than third.

Player-coach Roly McLenahan, who piloted the Mohawks to the title was named by the Cincinnati fans the most popular player. However, it is a 21-year-old rookie, center Phil Goyette, who has cut the scoring figure with his skates. He has pushed in 40 pucks this season to lead the league.

Wayne University's fencing coach, Bela de Tuscan, is a graduate of the Hungarian Military Academy. He came to this country after World War I.

SHORT SPORTS

By John Short

SHORT

Every school in the county had its top performer during the six-night stand of the county tournament concluded Saturday night at the Coliseum, but one of the most outstanding performances was turned in by a member of a team not even in the final night session.

He was Darrell Stoner, top-flight performer for Chuck Brobeck's scrappy Pleasant Pandas. His mates appeared in five contests during the tourney run and Stoner played the last two and part of another with a broken bone in his foot.

The Panda scoring whiz injured the foot in a collision during the Morral battle on Saturday, Feb. 19, but came back after a brief rest to lead his team to a 55-36 win with 20 points.

—:—

THREE NIGHTS later he pumped in 17 markers as Pleasant downed New Bloomington 56-45. His last performance came against Caledonia as his team bowed 63-57 in the last half. In that losing effort he netted 22 points.

During that time he showed up for all the practice sessions without a word to Brobeck or any of his teammates. Then Saturday morning the foot was so swollen he had trouble walking. Brobeck was then informed of the injury and Stoner, upon visiting a local physician, learned of the broken bone.

Brobeck reported the fracture was just behind the big toe on the ball of Stoner's left foot.

—:—

SPRING DRAWS NEAR. Paul Keller, former Prospect High School track coach and now a teacher in the Delaware city school system, gives the first indication that spring is just around the corner. One of the state's busiest track starters, Keller currently is in the midst of the indoor season and already has several outdoor meets scheduled.

He recently penned an article on the "The Importance of the Two-Second Hold in Track Starting" for "Scholastic Coach." It is the fifth year in succession he has been asked to write a track article for the publication.

Among his top indoor assignments will be the Ohio Conference meet at Denison University's new fieldhouse and the annual Central Ohio High School indoor meet, also at Denison.

Boilermakers Cage Crew, Wharton Nail Green Camp Wins

The Wharton Merchants whipped Marion Implement and Supply 64-53 and the Boilermakers' Union nipped Green Camp K of P 65-62 last night in a doubleheader played at Green Camp.

Dick Brooks, popped in 20 points and Jack Daum posted 17 for the winning Boilermakers while Paul Sheppard with 21 was high for Green Camp. Gene Marsh added 16 and Dick Porter 15 for the losers.

The Wharton squad notched its win over Marion Implement in an overtime period. The losers took a 17-13 lead in the first period and were out front 27-21 at the half. The winners trailed 39-38 at the start of the final period and knotted the count at 53-53 by the end of the game.

HEAP BIG BRAVES. Little Gregory Spahn, 6, (right), son of Milwaukee Braves' pitcher Warren Spahn, and Herbert "Duckie" Steinbeck, 5, just about get lost in a couple of Braves' uniform shirts as they try to act like major leaguers in dressing room of club's spring training camp at Bradenton, Fla. In center is Duckie's grandpa, Manager Charley Grimm.

Bowling

Paul Young rolled 200-530 to show the way in the Mercantile League at Marion Recreation Monday. John Fetter had a 505 series. American Legion walked off with team honors by cracking 795-2313.

Monday Night Ladies League keglers were paced by Cora McCleary's 208-532 performance at Palace Recreation. Audrey Lloyd hit 180-517 while Connie Gibson rolled 182, Lucille Crock 180, Trudie Smith 490 and Janie Richards 486. Split conversions included a 3-7-10 by Millie Krausz, 5-7-9 by Emily Stephenson, 4-7-9 by Wilma Chapman, and 5-7 by Louella Massie. B & H Poultry captured team laurels with 929-2545.

Walter Keck's 225 and Charley Reid's 584 were tops in Home League action. Keck totaled 553 while other high scores were Jerry Partlow's 221-537, Joe Nicolosi's 218, Dick Moran's 204-558, B. Thompson's 203-543, George Barkley's 200-551. Team honors went to Probst Supply with 927-2585.

Utility League keglers were led by Yinger's 245-577 tally. Blows with 924-2486 topped the teams.

Homer Pierce's 212 and Charles Bloomingdale's 525 set the pace in the Nite Shift League. pierce had a 505 series and Bill Wefterauer showed 504. Commercial Steel led the teams with 789-2222.

Women keglers in the Palace Mixed Doubles League were led by Emily Stephenson's 197 - 500 while men were paced by Dale Morchart's 224 and Earl Gustin's 589. Morehart hit 547 while Gustin had a 219 game and Ernie Owen hit 209. Helen Culp rolled 181-455. Emma Morris hit 174 and Ruth Pritchard totaled 469. Splits were a 5-10 by Marguerite Spurlock and 5-7-9 by Juanita Richards. Handicapers had 744 and Aches & Pains 1987 for top team scores.

Davis rolled 219-599 for honors in the Palace League. Team honors were shared by Pollak 25 Year Club with 900 and Center Bar with 2594.

Dayton Ranked 10th in College Cage Balloting

By The Associated Press

For the fourth straight week the University of San Francisco today was named the No. 1 college basketball team in the weekly Associated Press poll with Kentucky and LaSalle still in close pursuit of the defense-minded Dons.

Of the 14 sports writers and sportcasters voting, 43 named San Francisco as the top team. The Dons boasting the best defense among major colleges, amassed 888 votes. The balloting was based on records of games through last Saturday, with points on the usual basis of 10 for each first-place vote, 9 for second, etc.

Duquesne, seeded No. 1 in the National Invitation Tournament, experienced the biggest drop when it fell from fourth to eighth after bowing to Dayton. The Flyers seeded No. 2 in the NIT, moved up from 11th to 10th.

Marquette, North Carolina State, Minnesota and Utah all climbed one notch in the rankings as a result of Duquesne's setback. UCLA held ninth place.

Lopez Eyes Rookies at Tribe Camp

TUCSON, Ariz. (AP)—Manager Al Lopez says he will pay most of his attention during spring training to his Cleveland Indian rookies, and in particular to pitcher Herb Score.

Score, speedy 22-year-old Florida southpaw, has been tagged the brightest prospect among the American League's young hopefuls who start spring training today.

"I'll use Score as much as I can during the exhibition games" Lopez said. "Personally, I think he's ready to pitch major league ball, but we have to be sure. We don't want to bring him along too fast.

"If he is ready to pitch for us, he will pitch regularly, taking his turn along with the big three. A kid with as much promise as Score can't afford to sit on the bench or in the bullpen.

In addition to Score who won 22 games and fanned 330 for Indianapolis in the American Association last season, Lopez has other promising rookies to eye. In fact, he says "this is the best bunch of rookies we've ever had, and I think they deserve every opportunity to make the ball club."

In his previous four years as Tribe pilot, Lopez has become well acquainted with the abilities of most of his other squad members. Only seven of the 40 men on his roster including veteran home run king Ralph Kiner, have not worked previously under his shrewd observation.

Score has pitched in training camp here before, and so have two other promising young southpaws, Marion Murszewski (10-10 with Tulsa last season) and Dick Tomanek (6-9 with Indianapolis).

Three other rookies Lopez will consider carefully are outfielder Rocky Colavito, who rapped 38 homers for Indianapolis in 1954; Hank Foiles, a huskey catcher who batted .332 at the Indianapolis farm and Joe Altobelli, a first baseman who hit .287 at Indianapolis and shone defensively.

Colavito at 21, is the youngest of the 40 Indians on the roster. Hank Majeski, pinchhitting utility infielder is the oldest at 38. The Tribe's average age of 29 probably will go up to 30 after the trimming done during the six weeks before the season opens here April 12.

Fights Last Night

BROOKLYN—Bob Baker, 214½, Pittsburgh, outpointed Rex Layne, 206¾, Lewiston, Utah, 10.

NEW YORK — Pat Lowry, 149, outpointed Pete Adams, 154, Newark, N. J., 10.

PARIS — Charles Humez, 162, France, stopped Pierre Langlois, 162, France, 5.

13 in Florida

Major League Clubs Open Training; 14 Braves Fined

ST PETERSBURG, Fla. (AP) — The citrus and cactus season — baseball's spring training—got under way today on widely scattered fronts in Florida and Arizona.

This is the day baseball officially opens the long grind that will lead to the World Series seven months hence. Thirteen clubs will go through their paces here in Florida while three more—the world champion New York Giants, Cleveland Indians and the Chicago Cubs—are in Arizona.

The clubs will have 10 days to get into shape for the exhibition season beginning March 10. This late opening of training put through by the players themselves has proved unpopular and it wouldn't surprise anyone if the rule were changed in the near future.

In fact, only yesterday Commissioner Ford Frick fined the Milwaukee Braves $500 and 14 of the club's players lesser amounts for breaking the rule.

'This March 1 deadline was imposed by the players themselves' said Frick. "I think it's a bad rule. I think spring training should be governed by the clubs themselves. But as it's a baseball law my office will enforce it."

Attracting almost as much attention at the start of training are the efforts of the Indians to get their players under contract and the big question of whether Ted Williams is going to return to the Boston Red Sox.

The American League champions still have 10 players outside the fold and General Manager Hank Greenberg said: "Someone's being unreasonable, and it's not me."

All told 35 major leaguers still have not signed contracts.

As for the races, the National League appears to be the better balanced, although virtually all clubs are depending on one or two key men who could make or break the team.

The big three in the National League are the Giants, the Brooklyn Dodgers and the Braves. St. Louis, Philadelphia and Cincinnati also could come through and, in fact, only the Pittsburgh Pirates and the Chicago Cubs seem to be out of it.

The American League race again shapes up as strictly a two-team affair between the Indians and New York Yankees, woh finished one-two last year so far ahead of the rest of the loop they couldn't be seen with a spy-glass by the also-rans.

Perry Accepts Head Coaching Postion at BG

BOWLING GREEN — Doyt Perry, backfield coach of the Big Ten and Rose Bowl champion Ohio State University team, has accepted the head football coaching position at Bowling Green State University, President Ralph W. McDonald announced today.

Perry, a nine-letter winner at Bowling Green from 1929-32, will succeed Robert H. (Bob) Whittaker, the Falcon head man for last 14 years. Whittaker, who resigned the post last week, will remain as an assistant professor in the department of health and physical education.

Dr. McDonald said the new coach would report for his new duties later this week.

Before joining the Ohio State staff in 1951, Perry had an outstanding 16-year scholastic coaching career at Upper Arlington and Lorain Clearview High Schools.

Columbus East Retains Top Spot in Final Prep Cage Poll

By FRITZ HOWELL

COLUMBUS, Ohio (AP)—Ohio's top 10 high school basketball teams get their chance this week to prove they're as good as the state's sport writers think they are

All see action in sectional district play and if they lose they hang up their suits in the lose and-out race for the state title

Columbus East's once - beaten team clung to the top spot in Class A as The Associated Press poll came to an end for the season with Findlay's clean record Trojans and Canton McKinley in the next two spots Gallipolis, which lost only to Columbus East in 20 games—and wound up Saturday by defeating the team which whipped East Columbus Central — finished fourth

In Class B Vienna's 23 - game winners boasted a hefty margin over Joe Martin's fine Lockland Wayne squad which has a 20 1 record against some of the state's best teams in both classes Columbus St Marys was third

Three of the Class A top 10 got by first round foes in sectional play last night as Findlay defeated Wapakoneta Blume East Liverpool knocked over Mingo and unbeaten Shelby got by Bucyrus

Columbus East faces an easy one tonight in Circleville and Canton McKinley meets North Canton Mansfield meets Upper Sandusky Wednesday Sylvania a tenth place newcomer to the elite list bangs into Hilland Thursday Toledo Libbey plays Toledo Macomber and Portsmouth meets the Hillsboro Minford winner Friday Gallipolis can win a district tourney berth Saturday if it gets by the winner of the Pomeroy Marietta tilt The others need at least one subsequent conquest to get into next week's district eliminations

Sylvania provided the only change in either big 10 list this week moving into the Class A ratings as Middletown's eighth-placers lost a 68 62 verdict to Mansfield for their seventh loss in 19 starts

---

COLUMBUS Ohio (AP) — Here's how 44 sports editors rate Ohio's high school basketball teams today in the final Associated Press poll of the season

Shown are the poll points on a 10 9 8 etc and the won lost records of the top 10

Magnetic Springs Wins First Test, Johnsville Squad Ousted

Area cage squads split in opening round play of the Class B District Tournament at Otterbein Monday night

Magnetic Springs' Union County tournament champs downed Johnstown 66-54 but Johnsville's Morrow County tourney runners up bowed to Columbus St Marys 73 54

The win moved Magnetic Springs now 17 5 into quarter-final round play It will meet West Jefferson (7-17) Friday at 7 p m in the opening contest at Otterbein

The winners trailed 17 13 in the opening period but grabbed a 35 32 bulge at intermission Magnetic moved into a six point margin during the third period and stalled out the final period to protect their lead The Licking County squad was only able to get four shots at the basket in the final eight minutes

Guard Bill Parrott paced the Magnetic Springs attack with 28 points For Johnstown which completed an 18 3 season John Dowell was high with 17

Johnsville fell behind in the final period to absorb the sound licking from Columbus St Marys

The winners jumped off to a 20 14 first quarter bulge and led 36 27 at halftime but Johnsville rallied to pull even with the Rams in the third period The Johnnies pulled ahead for the first time with two and a half minutes left in the third stanza 41-40 but the winners moved in front 44 43 at the close of the quarter and shoved in 29 last period points to clinch the win

Bill Allen a substitute guard hit for 22 points 10 of them coming in the final quarter Dave Barker with 17 and Bill Stewart with 10 were next in line Guard Lyle Snavely was high man for both squads with 27 No other Johnsville cager hit in double figures

It was the win No 22 for the Columbus outfit against a lone setback Johnsville closed out a 12 13 campaign The winners will go against the winner of the Wednesday night battle between Plain City and Olentangy Saturday

A RARE TIE

PELHAM Ga (AP) It's no typographical error that Pelham High School 1954 basketball record reads 19 10 1 Coach E L Rainey explains We played Meigs and when the game was over the scoreboard showed Meigs winning 58 57 Then we made a routine check of the scoreboard and it showed a tie By then the fans were gone so we said to heck with it and it stands as the only basketball tie I ever saw"

Can't Stand Still

Dressen Slates Player Shifts

By CHARLIE DRESSEN
Washington Manager

WEST LOS ANGELES Calif (AP) —There will be some changes on the Washington Club You don't stand still with the personnel of a sixth place club

Our hitting and pitching was bad in spots last year We expect to have more men in camp this spring than we ever had before and they'll all get a chance to make the club We are bringing to camp a number of boys who are not on the Washington roster We'll look them all over and we might come up with a real prize

We think the club will be better in 1955 but we have added only a few new men The pitching looms as the strongest part of the club just now but we need a solid 300 hitter in the outfield If our new shortstop Bobby Kline can play as well as I have been led to believe we will have a pretty nice infield

Two Of Best

Pete Runnels last year's regular shortstop will be our regular second baseman this year He played a few games at second toward the end of last year and his work there was far superior to his work at shortstop He is a good hitter We have two of the best at first and third in Mickey Vernon and Eddie Yost

So far we have been unable to make a major deal If we can get what we are after our club will be pretty tough to beat No matter what happens we'll be tougher than we were last year

We have several real fine pitchers and we'd be willing to give one up for an outfielder or infielder who can play regularly for us We have four good lefthanders in Johnny Schmitz Chuck Stobbs Maury McDermott and Dean Stone Looking over last year's figures, I find that Schmitz had the best winning percentage as well as the lowest earned run average of all our pitchers Stone had a 12 10 record Any kid who can win 12 games in his first season has big possibilities Our righthanders are led by Bob Porterfield Spec Shea and Camilo Pasqual Yes sir I think we'll have the pitching all right

League Bunched

I think the entire league will be bunched much better in 1955 You won't see any team winning 111 games and no club is going to get beaten 10 and 20 times by another club like they were last year

Cleveland and New York should be the teams to beat again next year The Indians have plenty of pitching but I see where they are trying to help their infield.

Cleveland's Barons, Troy Clash Tonight At Coliseum Rink

Ice hockey reenters the picture here tonight as Cleveland's Barons take on the Troy Bruins in an exhibition hockey match on the Coliseum ice

Tonight's game will windup the exhibition series arranged at the Coliseum during the past season.

Cleveland is currently in the race for top spot in the American Hockey League while Troy, a member of the International Hockey League is one of the top teams in that loop

Game time tonight will be 8 p m

Radio and Television

By JOHN CROSBY

Mail From the Moppets

"Disneyland," the Walt Disney bombshell which has demoralized the bedtime of millions of American moppets, has also set thousands of them to unaccustomed letter-writing. Television—and radio, too, for that matter — has always provoked a lot of weird mail but this out-pouring from the children is a little special. The kids write with a wonderly refreshing candor and unexpectedness that their inhibited parents can't approach.

JOHN CROSBY

I am so entranced by the following communication for its brevity and style that I plan to steal from it next time I have a similar problem: "Please draw me a picture of a couple of your characters. If this is asking too much don't bother doing it."

—:—

THE DISNEY OFFICE is flooded with autobiographical material—much of it splendidly succict like this one: "I have the chicken pox and oh do I itch. I am eight years old and I like your cartoons and show." Now that says about everything in very few words. I rather like this bit of personal history, too: "Our parakeet has a vocabulary of 54 words, no two alike."

Not that all the letters are entirely complimentary. "Davy Crockett," for instance provoked an angry outburst from an Indian named Flying Squirrel McIntosh: "A thousand Indians and a few soldiers. the soldiers winning. A white man fighting an Indian chief with the Indian's own weapons, the white man winning. Common sense tells me my noble ancestors fared much better in reality than what was depicted on the screen. Please, gentlemen, let's have no more disappointments on the Disney productions."

-:-

FROM THE YOUNGER viewers the critiques are sometimes a little surprising. Said one: "When I was watching Donald Duck on your TV show I became very uninterested because of his voice. It's practically impossible to understand. Please improve his voice." Another milder critique on the same subject ran: "Donald, you are so funny you forget to talk right but I can understand you some of the time."

But, of course, this sort of carping is buried under an ocean of praise. One of the shortest letters that came in, said simply: "I love you very much Walt Disney." Every so often there comes a well-meaning letter which gives Mr. Disney pause for thought. Like this one: "I watch you every day and would like you to send me a picture of yourself and the other animals." Or this one: "Are you the original Walt Disney? Would you draw me a small drawing of Liberace and put your autograph on it please?"

-:-

"DISNEYLAND," incidentally, has made a big star out of Walt Disney himself. He's by far the most popular of the Disneyland characters and so far has drawn twice as many requests for his photograph than for photos of Donald Dick or Mickey Mouse. Several viewers have asked for photographs of Mrs. Disney and the children, something fairly new to the Disney organization whose cartoon characters are usually far more real to the public than their creators.

Some of the letters are downright tragic. "My father is always watching the fight when your TV program is on. Could you do something about this?" Or this one: "I would like to watch your Disneyland show because I hear it is good. I can't watch it because my mother and father watch a cowboy program at that time."

-:-

THESE ARE THE exceptions. In most homes the children rule the set and "Disneyland" is sacred to them, even if it means staying up an hour past their normal bedtime. So prevalent has this practice become that a group of five teachers gave to each of their pupils the following letter to take home to their parents:

"Dear Parents:

Now mind you, we have nothing against Walt Disney. We think it is a fine program—but for four Thursdays we have accomplished practically nothing in school. As you know, six-to-seven-year-old children need from 11 to 12 hours of unbroken sleep every night. It is impossible for a tired child to learn and, believe us, they are tired Thursdays. To lose every Thursday out of each week is serious."

(N. Y. Herald Tribune)

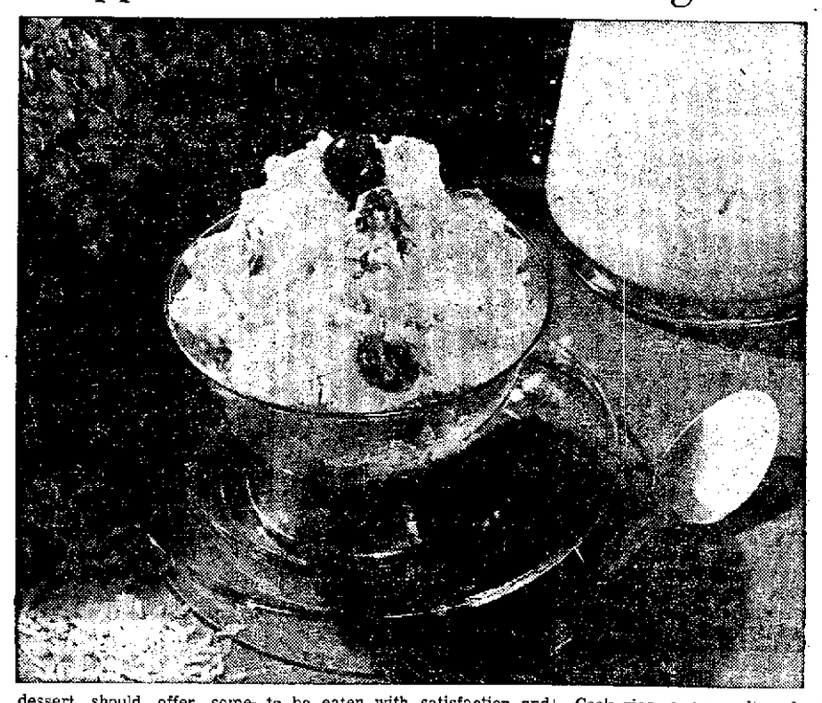
Pineapple Rice Cream Is a Nourishing Dessert



A dessert should offer something more than just pleasure. A perfect example of such a dessert is pineapple rice cream.

The rice used in the recipe is cooked in milk and the fruit and marshmallows are added making it an extremely nourishing dish.

Attractively served, it is sure to be eaten with satisfaction and enjoyment.

Use: ½ cup rice, 2½ cups milk, one third cup sugar, ¼ teaspoon salt, ½ pound marshmallows, cut in small pieces, ½ cup crushed pineapple, ½ cup candied cherries, cut in half, ½ cup cream, ½ teaspoon almond extract.

Cook rice, sugar, salt and milk until rice is soft. Take from heat and cool until chilled. Add marshmallows, fruit, flavoring and stiffly whipped cream. Pile into sherbet or parfait glasses and garnish with cherries or nuts, if desired. Serve very cold. Serves 6.

Airline Stewardess' Job Just Like One at Home

WASHINGTON (UP) — The life of an airline stewardess seems glamorous, but along with the many advantages offered by air travel are the same chores that a stay-at-home housewife faces.

Delta-C&S Air Lines reports that its stewardesses served 869,414 meals in 1954. They served 2,590,176 cups of coffe, a half a million hot chocolates, 447,256 glasses of lemonade and 22,735 half pints of milk to thirsty passengers.

And they did all this without aprons.

Navy Adapting 2 Cruisers for Guided Missiles

WASHINGTON (AP) — The Navy expects to have the first of two guided-missile-firing cruisers ready for antiaircraft duty with the fleet by July, the second late this year.

Completion of the project to convert the heavy cruisers Boston and Canberra presumably will make the American fleet the first of any world power to possess operationally useful guided missile ships.

Britain announced last week it intends to begin building a fleet of such warships but it may be some time before they are ready for use.

In 1946, the U. S. Navy announced that the uncompleted hulls of the 45,000-ton battleship Kentucky and the 27,000-ton battle cruiser Hawaii would be built into guided missile ships. Conversion work was started, then halted within a year. One reason, actually the primary cause, was that the Navy discovered the development of practical guided missiles was too far in the future to allow design of ships for their use. It was not until 1952 that the Navy again took up the project actively, sending the Boston and Canberra to the New York Shipbuilding Corp. yards at Camden, N. J., for extensive remodeling into robot weapon ships.

A Navy spokesman said, in answer to a question today, that the Boston is expected to be ready in July and the Canberra probably about December.

The two cruisers, at least initially, will be used entirely for antiaircraft protection of Navy task forces, using the Terrier guided missile weapon. The Terrier, in mass production for more than a year, is fired from launching racks.

ESCAPE TO JAIL

HOUSTON, Tex. (AP)—There's a sign in the city jail that says, "When you're in the doghouse you're always welcome here."

Clearer Stand Sought on U.S. Asian Aid Plans

WASHINGTON (AP)—Sen. Mansfield (D-Mont) and Rep. Vorys (R-Ohio) called on the administration Monday to come out with its new aid program for Asia lest it lose the initiative to Communist and neutralist nations.

Foreign aid plans now are scheduled for announcement in April.

The legislators, members of their respective foreign policy committees, said in separate interviews the program would lose much of its effect if kept under wraps until after Asian and African nations meet in mid-April at Bandung, Indonesia. Red China will be represented at that meeting, and may propose some kind of aid plan to increase Communist strength in the area.

Rep. Zablocki (D-Wis), chairman of the House Far Eastern subcommittee, said Secretary of State Dulles will be called before the full House committee on his return from Asia early in March. Dulles will be questioned behind closed doors about the aid-Asia program and a number of other "unanswered questions" that could produce a fresh review of Asian policies, Zablocki said.

He said the committee also wants from Dulles a "definite statement of our policy regarding Matsu and Quemoy islands" off the Red China coast.

Sen. Kefauver (D-Tenn) told a Cleveland audience last night the United States should quit talking about defending the islands and stop pretending that Nationalist leader Chiang Kai-Shek is the key to stopping the spread of communism in Asia.

The key to the future of Asia, he said, lies not in Formosa, but in the strength and stand of India and Japan.

Kefauver spoke at a banquet honoring freshman Rep. Charles A. Voink (D-Ohio).

Until recently it was believed that only legminous plants can fix nitrogen from the air but a recent discovery indicates that a species of alder tree can do it.

N.Y. Stock Quotations

NEW YORK (AP)—The stock market continued its rise today for the second straight session, but the advance was labored.

Railroads and steels were active and higher in their leadership role. Aircrafts were backward.

Gains went to around 2 points in a few instances. Losses usually were cut off at around a point.

Business was moderate. Except for the opening rush, the tape idled along at about the rate of yesterday's 2,620,000 shares.

Motors and radio - televisions were steady. Rubbers were lower. Oils were usually higher.

Western Union was strong on the report that it made more money in January of this year than in the first two months combined last year.

Also higher were Bethlehem Steel, U.S. Steel, Woolworth. American Telephone, Kennecott Copper, New York Central, Seaboard Railroad, Union Pacific, Royal Dutch Petroleum, and U.S. Gypsum.

Judges, District Attorneys Included

Congressmen's Pay Hike To Cost About $7 Million

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP) — Congress is almost finished voting a pay raise for itself—$7,500 a year—and raises for federal judges and district attorneys. Total cost to the taxpayers will run around seven million dollars.

The Senate approved the idea yesterday. With the House almost certain to do the same, the pay boost then will be effective as of today. Congress had a lot of support for this move.

President Eisenhower gave it his blessing beforehand, without naming an amount. So did a special commission which he appointed in 1953 to study the problem of pay increases for Congress, the judges and the district attorneys.

The salary of 530 members of Congress—96 senators, 434 representatives — goes from $15,000 a year to $22,500. That of the remaining House member Speaker Rayburn (D-Tex) goes from $40,000 to $45,000.

—:—

SO DOES THAT of Vice President Nixon. The bill does not affect the President who gets $150,000 in salary and an expense fund.

The $7,500 increase for all members except the speaker is a 50 per cent raise. The last increase Congress voted itself in 1946, was from $10,000 to $15,000. The presidential commission last year recommended a raise to $27,500.

This is what happens to the pay of about 40 federal judges:

Chief Justice Warren—$25,000 to $35,000; the eight Supreme Court associate justices—$25,000 to $35,000. Judges of the United States Court of Appeal—$17,500 to $25,000. Lower court judges' pay will jump from $15,000 to $22,500.

United States district attorneys and assistant district attorneys were permitted a pay boost by Congress too, but how much each gets depends on how much Atty. Gen. Brownell wants to give him. Congress left that up to Brownell.

—:—

HE CAN RAISE district attorneys any amount from the present maximum of $15,000 to the new maximum of $20,000 and assistant attorneys from the present maximum of $12,500 to the new maximum of $15,000.

In addition to his pay each member of Congress gets official office space in Washington (in the House and Senate office buildings) and in his home district. He is allowed a minimum of $12,500 a year for clerical hire, $2,500 in mechanical equipment, $800 a year to buy stationery, unlimited free mailing privileges.

For travel to and from Washington for each session of Congress—one round trip—he is allowed to deduct $3,000 of his salary as expenses for income tax purposes.

The presidential commission estimated it costs the average member of Congress $3,000 a year more than his old $15,000 salary, and that 80 per cent of the members must depend on some private income. Many members maintain two residences one here the other at home.

SAFETY CHECK AT A-BOMB TESTS. Members of a U. S. Army radiological safety team take shelter during one of the series of atomic tests at the Nevada proving grounds near Las Vegas. Following the blast, 2nd Lt. William Ambrener (left) of Hammond, Ind., and Pvt. Robert Towry of Paradise, Calif., moved forward into the blast area to check radiation before troops were allowed to enter "ground zero."

NATURE WORKS

DENVER (INS) — Nature provides her own uranium test borings on the Colorado Plateaus. Mineralized zones exposed by erosion on steep cliff walls can be detected without costly drilling.

CAST BUCYRUS PLAY

BUCYRUS — Bucyrus Little Theater casting committee members will hold public tryouts Tuesday and Wednesday nights in the Little Theater for the group's production of John Patrick's three-act comedy, "Lo and Behold." The play will be presented April 20, 21 and 22. There are eight parts in the play, five male and three female.

4-H Club News

Carolyn Phillips was elected president when the Caledonia Pins and Pans 4-H Club met Wednesday at the home of Mrs. Robert Timson, adviser.

Other officers are Lois Jean Clark, vice president; Barbara Kaelber, secretary; Carolyn Underwood, treasurer; Carolyn Kightlinger, news reporter; and Judy Hall, recreation leader.

The group's next meeting will be March 9 at the home of Mrs. Timson.

In 1896, two Americans, George Harbo and Frank Samuelson, rowed an 18-foot boat across the Atlantic using neither sails nor motor.

Announce New Way To Shrink Painful Piles

Find Healing Substance That Relieves Pain—Shrinks Hemorrhoids

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dyne*)—discovery of a world-famous research institute.

Now this new healing substance is offered in ointment form under the name of *Preparation H.** Ask for it at all drug stores—money back guarantee. *Reg. U.S. Pat. Off.

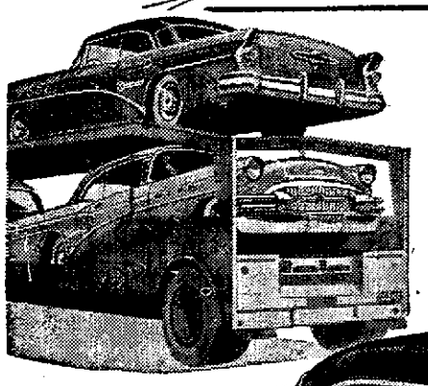
Marion, Ohio — "A Buick Town"

HOT NEWS

ABOUT THE HOT CAR



Buick production hits new highs to handle the orders pouring in!

Good thing the Buick factories stepped up production of the 1955 cars when they did—because customer orders are *pouring* in.

It seems that just about *everybody* wants a 1955 Buick—the "hot" car this year that's getting hotter by the hour.

So hot, in fact, that it's topping the huge popularity which moved Buick into the "Big Three" of the nation's best sellers last year.

Know why? Plenty reasons.

Bold new styling, of course. And brilliant new V8 power. And room and comfort and luxury interiors—and an even finer, softer, steadier ride.

But the big reason is a new magic from the field of aviation—Variable Pitch Dynaflow.*

Twenty propellers inside this wondrous automatic drive do what the modern airplane propeller does—they switch their pitch.

One way, you get a lot more miles per gallon in normal driving and cruising.

You switch the pitch to another angle just by pressing down on the gas pedal—*and you get a new kind of instantaneous response for getaway or for safety-surge accelerating power.*

It's an experience you've never had before in an earth-bound vehicle—and it's thrilling beyond words.

So you can see why we're writing up orders and selling Buicks at a record rate.

And you can see more of the reason why when you look into the low pricing schedule that makes Buick the buy of the year, hands down.

Buick Sales Are Soaring!

Proof? *Buick is outselling all other cars in America except two of the best-known ones in the smaller-car field.* And for two good reasons: *(1) popular prices low enough for any new-car buyer to reach; and (2) a line of cars to fit any budget, from the low-priced SPECIAL, to the high-powered CENTURY, to the extra-spacious SUPER, to the custom-built ROADMASTER.*

Come in and check things for yourself. Once you do—*and press that gas pedal*—we believe you won't be happy till you're bossing your very own Buick.

*Dynaflow Drive is standard on Roadmaster, optional at extra cost on other Series.

Thrill of the year is Buick

MODEST MAIDENS By Jay Allen

"There's sickness at the Murphy's, he's sick of her and she's sick of him!"

Nature Handles Food Problems Of Youngsters

MADISON Wis (UP) — One prominent sociologist advises mothers to quit worrying about children's food problems Nature will see that the youngsters get enough to eat

This is the conclusion Orville G Brim sociologist at the University of Wisconsin reached in a study of 3 000 mothers who complained they had trouble getting their children to eat

Brim said every child has a poor appetite at one time or another for several reasons and a number of those reasons have little to do with health

Brim said lack of appetite may be caused by both physical and emotional disturbances But these disturbances alone don't lead to feeding problems

The problems grow out of pressures the parents put on their children to eat and that can happen even if the child is getting all the food he needs

Brim said these are the main reasons parents put the pressure on their children to eat

Rigid rules about the amount of each type of food parents think a child should have Brim said studies indicate that children naturally will eat the food they need —if it is made available of course

Strict adherence to a schedule Brim said a youngster doesn't get hungry at regular intervals

Concern over the size of children because of a phobia for height and weight charts begun some 35 years ago The sociologist said mothers sometimes try to make their children grow big and prove they are good mothers

Parental dominance over the child Brim said parents sometimes insist that children eat simply because they want to teach them to obey

The mother's rejection of the children Unwilling mothers work harder to bring their children up properly because society and guilty feelings demand it Brim said

This latter attitude leads to some of the most difficult feeding problems Brim said A child's refusal to eat denies the unwilling mother an opportunity to ease her conscience The mother punishes the child out of a feeling of hostility in the guise of doing what is best for the youngster

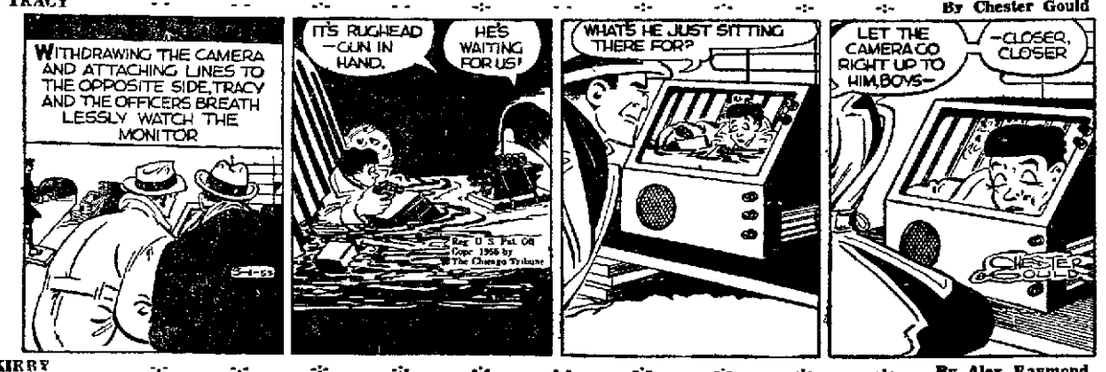
THE HEART OF JULIET JONES By Stan Drake

MAVIS—YOU FINDING OUT THAT I'M A POOR MAN WON'T CHANGE YOUR MIND ABOUT MARRYING ME?
NO! I MEAN—PLEASE, HOWARD, I'M TERRIBLY MIXED UP I JUST CAN'T THINK STRAIGHT WHEN I'M SO CONFUSED!
I—I'LL HAVE TO TALK WITH LEO HE HAS A REAL SOUND HEAD ON HIS SHOULDERS. HE'LL BE ABLE TO TELL ME WHAT I THINK—I MEAN, HE'LL BE ABLE TO GUIDE ME! EXCUSE ME!
LEO! I WANT TO TALK TO YOU!
HUH? OH, SURE, MA EXCUSE US, JULIE.

BLONDIE By Chic Young

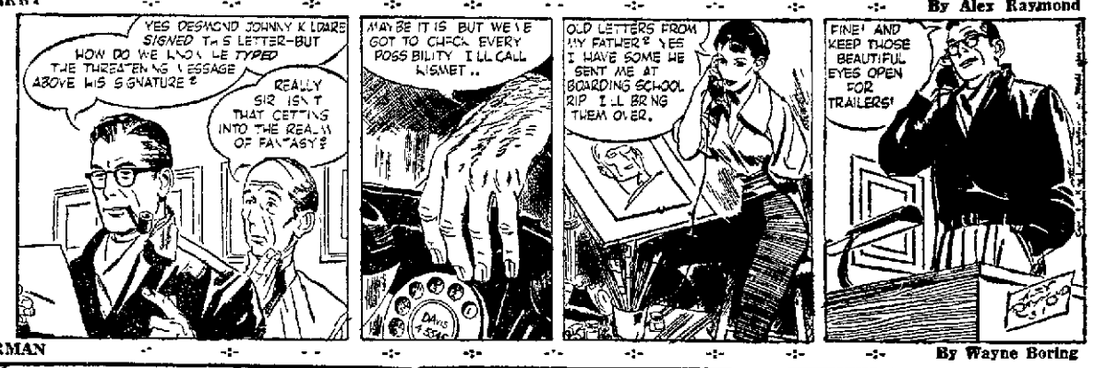
YOUR WIFE PHONED AND WANTS YOU TO BRING HOME A CAN OF TOMATOES
OKAY THANKS
CAN OF PEAS PLEASE
PEAS YESSIR
WHAT WILL BLONDIE SAY? THAT DUMB GROCER GAVE ME A CAN OF TOMATOES BY MISTAKE
WELL, GOOD FOR YOU—FOR ONCE YOU GOT SOMETHING RIGHT

DICK TRACY By Chester Gould



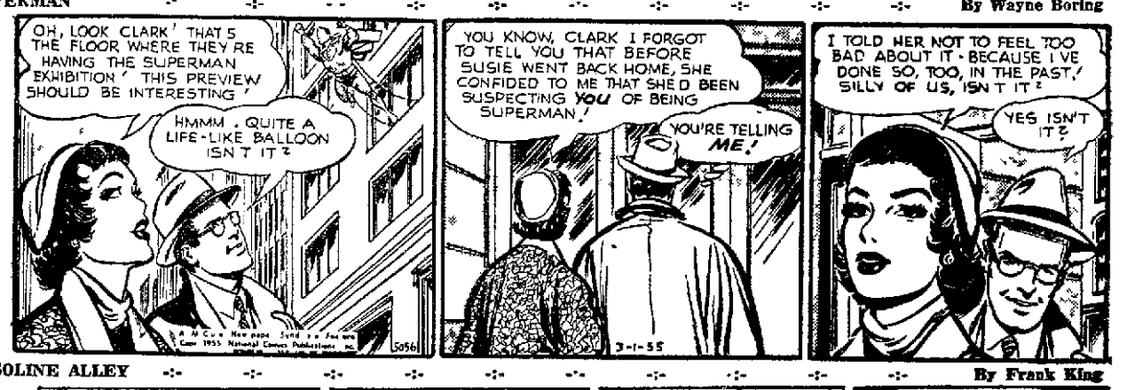
WITHDRAWING THE CAMERA AND ATTACHING LINES TO THE OPPOSITE SIDE, TRACY AND THE OFFICERS BREATH LESSLY WATCH THE MONITOR
IT'S RUGHEAD —GUN IN HAND.
HE'S WAITING FOR US!
WHAT'S HE JUST SITTING THERE FOR?
LET THE CAMERA GO RIGHT UP TO HIM, BOYS—
—CLOSER, CLOSER
CHESTER GOULD

RIP KIRBY By Alex Raymond



YES DESMOND JOHNNY K LOARE SIGNED THIS LETTER—BUT HOW DO WE KNOW HE TYPED THE THREATENING MESSAGE ABOVE HIS SIGNATURE?
REALLY SIR ISN'T THAT GETTING INTO THE REALM OF FANTASY?
MAYBE IT IS BUT WE'VE GOT TO CHECK EVERY POSSIBILITY I'LL CALL KISMET..
OLD LETTERS FROM MY FATHER? YES I HAVE SOME HE SENT ME AT BOARDING SCHOOL RIP I'LL BRING THEM OVER.
FINE! AND KEEP THOSE BEAUTIFUL EYES OPEN FOR TRAILERS!

SUPERMAN By Wayne Boring



OH, LOOK CLARK! THAT'S THE FLOOR WHERE THEY'RE HAVING THE SUPERMAN EXHIBITION! THIS PREVIEW SHOULD BE INTERESTING!
HMMM. QUITE A LIFE-LIKE BALLOON ISN'T IT?
YOU KNOW, CLARK I FORGOT TO TELL YOU THAT BEFORE SUSIE WENT BACK HOME, SHE CONFIDED TO ME THAT SHE'D BEEN SUSPECTING YOU OF BEING SUPERMAN!
YOU'RE TELLING ME!
I TOLD HER NOT TO FEEL TOO BAD ABOUT IT - BECAUSE I'VE DONE SO, TOO, IN THE PAST! SILLY OF US, ISN'T IT?
YES ISN'T IT?

GASOLINE ALLEY By Frank King

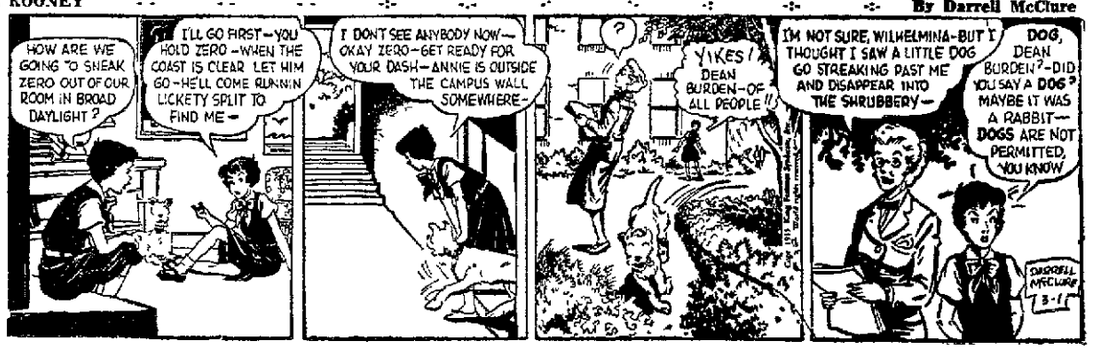
I know now Judy why you're so crazy about Amy
What do you mean Marge?
He took me home last night and he's wonderful!
What makes you think so?
I'd never never tell but he is!
You'd better tell!
Okay He kissed me good night!

JOE PALOOKA By Ham Fisher

C'MON GIT DRESSED TH' GOILS IS WAITIN'. WE'LL BE LATE.
THEY'RE PICKIN' US UP IN THEIR CAR BOY! WAIT'LL YA SEE EM... GORGEOUS, AN' A WOILD A FUN
THERE THEY COME. LOOK AT THAT SNAZZY CAR!
NO?, IT'S HER... OHHH IN THAT STORE!
GUBBINS REAL ESTATE

TERRY AND THE PIRATES By George Wunder

ANNIE ROONEY By Darrell McClure



HOW ARE WE GOING TO SNEAK ZERO OUT OF OUR ROOM IN BROAD DAYLIGHT?
I'LL GO FIRST—YOU HOLD ZERO—WHEN THE COAST IS CLEAR LET HIM GO—HE'LL COME RUNNIN LICKETY SPLIT TO FIND ME—
I DON'T SEE ANYBODY NOW—OKAY ZERO—GET READY FOR YOUR DASH—ANNIE IS OUTSIDE THE CAMPUS WALL SOMEWHERE—
YIKES! DEAN BURDEN—OF ALL PEOPLE!!
I'M NOT SURE, WILHELMINA—BUT I THOUGHT I SAW A LITTLE DOG GO STREAKING PAST ME AND DISAPPEAR INTO THE SHRUBBERY—
DOG, DEAN BURDEN?—DID YOU SAY A DOG? MAYBE IT WAS A RABBIT—DOGS ARE NOT PERMITTED, YOU KNOW
DARRELL McCLURE
